Jesus in the Gospels: Leader Guide Leander E. Keck, Nellie M. Moser, 2010-09-01 The leader guide provides guidance and the suggested schedule for weekly group sessions to enable discussion in small groups of what persons have discovered in their individual reading and study Two pages of guidance per session include directions for using the related two part video segment procedures for group activity and study related to daily assignments guidance for use of Gospel Comparisons in group study of Scripture and questions for discussion The portion of the weekly meeting when the group studies Scripture as a community recognizes the importance of and opens the way to reading Scripture aloud and hearing Scripture read aloud in the group *Jesus in the Gospels* Winkley Professor Emeritus of Biblical Theology Leander E Keck, 2005-09 Study Manual content illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus call to discipleship The overarching aim is to deepen discipleship through better understanding of the biblical texts and their message The study helps group members understand that Jesus is rooted in Judaism and the Scriptures of Judaism and that Christianity and the New Testament are rooted in the Scriptures of Judaism our Old Testament The Study Manual guides daily study and preparation for the weekly group meeting The main elements in the format are designated by scriptural phrases They have no wine John 2 3 is a brief statement about the human condition and alerts the reader to some aspect of daily life that Scripture can shed light on Beginning with Moses and all the prophets Luke 24 27 is a way of referring to Scripture as a whole and signals the fact that we can understand Jesus in the Gospels better by understanding the Old Testament better Do you want to become his disciples too John 9 27 New International Version is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for Accompanying each day s Scripture reading assignments are suggestions of things to look for that take the reader deeper into Scripture As readers become aware of detail in Scripture they might ask themselves repeatedly What am I to make of this The study manual provides space for writing notes on insights observations and questions related to the Scripture and for putting into words personal perceptions of Jesus from the week s Scripture **Student's Guide to As Relig. Studies, Ocr** Rhinegold Publishing Limited, A Dictionary of Christ and the Gospels: Labour-Zion, with appendix and indexes James Hastings, John Alexander Selbie, John Chisholm Lambert, 1908 **A Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and

from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church *Thomasine Traditions in Antiquity* Jon Ma.
