Knowing Me Knowing God Exploring Your Spirituality With Myers Briggs:

Knowing Me, Knowing God Malcolm Goldsmith, 2011-07-01 In *Knowing Me Knowing God* Malcolm Goldsmith provides an easy to follow introduction to the Myers Briggs Type Indicator as it pertains to the spiritual life. The heart of this book is a spirituality questionnaire and its interpretation in connection to spirituality. The intent of the book is to explore ways in which persons might best open their hearts and minds to God. *Knowing Me Knowing God* is a valuable resource for retreat leaders, worship committee members, spiritual directors, prayer group members, and others who are looking for material that help them focus on the needs of their community. The spirituality questionnaire is designed for personal completion as an integral part of the total book. It can however be used in small groups to stimulate discussion. **Christian Spirituality** Karen E. Smith, 2007 This textbook works towards presenting Christian spirituality as an ongoing dialogue between doctrine and experience and asserts that Christian spirituality must reflect the idea of search. It features a number of pedagogical tools to aid the undergraduate such as questions for reflection and guides to further reading. **Faith Community Nursing** Janet Susan Hickman, 2006 This unique text combines traditional parish nursing content with community health nursing methodology, coverage of community and faith community assessment and health education and health promotion disease prevention programming. *From the Crucible*, **Reservoirs of Hope** Alan Flintheart, 2010-08-11 This book is about hope and how it is sustained by the personal spirituality of school leaders. Defining this not only in religious terms but using a concept of secular spirituality, it shows that leadership actions must rest on the foundation of a personal value system demonstrated as a lived faith in action. Drawing on interviews with 150 headteachers and capturing their authentic voices, it uses the metaphor of reservoirs of hope to promote practitioner reflection on the value systems, leadership styles, and sustainability strategies of headteachers as they act as the external reservoir of hope for their schools whilst ensuring that their own internal reservoir of hope never runs dry. It also offers a theological reflection on the spiritual and moral leadership of headteachers, providing a connecting bridge between educational leadership and theology. **Personal Spirituality** Daniel J. Benor, 2006 Dr Benor addresses his explorations from the standpoint of an advocate but one who is an open minded explorer, neither from a religious nor a conventional medical perspective. The breadth and depth of the research reports in this volume on the psychic, intuitive and spiritual aspects of healing will engage even the knowledgeable reader. This book is destined to take its place among the most influential and controversial in the field of claims reports and experiences of unconventional healing and spiritual awareness. *As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye* Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship, if any, they might have with their friends who come from a different Christian faith tradition than their own. The authors aim to address that question in a practical way. They believe that while disagreements remain, it is possible to preserve the integrity of the faith while relating positively to Christians who

cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way The Spirituality of Jesus Leslie T. Hardin, Jesus spiritual practices examied for today s believers to follow
