## **God Wants You Rich And Other Enticing Doctrines:**

*God Wants You Rich* Florence Bulle, 1983

**Apologetics, Mission and New Religious Movements: A Holistic Approach** Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson's work apart from earlier studies of cults and new religions. At the same time, his work is innovative in other ways.

**The Joy of Encouragement** Dr. David Jeremiah, 2013-10-16 The Greatest Healing Agent Known to Mankind. What is loneliness but the echo of an unanswered cry for love? What is the wounded soul but one aching for hope? Although most people have not received a minute's training in medicine, everyone can offer anyone the greatest power of healing available: that of encouragement. In this readable, practical, and enjoyable book, popular pastor, author, and radio minister Dr. David Jeremiah examines the heart of encouragement: self-giving, genuine love, and shows how we can eagerly and easily lift up those around us. An encouragement itself, *The Joy of Encouragement* is scriptural and uplifting, enabling you to bask in God's love while simultaneously giving it away. The world is about to be radically reshaped, one word at a time. What is loneliness but an unanswered cry for love? Lift up the defeated. What is a wounded soul but one aching for hope? Redirect a life. You wield the power to heal the hurting. You hold the words to affirm the doubting. In this readable, practical, and enjoyable book, Dr. David Jeremiah examines the heart of self-giving, genuine love, and shows how you can easily, readily, and simply offer healing and life to those around you: to your family, friends, neighbors, and even perfect strangers. Scriptural and uplifting, *The Joy of Encouragement* is an uplift in itself. You'll find yourself basking in God's love while giving it away. Change the world, one word at a time. Praise for *The Joy of Encouragement*. If you need a fresh start, a new beginning, a renewed hope, then this is the book for you. Joseph Aldrich, former president, Multnomah Bible College. Do any two elements of life go together more naturally than hope and encouragement? David Jeremiah offers both in *The Joy of Encouragement*. Highly recommended. Bruce Wilkinson, bestselling author. A compelling call for us to infect our despairing and discouraged world with hope and encouragement. This is a strategic book for those of us who want to be used as helpers and healers on behalf of Christ. Joseph Stowell, senior teaching pastor, Harvest Bible Chapel and seventh president, Moody Bible Institute. *Field Guide to the Wild World of Religion* Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world. It matched the tame, predictable world of women's clothing, where most women going out shopping wore a dress with coordinating gloves, hat, and shoes. And it matched the tame, predictable world of children's toys, where almost every young girl yearned for a baby doll that said Ma Ma, and almost every boy needed a coonskin cap. Choices of fashions, toys, preachers, and churches were limited and domesticated. Fifty years later, the tame, predictable world of 1950s fashions and toys is long gone. Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts. And both boys and girls want the latest Sponge Bob Square Pants video game. The same kind of transformation has gone on in the world of religion. It is no longer tame and predictable either. Welcome to the Wild World of Religion of the 21st Century. Explore its habitats.
