Bitter End Christine Kling, 2012-09-08 Bitter End Book 3 of Christine Kling s Seychelle Sullivan series is loosely based on the real South Florida murder of Greek immigrant tycoon Gus Boolis once the owner of South Florida s Sun Cruz Casino Gambling boats In Seychelle s new caper she may just be in over her head when murder and corruption come bobbing to the surface Since kindergarten Seychelle and her best friend Molly had been as close as sisters Molly even dated Seychelle s brother But it all ended suddenly when Nick Pontus a slick older up and coming entrepreneur came along A smitten Molly quit school married her new beau and never spoke to Seychelle again After thirteen years it still stings Seychelle didn t see the sniper who picked Nick off at the helm of his yacht but she knows that there are plenty of people in South Florida who wanted to see the gambling boat tycoon dead the Russian mobsters looking for a piece of his casino action the Indian gamers who resent his competition and the ecological activists fighting his plans to develop Fort Lauderdale s waterfront But it s Molly whom the cops zero in on And despite her bitter feelings and against her better judgment when her back from the blue friend asks for help Seychelle can t just weigh anchor and cruise She s got to dive in What she finds is a money skimming scam aboard Nick s flagship gambling boat Nick s new trophy wife turned merry rich widow and Nick and Molly s teenage son a scared kid with a big secret and a killer on his trail Protecting the boy proving

Molly's innocence and navigating between squalls of gunfire add up to a tall order as salvage jobs go. But like any good captain Seychelle will never abandon ship. Even if it means risking her life. Wreckers' Key Christine Kling, 2012-09-08

Wreckers' Key In her Seychelle Sullivan novels Christine Kling has brilliantly rendered the world of South Florida as seen from the teeming waters around it. From harbors of Key West to the wilds of Biscayne Bay to the night lights of Miami Kling's tough minded heroine has carved out a life that is uniquely her own. Now in WRECKERS KEY the fourth book in the series this fiercely independent woman is at a turning point and in a dangerous duel with an unseen enemy. In the 1800s Key West was built by wrecking skippers who in feats of derring do raced to shipping disasters to save valuable cargos from the ocean depths. Today as too many boats chase too few wrecks salvage has turned into a cutthroat corporate enterprise. Seychelle Sullivan who pilots a tug her father built by hand is unable and unwilling to compete. She is overwhelmed by issues of love, trust, motherhood, career and family. But when a friend is killed Seychelle begins to suspect a chilling scenario that modern day wreckers are causing yachts to crash onto the reefs and killing off whoever gets in the way. Nestor Frias was piloting a billionaire's luxury power yacht on its maiden voyage when it ran aground. A few days later Frias was dead. His eight months pregnant widow is distraught and a host of questions surround both Frias's death and the ship's accident. When another man dies while asking questions Seychelle navigates the dangerous shoals and channels of the case and her life unaware that a greater danger is looming, a murderous human storm designed perfectly for her. With its vivid colorful characters and rich sense of sea and land Wreckers' Key is a brilliant addition to Christine Kling's fascinating, entertaining and thrilling Florida mystery series. Praise for Christine Kling: Christine Kling's novels just keep getting better and better. She takes her readers on fast paced tours of areas into which few writers have ventured. Carolina Garcia Aguilera author of Luck of the Draw. John D McDonald would get a kick out of Christine Kling's suspense novels. Chicago Tribune

Surface Tension Christine Kling, 2012-09-08 SURFACE TENSION is the first book in this four book suspense series featuring Florida tug and salvage captain Seychelle Sullivan. Working as she does in a man's world Seychelle has to work twice as hard just to compete. Some have even called her reckless. In her view she's just doing her job salvaging boats and people's lives. On a steamy Florida morning Seychelle is answering a Mayday call launched from the five million dollar Broward yacht called Top Ten Racing her fiercest competitor for salvage rights. Seychelle has a personal stake in this rescue. Her former lover Neal Garrett is the yacht's hired skipper. But being the first to reach Top Ten leads to a bloody payday. A beautiful woman has been stabbed to death onboard. And Garrett is nowhere to be found. While the police treat her as the prime suspect Seychelle begins to unravel a tangled plot centered on a strip club where all the girls are tens on top. Seychelle is connecting human predators with innocent victims and a mystery on land with a mystery buried deep beneath the sea. Now to find out what really happened to Neal Garrett Seychelle must retrace his last steps through two murders and a horrific crime wave to a final confrontation with someone who may want to kill her or be her salvation. *THE SEA - Its Stirring Story of Adventure, Peril & Heroism*

Musical Voices of Early Modern Women Thomasin LaMay, 2017-05-15 Recent scholarship has offered a veritable landslide of studies about early modern women illuminating them as writers thinkers midwives mothers in convents at home and as rulers *Musical Voices of Early Modern Women* adds to the mix of early modern studies a volume that correlates women's musical endeavors to their lives addressing early modern women's musical activities across a broad spectrum of cultural events and settings The volume takes as its premise the notion that while women may have been squeezed to participate in music through narrower doors than their male peers they nevertheless did so with enthusiasm diligence and success They were there in many ways but as women's lives were fundamentally different and more private than men's were their strategies tools and appearances were sometimes also different and thus often unstudied in an historical discipline that primarily evaluated men's productivity Given that many of these stories will not necessarily embrace a standard musical repertoire even as they seek to expand canonical borders The contributors to this collection explore the possibility of a larger musical culture which included women as well as men by examining early modern women in many headed ways through the lens of musical production They look at how women composed assuming that compositional gender strategies may have been used differently when applied through her vision how women were composed or represented and interpreted through music in a larger cultural context and how her presence in that dialog situated her in social space Contributors also trace how women found music as a means for communicating for establishing intellectual power for generating musical tastes and for enhancing the quality of their lives Some women performed publicly and thus some articles examine how this impacted on their lives and families Other contributors inquire about the economics of music and women and how in different situations some women may have been financially empowered or even in control of their own money making This collection offers a glimpse at women from home stage work and convent from many classes and from culturally diverse countries including

France Spain Italy England Austria Russia and Mexico and imagines a musical history centered in the realities of those lives
