Jewish Science Divine Healing In Judaism Updated Edition 2011:

Jewish Science Alfred Geiger Moses, 2011 Thousands of American Jews were drawn to Christian Science and other New Thought teachings at the turn of the 20th century along with countless Christians The growing popularity of New Thought teachings among American Jews concerned Jewish leaders of the time including American Reform Rabbi Alfred Geiger Moses 1878 1956 who decided to do something about it Seeing much in New Thought teachings that could be adapted to Judaism once stripped of its Christian elements Rabbi Moses first published Jewish Science in 1916 The author spends much time showing that the precepts of Christian Science and other New Thought denominations are drawn largely from the Hebrew scriptures This redesigned edition includes an extensive anthology of Hebrew scripture quotations from a New Thought perspective and a new introduction by the editor The Oxford Dictionary of the Jewish Religion Adele Berlin, 2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world **Jewish Science** Alfred G. Moses, 2019 **Interreligious Encounters in Polemics between Christians, Jews, and Muslims in Iberia and Beyond**, 2019-06-24 This book discusses the long fifteenth century in Iberian history between the 1391 pogroms and the forced conversions of Aragonese Muslims in 1526 a period characterized by persecutions conversions and social violence on the one hand and cultural exchange on the other It was a historical moment of unstable religious ideas and identities before the rigid turn taken by Spanish Catholicism by the middle of the sixteenth century a period in which the physical and symbolic borders separating the three religions were transformed and redefined but still remained extraordinarily porous The collection argues that the aggressive tone of many polemical texts has until now blinded historiography to the interconnected nature of social and cultural intimacy above all in dialogue and cultural transfer in later medieval Iberia Contributors are Ana Echevarra Gad Freudenthal Mercedes Garc a Arenal Maria Laura Giordano Yonatan
