healing Eyewitness to Miracles is endorsed by university scholars and leaders from a variety of church backgrounds Anglicans Baptists Catholics and Methodists After all if Jesus healed people in his day why shouldn't we expect to see people healed today Eyewitness to Miracles is a remarkable read that will make you believe once again When Heaven Seems Silent Mark and Tammy Endres, 2014 Offers Christians advice on what to do when it seems like God is not answering their prayers including how to really hear God's voice how to overcome disappointment and how to face strong emotions **The Healing Reawakening** Francis MacNutt, 2006-09-01 For the first three hundred years of Christian history healing prayer was fundamental in the life of the church It even proved the main method of converting the unbelievers of the day Then began the long slide of healing prayer into near insignificance Ironically Christians themselves by reserving healing prayer for the most holy were the ones who almost killed this mission so central to the gospel itself The mystery of how this happened is described by Francis MacNutt in this fascinating history which includes his own personal journey MacNutt sees this loss as tragic and shows how necessary it is for us to rediscover healing prayer and once more embrace it according to Christ's original mandate with amazing results Christian leaders and anyone involved in the healing ministry must read this book **Leaving Home--Finding Home** Jessie C. Mejias, 2010-02-26 Leaving Home Finding Home My Journey from Shame to Sonship through Journaling is the first book of its kind showing how God Himself brought inner healing by speaking into one woman's life In it author Jessie Mejias shares how God counsels and heals her through journaling The central theme of Leaving Home Finding Home is healing through intimacy with God an intimacy that develops as she writes out her conversations with Him The author devotes several chapters to her background and childhood but the heart of the book is Jessie's actual journal About her decision to share her journal verbatim she says When the Lord first instructed me to write this book my natural instinct was to transform the ramblings of my mind and heart into a nice neat package that the reader could easily follow However as I prayed about His instructions I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself Jessie Mejias grew up in what she would have described as an Ozzie and Harriet kind of home loving parents close siblings good schools and a religion that dictated solid values What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns As a young adult Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly Subsequently her family scattered and she unwittingly married an abusive alcoholic man Her disastrous marriage precipitated her decision to give her life to Christ But despite her newfound faith at age 27 she found herself a single mother of two young sons In the ensuing years Jessie sought and found healing and growth through studying the Bible and receiving Christian counseling Miraculously she and her husband were remarried after seven years of separation and divorce She became involved in teaching and leading Bible studies within her local church and was confident that she was already experiencing the abundant life that God promised to His children However when she decided to return to school to earn a

degree in Christian counseling God began to show her that she was still suffering from the traumas of her childhood and that shame was an integral part of her life that He wanted to remove This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book Leaving Home Finding Home chronicles that journey from shame to sonship through one on one dialogue with God Shame is a universal problem that is sometimes hard to pinpoint We describe ourselves as embarrassed shy fearful or hesitant but we never actually understand that the source of these emotions is shame Shame is a terrible feeling that we are a mistake that somehow we were never supposed to exist The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image Jessie vividly describes her feelings of shame It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block at first for short times then for longer and longer periods of time but inevitably I would end up at some point back in this dump The sight of it would make me sick but I did not know how to leave it completely behind God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life reaching deep into her heart to show her what was hidden there
