

The artwork is a collage by Hannah Höch. It features a large, central figure of a bird, possibly a phoenix or a similar mythical creature, with a human-like face and a long, flowing, golden-brown mane or tail. The bird's body is a mix of brown and tan tones. Below the bird, there are several pairs of legs and feet, suggesting a crowd or a group of people. The background is a light blue sky with some white clouds. The overall style is characteristic of the Weimar Republic era, with a focus on social and political commentary.
