Jewish Secularity The Search For Roots And The Challenges Of Relevant Meaning:

Jewish Secularity Zachary I. Heller, David M. Gordis, 2012-05-04 A growing number of Jews identify themselves as secular or somewhat secular Is this expansive definition of Jewishness a new phenomenon What are its roots What are its implications for the Jewish community its institutions and its future In reflecting on secular forms of Jewishness the contributors to this book explore the sources of Jewish secularism and its articulation in Jewish thought belief literature and culture Included in this book are several personal accounts of Jewish journeys as well as analyses of the extent of the division between secular Jews and others in the Jewish community In sum Jewish Secularity The Search for Roots and the Challenges of Relevant Meaning provides an overview of a profound development in the evolving history of Jewish life in America **Ars Prophetica** Haim Rechnitzer, 2023-07-10 In *Ars Prophetica* Theology in the Poetry of Twentieth Century Israeli Poets Avraham Halfi Shin Shalom Amir Gilboa and T Carmi Haim O Rechnitzer uncovers and recovers the theological elements within the poetry of four renowned Hebrew Israeli poets First and foremost Rechnitzer introduces major works of modern Hebrew poetry that are viewed as part of the secular heritage of the renewed Hebrew Israeli culture demonstrating these works relevance to general theological discourse and to the canon of Mahshevet Israel Jewish thought Rechnitzer s readings illuminate the poems multiplicity of meanings contextualizing the works not only within biblical sources a prevalent practice of modern Hebrew reading writing but also within an intricate net of texts that present theological worldviews such as Heikhalot literature kabbalah and Hasidism Thus Rechnitzer as he develops a systematic theological interpretation of Hebrew Israeli poetry introduces readers to a new vibrant Hebrew Jewish Secular Theology Rechnitzer s insights and his method will illuminate the discussion of all poetry that converses openly or elusively with Jewish texts **German as a Jewish Problem** Marc Volovici, 2020-07-14 The German language holds an ambivalent and controversial place in the modern history of European Jews representing different often conflicting historical currents It was the language of the German classics of German Jewish writers and scientists of Central European Jewish culture and of Herzl and the Zionist movement But it was also the language of Hitler Goebbels and the German guards in Nazi concentration camps The crucial role of German in the formation of Jewish national culture and politics in the late nineteenth century has been largely overshadowed by the catastrophic events that befell Jews under Nazi rule German as a Jewish Problem tells the Jewish history of the German language focusing on Jewish national movements in Central and Eastern Europe and Palestine Israel Marc Volovici considers key writers and activists whose work reflected the multilingual nature of the Jewish national sphere and the centrality of the German language within it and argues that it is impossible to understand the histories of modern Hebrew and Yiddish without situating them in relation to German This book offers a new understanding of the language problem in modern Jewish history turning to German to illuminate the questions and dilemmas that largely defined the experience of European Jews in the age of nationalism **Jews, Judaism, and Success** Robert Eisen, 2023-06-23 In *Jews Judaism and*

Success Robert Eisen attempts to solve a long standing mystery that has fascinated many How did Jews become such a remarkably successful minority in the modern Western world Eisen argues that Jews achieved such success because they were unusually well prepared for it by their religion in particular Rabbinic Judaism or the Judaism of the rabbis Rooted in the Talmud this form of Judaism instilled in Jews key values that paved the way for success in modern Western society autonomy freedom of thought worldliness and education The book carefully analyses the evolution of these four values over the past two thousand years in order to demonstrate that they had a longer and richer history in Jewish culture than in Western culture The book thus disputes the common assumption that Rabbinic Judaism was always an obstacle to Jews becoming modernized It demonstrates that while modern Jews rejected aspects of Rabbinic Judaism they also retained some of its values and these values in particular led to Jewish success Written for a broad range of readers Jews Judaism and Success provides unique insights on the meaning of success and how it is achieved in the modern world **American Jewish Year**

Book 2012 Arnold Dashefsky, Ira Sheskin, 2012-12-09 The 2012 American Jewish Year Book The Annual Record of American Jewish Civilization contains major chapters on Jewish secularism Barry Kosmin and Ariela Keysar Canadian Jewry Morton Weinfeld David Koffman and Randal Schnoor national affairs Ethan Felson Jewish communal affairs Lawrence Grossman Jewish population in the United States Ira Sheskin and Arnold Dashefsky and World Jewish population Sergio DellaPergola These chapters provide insight into major trends in the North American and world Jewish community The volume also acts as a resource for the American Jewish community and for academics studying that community by supplying obituaries and lists of Jewish Federations Jewish Community Centers national Jewish organizations Jewish overnight camps Jewish museums Holocaust museums local and national Jewish periodicals Jewish honorees major recent events in the American Jewish community and academic journals articles websites and books The volume should prove useful to social scientists and historians of the American Jewish community Jewish communal workers the press and others interested in American and Canadian Jews **George Rochberg, American Composer** Amy Lynn Wlodarski, 2019 George Rochberg American

Composer is the first comprehensive study devoted to tracing and putting into a rich cultural context the career of George Rochberg widely acknowledged as one of the most prominent musical postmodernists Drawing from unpublished materials including diaries letters sketches and personal papers the book traces the impact of two specific personal traumas Rochberg's service as an infantryman in World War II and the premature death of his son on his work as a leading composer college educator and public intellectual The book significantly expands our understanding of Rochberg's creative work by reconstructing and examining the earliest seeds of his aesthetic thinking which took root while he served in Patton's Third Army and following their development through his mature compositional period into the final stages of his long career It argues that Rochberg's military service was a transformative life experience for the young humanist one that crucially shaped his worldview and influenced his artistic creativity for the next sixty years As such it reveals personal trauma and

aesthetic recovery to be the basis of Rochberg's postwar ideas about humanism musical quotation and neotonicity Amy Lynn Wlodarski is associate professor of music at Dickinson College Support for this publication was provided by the Howard Hanson Institute for American Music at the Eastman School of Music at the University of Rochester

Свадебные обряды у евреев Исай Пульнер, 2022-11-02 1940 terra incognita PDF A4 I Pulner's dissertation Jewish Wedding Ceremonies 1940 features an impressive volume of field ethnographic materials Unfortunately Pulner never got a chance to either defend or publish his work he passed away in besieged Leningrad The researchers text is supplemented by articles on his life and his dissertation I Pulner as the Researcher by D Yalen and Pulner's Papers in the Russian Ethnographic Museum by A Ivanov as well as musicological essay Music of the Ashkenazi Wedding Terra Incognita contributed by E Hazdan and the article Jewish Wedding Ceremonies in Podolia and Bessarabia by V Dymshits based on the insights gained during the recent expeditions

Voices in Disability and Spirituality from the Land Down Under Christopher Newell, 2014-06-11 An excellent source of information and ideas on the relationship between disability and spirituality and how to improve it This one of a kind collection explores the relationship between spirituality and disability from a variety of Australian religious and spiritual viewpoints Authors from a wide range of backgrounds some with disabilities some without draw remarkable insights from Christian Jewish Buddhist and even non religious spirituality These uniquely Australian perspectives provide practical and spiritual lessons that can be applied in any part of the world Voices in Disability and Spirituality from the Land Down Under presents an unflinching look at the shortcomings of many established church ministries when it comes to serving people with disabilities There's also an extraordinary interview with a severely disabled nonreligious woman in the final stage of her life and her caretaker which presents a very revealing look at the essence of human spirituality as it exists even in the absence of religious dogma In addition you'll find a revealing case study focusing on the Uniting Church in Australia UCA which looks at the gap between its official theology and its actual policy and practice and outlines a project designed to move the Church forward to more inclusive practices Additionally Voices in Disability and Spirituality from the Land Down Under Outback to Outfront examines why platitudes that are intended to give comfort like God has chosen this for you It's a test of your faith or We all have our crosses to carry are at best problematic and at worst damaging with suggestions for pastoral responses that offer alternatives to God is on your side It's the spiritual meaning and importance of community for people with disabilities and the impact of community on their vitality and resiliency the Buddhist teaching called sunyata or emptiness and its potential to positively impact the lives of people with intellectual disabilities and those who know them wisdom contained in the ancient Jewish system of laws called Halacha and its potential for empowering people with disabilities today how a pastoral care program that is flexible accommodating and relevant for disabled people was created at a small metropolitan school in New South Wales and the effect of the program on the community the work of the Personal Advocacy Service which recruits volunteers to be companions to people with intellectual disabilities the role of religion and

philanthropy in the creation of educational programs for blind or vision impaired students and more *The Role of Religion in Struggles for Global Justice* Peter J. Smith, Katharina Glaab, Claudia Baumgart-Ochse, Elizabeth Smythe, 2019-10-23

Struggles for global justice are being fought by civil society groups across the globe addressing global inequalities challenging neoliberal market driven globalization and demanding to remedy its negative implications This book examines the roles religious communities and organizations in particular play in the struggles for global justice roles too often ignored by scholars of the Global Justice Movement GJM It has two central themes the role religion and religious actors play in global justice struggles and the idea that justice is a contested concept among both religious and secular actors which requires some sort of faith from its proponents These chapters transcend simplistic either or binaries highlighting the difficulties of clearly distinguishing between religious and secular progressive and conservative or rational and irrational motives and norms in struggles for justice Challenging the secularization paradigm that marginalizes the role religious actors play in public life these chapters show how these actors engage with a broad range of justice issues how deeply contested justice is and how its meaning may vary and change among religious actors as a result of the social or political context within which an injustice is encountered The chapters originally published as a special issue in *Globalizations* **Jewish Life in Britain, 1962-1977** Sonia L. Lipman, Vivian David Lipman, 1981 *Humanistic Judaism*, 1995 *Sh'ma*, 1975 **Fully Fertile** Tami Quinn, Jeanie Lee Bussell, Beth Heller, 2010-10-01 The healing powers of traditional yoga Oriental medicine nutrition and other mind body techniques are accessible with this do it yourself manual for women who are struggling with infertility or just looking to improve their odds of conception Natural methods based on Integrative Care for Fertility use a holistic approach to demonstrate how a home based holistic fertility program can improve mind body and spirit and in turn maximize chances for conceiving Photographs are provided to illustrate the proper yoga postures and interspersed stories from yoga practitioners and experts present real life struggles of infertility patients and victories that will inspire all women who are trying for a healthy pregnancy and birth With more than 30 pages of new information this updated edition also includes a study guide **Choice**, 1969 *Conflict and Peacemaking in Israel-Palestine* Sapir Handelman, 2011-03-17 The Israeli Palestinian struggle is considered to be one of the most entrenched conflicts in the world Presenting and evaluating interactive models of peacemaking and the phenomenon of intractable conflict the book takes an in depth look into specific models for peacemaking and applies them to the situation in Israel Palestine The argument centers around the idea that a multifaceted approach to peacemaking has the greatest potential to transform an intractable conflict into a mutually beneficial social order Encompassing theoretical background comparative studies of conflict resolution processes in similar circumstances around the world and policy recommendations the author presents four interactive models of peacemaking to suggest a comprehensive approach to peacemaking that attacks the conflict from various angles directions and dimensions Introducing general conditions that have the potential to transform a situation of destructive conflict into a more peaceful

social order Conflict and Peacemaking in Israel Palestine adds a fresh perspective to the study of destructive social conflicts and should provoke critical discussion among students and scholars of peace and conflict studies Middle Eastern politics conflict resolution and management *Judaizing Christianity and Christian Zionism in Northern Ireland* Véronique Altglas, 2025-04-22 This book explores the contemporary Judaization of evangelical Christianity through the ethnography of a Messianic congregation in Northern Ireland A constellation of Messianic congregations have expanded worldwide over recent years combining Jewish liturgy symbols and artifacts with prophecies about the End Times and the return of Jesus Increasingly recognized as a legitimate subdivision within evangelicalism the Messianic movement has facilitated a popularization of Jewish practices and symbolism beyond its own congregations The author considers What insights do these congregations offer about the deregulation of religions Is there any logic to the combinations of Christian and Jewish sources in Messianic beliefs and practices How can we understand this fascination with Jews and Judaism Finally what is the political significance of Messianic relationship with Jewish people the state of Israel and Christian Zionism The book will be of particular interest to scholars of the sociology and anthropology of religion religion and politics and Jewish Christian relations **The One State Reality** Michael Barnett, Nathan J. Brown, Marc Lynch, Shibley Telhami, 2023-03-15 The One State Reality argues that a one state reality already predominates in the territories controlled by the state of Israel The editors show that starting with the one state reality rather than hoping for a two state solution reshapes how we regard the conflict what we consider acceptable and unacceptable solutions and how we discuss difficult normative questions The One State Reality forces a reconsideration of foundational concepts such as state sovereignty and nation encourages different readings of history shifts conversation about solutions from two states to alternatives that borrow from other political contexts and provides context for confronting uncomfortable questions such as whether Israel Palestine is an apartheid state **Index to Religious Periodical Literature** American Theological Library Association, 1977 Vols for 1975 76 Jan June 1977 also include abstracts **Japan and the Pacific Rim** Dean Walter Collinwood, 2001 Includes country reports statistics and background essays on the Pacific Rim the Pacific Islands and Japan This book features a wide selection of articles from newspapers and magazines from around the world and an annotated list of World Wide Web sites that guides students to additional resources *Choice* Richard K. Gardner, Phyllis Grumm, 1976
