*Jewish Community of Solano County* Rachel Raskin-Zrihen, Rachel Rae Moncharsh-Lessem, Shoshana Deutscher-Nurik, 2014-10-27 This book contains images and stories of some of the Jews who have impacted Solano County It is not a record of every Jew to pass this way some of whom may have come intending to shed their Jewish identity by changing their names or converting Wonderful stories emerged about extraordinary people who made their marks here with few suspecting their Jewish roots yet they were traceable often because in death they chose to reclaim their heritage Others came to live as Jews and built an enduring community The story within these pages travels from the Old World to the edge of Gold Country where there lives a tenacious though often invisible Jewish community *Elise Reimar* (1735-1805) Almut Marianne Grützner Spalding, 2005 *The Future of Judaism in America* Jerome A. Chanes, Mark Silk, 2023-04-19 This book explores the state of the American Jewish world in the early 21st century after decades of accelerating change that has transformed it and all other religious groups in the United States It reveals a community in an unparalleled state of flux grappling with a society in which religious identity is more and more considered an individual choice rather than an inheritance and where fewer adults feel impelled to identify with any religious tradition at all In chapters written by leading experts the book examines the community's evolving demographics the direction of the principal denominational movements contemporary religious trends interactions with other American religious communities and engagements in the country's secular politics This text uniquely covers all these aspects of Judaism in America making it appealing to students and researchers in such fields as the sociology of religion Judaism and American history Cultural Diversity and the U.S. Media Yahya R. Kamalipour, Theresa Carilli, 1998-09-11 This book provides rich and detailed accounts of how the media filters racial ethnic identity through economic or sensationalized perspectives in newspapers films television and radio By exploring media descriptions of various racial ethnic groups Cultural Diversity and the U S Media provides opportunities to discover debate and discuss issues surrounding race ethnicity and the role of the media in American society Judaism in a Digital Age Danny Schiff, 2023-01-09 What is the next chapter in Judaism's story the next step in its journey The dramatic changes of recent decades invite us to explore what role Judaism is to play in this new era As the digital future becomes the present Danny Schiff makes the case that the period known as modernity has come to an end Noting the declining strength of Conservative and Reform Judaism the largest US Jewish movements of modernity he argues for new iterations of Judaism to arise in response to the myriad of weighty questions that now confront us about what it means to be human Here is an account of the digital age through a Jewish lens in which Schiff examines Jewish teachings and traditions exploring what moral insight they might have to offer in this period of great flux He marshals the thought of well known futurists such as Ray Kurzweil and Yuval Noah Harari to forecast the exponentially larger shifts in the human condition that lie ahead and proposes that a countercultural Judaism could have renewed relevance in addressing some of the pressing issues that

**What is Modern Israel?** Yakov M. Rabkin, 2016-05-20 Few countries provoke as much passion and controversy as Israel What is Modern Israel convincingly demonstrates that its founding ideology Zionism is anything but a simple reaction to antisemitism Dispelling the notion that every Jew is a Zionist and therefore a natural advocate for the state of Israel Yakov Rabkin points to the Protestant roots of Zionism in order to explain the particular support Israel musters in the United States Drawing on many overlooked pages of history including English French Hebrew Yiddish and Russian sources Yakov Rabkin shows that Zionism was conceived as a sharp break with Judaism and Jewish continuity Israel s past and present must be seen in the context of European ethnic nationalism colonial expansion and geopolitical interests rather than as an incarnation of Biblical prophecies or a culmination of Jewish history
