From Cradle to Stage Virginia Hanlon Grohl, 2017-04-18 Written by Virginia Grohl the mother of Dave Grohl former Nirvana drummer and current frontman for the Foo Fighters *From Cradle to Stage* shares stories and exclusive photos featuring mothers of rock icons the icons themselves and their Behind the Music style relationships While the Grohl family had always been musical the family sang together on long car trips harmonizing to Motown and David Bowie Virginia never expected her son to become a musician let alone a rock star But when she saw him perform in front of thousands of screaming fans for the first time she knew that rock stardom was meant to be for her son And as Virginia watched her son's star rise she often wondered about the other mothers who raised sons and daughters who became rock stars Were they as surprised as she was about their children's fame Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers Did they encourage their children's passions despite the odds against success or attempt to dissuade them from their grandiose dreams Do they remind their kids to pack a warm coat when they go on tour Virginia decided to seek out other rock star mothers to ask these questions and so began a two year odyssey in which she interviewed such women as Verna Griffin Dr. Dre's mother Marianne Stipe Michael Stipe of

REM's mother Janis Winehouse Amy Winehouse's mother Patsy Noah Adam Levine's mother Donna Haim mother of the Haim sisters Hester Diamond Mike D of The Beastie Boys mother With exclusive family photographs and a foreword by Dave Grohl From Cradle to Stage will appeal to mothers and rock fans everywhere *Be Happier in One Hour* D.E.

Hardesty, 2015-04-06 This book teaches you how to be happier in one hour so that you can start enjoying better relationships better health more success and a longer life all from learning how to be happier This book shows you how you can be happier right now without anything else changing in your life This is the second book by D E Hardesty author of *Finding Your Power to Be Happy Seven Practices to Bring Unconditional Happiness into Your Life* In this book the author reduces his seven practices for happiness into a book that can read in an hour Included in this book are simple exercises to start these practices immediately At the end of an hour anyone who reads this book and tries the exercises can be happier The premise of this book and his first book is that happiness is natural to us It is already inside of us waiting to be released We only have to turn our attention to it Like a light switch we only have to learn to turn it on and keep it turned on Real happiness does not depend on the circumstances of your life You can be happier right now without anything changing in your life If everything in your life is going great you can be happy If everything in your life is going wrong you can be happy Rich poor old young male female blue collar white collar pink collar no collar you can be happy Learning to be happy may be the most important thing we can do in life It may even be the purpose in life What psychologists have found is that compared to those who are not happy happy people have better relationships and better health they are more successful and they live longer Children are born happy and we expect see them playing and being happy We do not expect so much happiness when we leave childhood However the power to be naturally happy that we knew as children is still there it never left This aim of this book is to help you find it again You Haven't Hit Your Peak Yet!
