Discovering the Missing Goal: Spiritual Development Debra Dianna Thomas Ph.D., 2021-06-07. How many of us have an open treasure chest of gold, our spiritual growth, waiting to be claimed on a deserted beach? Spiritual growth is the process of becoming more and more like Jesus Christ. When we place our faith in Jesus, the Holy Spirit begins the process of making us more like Him. Spiritual growth is perhaps described in 2 Peter 1:3-8, which tells us that by God's power we have everything we need to live lives of godliness, which is the goal of spiritual growth. What we need comes through our knowledge of Him, which is the key to obtaining everything we need. Our knowledge of Him comes from the Word given to us for our edification and growth. There are two lists in Galatians 5:19-23. Verses 19-21 list the acts of the flesh. These are the things that identify our lives before we came to Christ for salvation. The acts of the flesh are the activities we are to confess, repent of, and with God's help overcome. As we experience spiritual growth, fewer and fewer of the acts of the flesh will be evident in our lives. The second list is the fruit of the Spirit, verses 22-23. These are things that should characterize our lives now that we have experienced salvation in Jesus Christ. Spiritual growth is identified by the fruit of the Spirit, becoming increasingly evident in a believer's life. When the transformation of salvation takes place, spiritual growth begins. The Holy Spirit indwells us (John 14:16-17). We are new

creatures in Christ 2 Corinthians 5 17 The old sinful nature begins to give away to the new Christ like nature Romans 6 7 Spiritual growth is a lifelong process that depends on our study and application of God s Word 2 Timothy 3 16 17 and our walk in the Spirit Galatians 5 16 26 As we seek spiritual growth we should pray to God and ask for wisdom concerning the areas He desires us to grow We can ask God to increase our faith and knowledge of Him God desires us to grow spiritually and He has given us all we need to experience spiritual growth With the Holy Spirit s help we can overcome sin and steadily become more like our Savior the Lord Jesus Christ How do I get there *The Encyclopedia of Christian Literature* George Thomas Kurian, James D. and the latest in neuroscientific research Ellingsen offers a new approach for healthy living one opposed to the duty oriented selfish and stifling conception of faith that has gained such a strong foothold in contemporary American culture It is an approach that fully embraces the active role that God s grace plays in each person s life and the fun and freedom one gains from it Beginning with the first theological analysis of Rick Warren s brand of Christianity this book exposes the burdens and narcissism that purpose driven and duty bound living encourages and includes the purveyors of the Prosperity Gospel taught by such influential preachers like Joel Osteen in his critique Ellingsen writes that brave sinners aware of God s grace in their lives instead say no to narcissism and yes to healthy risk taking that gets beyond selfish desires to the desire to help one another When people sin bravely acknowledging that everything done is done in sin with God s saving grace acting upon them people can learn to recognize God This awareness leads to freedom and joy since the pressure is now removed to do and be good In addition total dependence on God entails a self forgetfulness that leads to happiness The more boldly someone acknowledges their sin in failing to take credit for the good they have done the more focused on God the individual becomes Correspondingly this self forgetful lifestyle is a promising counter cultural alternative to the cultural narcissism which so dominate in many segments of contemporary American society This book demonstrates both how and why brave sinning leads to joy and in so doing offers readers practical advice on living this way Ellingsen also cites recent neurobiological findings showing that when people forget themselves in order to focus on bigger projects the pleasure centers of the brain are stimulated and people become happier and more content It is this joyous risk taking that he suggests brings people closer together closer to God and closer to a better understanding of themselves Sin Bravely dares to be that joyful alternative to the purpose driven life
