Jesus For President Politics For Ordinary Radicals:

Jesus for President Shane Claiborne, Chris Haw, 2009-08-30 Jesus for President is a radical manifesto to awaken the Christian political imagination reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world In what can be termed lyrical theology Jesus for President poetically weaves together words and images to sing rather than dictate its message It is a collaboration of Shane Claiborne's writing and stories Chris Haw's reflections and research and Chico Fajardo Heflin's art and design Drawing upon the work of biblical theologians the lessons of church history and the examples of modern day saints and ordinary radicals Jesus for President stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar A fresh look at Christianity and empire Jesus for President transcends questions of Should I vote or not and Which candidate by thinking creatively about the fundamental issues of faith and allegiance It's written for those who seek to follow Jesus rediscover the spirit of the early church and incarnate the kingdom of God **Jesus for President Pack** Shane Claiborne, Chris Haw, 2012-01-31 Amid all the buzz of politics and elections the Jesus for President Gift Pack is a refreshing reminder from authors Shane Claiborne and Chris Haw that our ultimate hope lies not in partisan political options but in Jesus who gave his life for us Renew yourself with politics for ordinary radicals who want to love the world into the kingdom of God **The Irresistible Revolution, Updated and Expanded** Shane Claiborne, 2016-01-05 Join Shane Claiborne as he

invites you to rediscover the biblical practice of loving your neighbor using unconventional examples from his own life to stir up questions about the church and the world while challenging you to truly live out your faith In this updated and expanded edition of The Irresistible Revolution bestselling author and activist Shane Claiborne challenges us to remember that the Great Commission sends us into the world not just to make believers but to form disciples who know how to love the way God calls us to In The Irresistible Revolution Shane describes an authentic faith rooted in belief action and love inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world He asks and answers key questions like How can I sustain my faith and combat burnout Should Christians be involved in politics How does God want me to spend my life With new material throughout the book Shane adds new stories shares what his community looks like now and brings you fresh inspiration to live out this message in practical ways Come join the revolution Praise for The Irresistible Revolution Shane Claiborne is a living experiment evangelical zeal mixed with grassroots activism passion for Jesus mixed with prison time for feeding the poor This is a rant for love aimed at cowards seeking courage Aiden Enns publisher Geez Magazine Written with endearing humor and astonishing courage The Irresistible Revolution describes a young man's embrace of uncompromising commitment to Jesus teachings Kathy Kelly author cofounder of Voices in the Wilderness **The Anarchist Imagination** Carl Levy, Saul Newman, 2019-04-09 This is a broad ranging introduction to twenty first century anarchism which includes a wide array of theoretical approaches as well as a variety of empirical and geographical

perspectives The book demonstrates how the anarchist imagination has influenced the humanities and social sciences including anthropology art feminism geography international relations political science postcolonialism and sociology Drawing on a long historical narrative that encompasses the waves of anarchist movements from the classical anarchists 1840s to 1940s post war wave of student counter cultural and workers control anarchism of the 1960s and 1970s to the DIY politics and Temporary Autonomous Zones of the 1990s right up to the Occupy Movement and beyond the aim of this volume is to cover the humanities and the social sciences in an era of anarchist revival in academia Anarchist philosophy and anarchistic methodologies have re emerged in a range of disciplines from Organization Studies to Law to Political Economy to Political Theory and International Relations and Anthropology to Cultural Studies Anarchist approaches to freedom democracy ethics violence authority punishment homelessness and the arbitration of justice have spawned a broad array of academic publications and research projects But this volume remembers an older story in other words the continuous role of the anarchist imagination as muse provocateur goading adversary and catalyst in the stimulation of research and creative activity in the humanities and social sciences from the middle of the nineteenth century to today This work will be essential reading for scholars and students of anarchism the humanities and the social sciences **Brill's Companion to Anarchism**

and Philosophy Nathan J. Jun, 2017-09-25 Despite the recent proliferation of scholarship on anarchism very little attention has been paid to the historical and theoretical relationship between anarchism and philosophy Seeking to fill this void Brill's Companion to Anarchism and Philosophy draws upon the combined expertise of several top scholars to provide a broad thematic overview of the various ways anarchism and philosophy have intersected Each of its 18 chapters adopts a self consciously inventive approach to its subject matter examining anarchism's relation to other philosophical theories and systems within the Western intellectual tradition as well as specific philosophical topics subdisciplines and methodological tendencies **A God More Powerful Than Yours** Christopher W. Boerl, Katie Donbavand, 2015-09-18 Throughout

American history religious movements have repeatedly proved themselves to be powerful forces capable of masterfully manipulating the social and political landscape of the nation Key to the influence religious organizations have historically held in the United States is their use of communication technologies In this vivid account Christopher Boerl and Katie Donbavand adroitly weave a rich narrative illuminating the effects various historical phenomena have had and the reactionary religious response which followed Through shifting social norms and political realities the authors also show the role media has played in nurturing religious movements and fanaticism Broadcast media in particular is identified as a unique conduit through which the now dominant conservative articulation of Christianity both took root in the United States and flourished as an imposing cultural standard More recently new communication technologies such as the Internet and social media have usurped the reign of broadcast media In so doing these technologies are serving as a form of religious pluralization and theological fragmentation In short new communications technologies are fragmenting a once homogenous

religious body and in so doing proving that some gods are more powerful than others **A False Kind of Christianity** Dan Jensen,2017-06-15 In this work Dan Jensen offers the conservative Evangelical community a no nonsense assessment of the growing and aggressive progressive Christian movement Jensen provides two chapters of personal testimony a short overview of the history behind the progressive Christian movement a brief summary of the teachings of the movement and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation Jensen makes it clear why this movement must be countered by conservative Evangelicals Pentecostal Perspectives on Social Justice Thomas U. Kurt,2025-06-10 The beginnings of the Pentecostal movement were characterized by charismatic gifts and an extraordinary missionary dynamic At the same time early Pentecostals stood out from their social environment for their liberal practices on race and women s issues and for their pacifism In a world characterized by violence oppression and exploitation the question of justice is crucial for the future of this world At the same time for Pentecostals the question of the future of this world is closely linked to the kingdom of God This book explores whether there is a common denominator in Pentecostal social ethics what that denominator consists of and what its theological categories are To answer these questions it examines four representatives of the global Pentecostal church who have made prominent contributions in the field of social ethics The results are then discussed in a dialogue with Jürgen Moltmann one of the most prominent voices in systematic theology for social justice and the liberation of the oppressed **The Other Journal: Marxism** The Other Journal,2013-10-01 The literary critic and Marxist philosopher Fredric Jameson has said It is easier to imagine the end of the world than to imagine the end of capitalism The military social and political effects of capitalism are felt everywhere across the planet and even as we acknowledge the negative effects the imbalances of power the imperialist exploitations the social alienation we are captivated by its message of self sufficiency and success In this issue The Other Journal examines the potentially surprising intersections of Marxism with Christianity the ways in which this nexus of thinking and faith may help us contend with and recognize the powers of the market The issue features essays and reviews by Daniel Colucciello Barber Luke Bretherton Kevein Hargaden Paul Dafydd Jones D L Mayfield W Travis McMaken Christina McRorie Thomas J Millay Silas Morgan and David Schmidt an interview by Timothy McGee with Joerg Rieger fiction by Alex McCauley creative nonfiction by Jonathan Hiskes poetry by Brett Foster Elizabeth Myhr and Hannah Faith Notess and art by Steve Bakker and Benjamin Violet Christian Ethics (Revised Edition) Wayne Grudem,2024-09-18 What Does the Bible Teach about How to Live in Today s World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God s will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology

draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God s law God s honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6

Pilgrim Practices Kristopher Norris, 2012-03-19 Despite a wealth of literature on the missional church and missional living few resources help Christians and churches think through what it means to be disciples of Jesus Christ and what specific practices help cultivate lives of discipleship Written from with and for the church *Pilgrim Practices* Discipleship for a Missional Church introduces Christian practices from the Letter of James to help guide Christians and churches in their journey of discipleship This book frames discipleship in a way that has been largely abandoned in modern congregational literature as fundamentally an issue of identity an identity that is necessarily formed and practiced in and with the church community It is a lifestyle that cannot be lived on one s own Discipleship ultimately means engaging with others on a journey of faith sustained and cultivated through certain practices pilgrim practices The practices examined in this book develop and direct the risky pilgrim journey of Christians transforming pilgrims into disciples as the Body of Christ who participate with God in God s mission in the world In this time of transient identities individualist impulses and fleeting commitments this book offers specific practices to help Christians form their identity as disciples and to help Christian communities live their calling as the pilgrim Body of Christ in the world

Beating Guns Shane Claiborne, Michael Martin, 2019-03-05 Publishers Weekly starred review Parkland Las Vegas Dallas Orlando San Bernardino Paris Charleston Sutherland Springs Newtown These cities are now known for the people who were shot and killed in them More Americans have died from guns in the US in the last fifty years than in all the wars in American history With less than 5% of the world s population the people of the US own nearly half the world s guns America also has the most annual gun deaths homicide suicide and accidental gun deaths at 105 per day or more than 38 000 per year Some people say it s a heart problem Others say it s a gun problem The authors of *Beating Guns* believe it s both This book is for people who believe the world doesn t have to be this way Inspired by the prophetic image of beating swords into plows *Beating Guns* provides a provocative look at gun violence in America and offers a clarion call to change our hearts regarding one of the most significant moral issues of our time Bestselling author speaker and activist Shane Claiborne and Michael Martin show why Christians should be concerned about gun violence and how they can be part of the solution The authors transcend stale rhetoric and old debates about gun control to offer a creative and productive response Full color images show how guns are being turned into tools and musical

instruments across the nation Charts tables and facts convey the mind boggling realities of gun violence in America but as the authors make clear there is a story behind every statistic Beating Guns allows victims and perpetrators of gun violence to tell their own compelling stories offering hope for change and helping us reimagine the world as one that turns from death to life where swords become plows and guns are turned into garden tools *Hipster Christianity* Brett McCracken,2010-08-01 Insider twentysomething Christian journalist Brett McCracken has grown up in the evangelical Christian subculture and observed the recent shift away from the stained glass and steeples old guard of traditional Christianity to a more unorthodox stylized 21st century church This change raises a big issue for the church in our postmodern world the question of cool The question is whether or not Christianity can be should be or is in fact cool This probing book is about an emerging category of Christians McCracken calls Christian hipsters the unlikely fusion of the American obsessions with worldly cool and otherworldly religion an analysis of what they re about why they exist and what it all means for Christianity and the church s relevancy and hipness in today s youth oriented culture **The Uncomfortable Pew** Bruce Douville,2021-05-20 In *The Uncomfortable Pew* Bruce Douville explores the relationship between Christianity and the New Left in English Canada from 1959 to 1975 Focusing primarily on Toronto he examines the impact that left wing student radicalism had on Canada s largest Christian denominations and the role that Christianity played in shaping Canada s New Left Based on extensive archival research and oral interviews this study reconstructs the social and intellectual worlds of young radicals who saw themselves as part of both the church and the revolution Douville looks at major communities of faith and action including the Student Christian Movement Kairos and the Latin American Working Group and explains what made these and other groups effective incubators for left wing student activism He also sheds light on Canada s Roman Catholic Anglican and United churches and the ways that progressive older Christians engaged with radical youth and the issues that concerned them including the Vietnam War anti imperialism around the globe women s liberation and gay liberation Challenging the idea that the New Left was atheistic and secular *The Uncomfortable Pew* reveals that many young activists began their careers in student Christian organizations and these religious and social movements deeply influenced each other While the era was one of crisis and decline for leading Canadian churches Douville shows how Christianity retained an important measure of influence during a period of radical social change **Prophetic Evangelicals** Bruce Ellis Benson,Malinda Elizabeth Berry,Peter Goodwin Heltzel,2012-02-03 In this inaugural *Prophetic Christianity* volume fifteen contributors share their visions for a biblically centered culturally engaged and historically infused evangelicalism Interacting with a wide variety of influential thinkers they articulate several approaches to creating a socially responsible gospel centric and ecumenical evangelical identity Contributors Raymond C Aldred Vincent Bacote Bruce Ellis Benson Malinda Elizabeth Berry Chris Boesel John R Franke David Gushee Peter Goodwin Heltzel Pamela Lightsey Cherith Fee Nordling Ruth Padilla DeBorst Gabriel Salguero Helene Slessarev Jamir Christian T Collins Winn Telford Work **By the Waters of Babylon** Scott

Aniol,2019-03-21 A guide to biblically shaped worship which has the greatest missional impact in a post Christian culture By the Waters of Babylon examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the spender of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel s captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God s truth through appropriate cultural forms will have the most missional impact in a post Christian context

Christian Origins and Greco-Roman Culture Stanley E. Porter,Andrew W. Pitts,2013 In Christian Origins and Greco Roman Culture Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco Roman materials and literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Greco Roman texts *Christian Anarchism* Alexandre Christoyannopoulos,2022-02-17 Christian anarchism has been around for at least as long as secular anarchism Leo Tolstoy is its most famous proponent but there are many others such as Jacques Ellul Vernard Eller Dave Andrews or the people associated with the Catholic Worker movement They offer a compelling critique of the state the church and the economy based on the New Testament **The Theology of Dallas Willard** Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith *Holy Mavericks* Shayne Lee,Phillip Luke Sinitiere,2009-04 Joel Osteen Paula White T D Jakes Rick Warren and Brian McLaren pastor some the largest churches in the nation lead vast spiritual networks write best selling books and are among the most influential preachers in American Protestantism today Spurred by the phenomenal appeal of these religious innovators sociologist Shayne Lee and historian

Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America s cultural landscape Drawing from the theory of religious economy the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline Holy Mavericks provides a useful overview of contemporary evangelicalism while emphasizing the importance of supply side thinking in understanding shifts in American religion It reveals how the Christian world hosts a culture of celebrity very similar to the secular realm particularly in terms of marketing branding and publicity Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not

Jesus For President Politics For Ordinary Radicals Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Jesus For President Politics For Ordinary Radicals free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Jesus For President Politics For Ordinary Radicals free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Jesus For President Politics For Ordinary Radicals free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Jesus For President Politics For Ordinary Radicals. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Jesus For President Politics For Ordinary Radicals any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Jesus For President Politics For Ordinary Radicals Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
