Jesus Heart Perfect Because Inside:

Be Perfect - The way to perfection in God Andrew Murray, 2015-10-30 God has worked into every human heart a deep desire for perfection That desire is manifested in the admiration which all men have for excellence in the different objects or pursuits to which they attach value In the believer who yields himself wholly to God this desire fastens itself upon God s wonderful promises and inspires a prayer like that of M Cheyne Lord make me as holy as a pardoned sinner can be made The more we learn to desire this full conformity to God s will for the consciousness that we are always pleasing to Him we will see that all this must come as a gift direct from heaven This gift is the full outbirth in us of the life of God the inbreathing of the Holy Spirit of Jesus in those who are wholly yielded to His indwelling and rule Trusting ever less to men s thoughts and teachings we will retire often into the secret of God s presence in the assurance that the more we see God s face and hear the secret voice that comes direct from Him BE PERFECT the more will the Holy Spirit dwelling within us unfold the heavenly fulness and power of the words and make them as God s words bring and give and create the very thing He speaks In the hope that these simple meditations may help some of God s children to go on to Perfection I commit them and myself to the Blessed Father s teaching and keeping by Andrew Murray

MAD AT GOD David M. Leyden, 2013-12-30 Over the past few years as I have worked with teens and young adults I have witnessed an increasing sense of restlessness and despair in young people in today s world They feel rejected by a world that many of them view as cold sterile uncaring and void of love Physical activity as a form of recreation is being replaced by thumbs tapping on keypads True friends are being replaced by media acquaintances Teens find themselves trapped in a world where morals are eroding and electronic bullying is the standard Music movies YouTube and social media celebrate sex violence and evil The family unit is becoming a thing of the past The world as they see it is spiraling out of control and there is nowhere for them to turn for moral guidance and love More and more teens tell me they are disillusioned by the world they live in and many have lost hope Increasingly high school students are considering suicide Because of the violence and corruption done in the name of religion today many young people reject God as an answer to their hopelessness They want no part of a God who would create a world like the one they live in today Mad At God is about one such teenager It is my hope that this book will help teenagers discover the truth about God This book gives honest and straightforward answers to the questions teens are asking about God today They are challenging and frank questions that demand answers It has been my experience that once their questions are answered teens begin to look at God in a different light Many teens today are uncertain and fearful about the future They are bombarded with images of a world coming to an end I have included a section in this book that outlines the future for the world as set out in the Bible in a manner that is logical and easy for young people to understand Once presented with this information many teens discover their need for God The purpose of this book is to help teens find faith in God If they are mad at God perhaps they won t be after reading this book
