Jews And Judaism In Modern China Routledge Jewish Studies Series:

Jews and Judaism in Modern China M. Avrum Ehrlich, 2009-09-10 Jews and Judaism in Modern China explores and compares the dynamics at work in two of the oldest intact and starkly contrasting civilizations on earth Jewish and Chinese The book studies how they interact in modernity and how each civilization views the other and analyses areas of cooperation between scholars activists and politicians Through evaluation of the respective talents qualities and social assets that are fused and borrowed in the civilizational exchange we gain an insight into the social processes underpinning two contrasting and long surviving civilizations Identifying and analysing some of the emerging current issues this book suggests Jewish Chinese relations may become a growing discipline of import to the study of religion and comparative identity and looks at how the significant contrasts in Jewish and Chinese national constructs may serve them well in the quest for a meaningful discourse Chapters explore identity integrity of the family unit minority status religious freedom ethics and morality tradition versus modernity the environment and other areas which are undergoing profound transformation Identifying the intellectual and practical nexus and bifurcation between the two cultures worldviews and identities this work is indispensable for students of Chinese studies sociology religion and the Jewish diaspora and provides useful reading for Western tourists to China

Encyclopedia of the Jewish Diaspora M. Avrum Ehrlich, 2008-10-03 This three volume work is a cornerstone resource on the evolution and dynamics of the Jewish Diaspora as it played out around the world from its beginnings to the present Encyclopedia of the Jewish Diaspora Origins Experiences and Culture is the definitive resource on one of world history s most curious phenomena encompassing the communities cultures ethnicities and experiences created by the Diaspora in every region of the world where Jews live or Jewish ancestry exists The encyclopedia is organized in three volumes The first includes 100 essays on the Jewish Diaspora experience with coverage ranging from ethnography and demography to philosophy history music and business The second and third volumes feature hundreds of articles and essays on Diaspora regions countries cities and other locations With an editorial board of renowned Jewish scholars and with an extraordinarily accomplished team of contributors Encyclopedia of the Jewish Diaspora captures the full scope of its subject like no other reference work before it

Chinese Perceptions of the Jews' and Judaism Zhou Xun, Xun Zhou, 2013-12-16 While prejudice against Jews is a real and ongoing category in Western culture little attention has been paid to the myths of the Jews and their impact in countries outside the West This work draws on a wide variety of source materials from the past two centuries to examine the images of the Jews as constructed in China However the interest here does not lie in the determination of the boundary between the real and fictional aspects of these images Rather it lies in the implications associated with the Jew as an other which remains a distant mirror in the construction of the self amongst various social groups in modern China Although it has been noted by a few scholars that the use of the Jews as a category was important to many thinkers of modern China in the construction of their nationalistic and socio political ideologies this is the first

systematic study in the field to be published This book is also more than a historical book on China in that it opens a new arena for modern Jewish studies from a unique angle **The Chinese Jews of Kaifeng** Anson H. Laytner, Jordan

Paper, 2017-07-21 This scholarly collection examines the origins history and contemporary nature of Chinese Judaism in the community of Kaifeng These essays written by a diverse international team of contributors explore the culture and history of this thousand year old Jewish community whose synthesis of Chinese and Jewish cultures helped guarantee its survival Part I of this study analyzes the origin and historical development of the Kaifeng community as well as the unique cultural synthesis it engendered Part II explores the contemporary nature of this Chinese Jewish community particularly examining the community's relationship to Jewish organizations outside of China the impact of Western Jewish contact and the tenuous nature of Jewish identity in Kaifeng **The Routledge Handbook of Soft Power** Naren Chitty, Lilian Ji, Gary D

Rawnsley, 2023-07-07 The Routledge Handbook of Soft Power 2nd Edition offers a comprehensive detailed and ground breaking examination of soft power a key factor in cultural diplomacy cultural relations and public diplomacy Interrogating soft power as influence the handbook examines manifestations in media public mind policy and theory in a fraught geopolitical climate one demanding reconceptualization of soft power's role in state and civic society behaviour Part I provides important new conceptualization and critical analysis of soft power from international relations philosophical and other social theoretical perspectives analyses multiple methods of soft power measurement and makes proposals and connects soft power innovatively with other concepts Part II addresses soft power and contemporary issues by examining new technology and soft power intentions soft power and states performance during the global pandemic and soft power and values Part III investigates cases from China France Greece Israel Japan Kazakhstan Poland Russia South Korea Spain Türkiye and the United States some in combination This innovative handbook is a definitive resource for inquirers into soft power desiring to familiarize themselves with cutting edge debates and research It will be of interest and value to students researchers and policy makers working in cultural relations international communication international relations public diplomacy and contiguous fields **The Jewish-Chinese Nexus** M. Avrum Ehrlich, 2008-06-26 This book is concerned with the areas where Jews and Chinese Judaism and Chinese religions and ideologies are converging or inter relate to each other It includes chapters on Confucianism the Kaifeng Jewish Descendants business and Chinese Israeli relations **From**

Canton Restaurant to Panda Express Haiming Liu, 2015-09-09 The story of Chinese Americans through the lens of food From Canton Restaurant in 1849 to Panda Express today Chinese food history in America spans over 150 years Chinese Forty niners were mostly merchants and restaurateurs who migrated here not to dig gold but to do trade Racism against the Chinese slowed down the growth of the Chinese restaurant business in the late 19th century but it made a rebound in the format of chop suey From 1900 to the 1960s chop suey as imagined authentic Chinese food attracted numerous American customers including Jewish Americans as its collective fan Then the real Chinese food such as Hunan Sichuan or Shanghai

cuisine replaced chop suey houses in the 1970s following the arrival of new Chinese immigrants after immigration reform in 1965 Those regional flavored Chinese restaurants were brought in and established by immigrants from Taiwan rather than mainland China As Chinese restaurants in America turned Chinese in flavor P F Chang s and Panda Express rose fast in the 1990s to meet the need of constantly changing and often multi ethnically blended eating habits of American customers Chinese food in America is a fascinating history about both Chinese and Americans Embedded in this history is the story of human migration culinary tradition racial politics ethnic identity cultural negotiation Chinese Diaspora and transnational life and Chinese cuisine as a global food Though a scholarly work this book aims at all readers who are interested in food history and culture Provided by publisher Rooted in Hope: China - Religion - Christianity Vol 2 Barbara Hoster,Dirk Kuhlmann,Zbigniew Wesolowski,2017-03-27 This Festschrift is dedicated to the former Director and Editor in chief of the Monumenta Serica Institute in Sankt Augustin Germany Roman Malek S V D in recognition of his scholarly commitment to China The two volume work contains 40 articles by his academic colleagues companions in faith confreres as well as by the staff of the Monumenta Serica Institute and the China Zentrum e V China Center The contributions in English German and Chinese pay homage to the jubilarian s diverse research interests covering the fields of Chinese Intellectual History History of Christianity in China Christianity in China Today Other Religions in China Chinese Language and Literature as well as the Encounter of Cultures *The Routledge History of Antisemitism* Mark Weitzman,Robert J. Williams,James Wald,2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding and as concern over antisemitism has grown so too have the debates over how to understand and combat it This handbook explores its history and manifestations ranging from its origins to the internet Since the Holocaust many in North America and Europe have viewed antisemitism as a historical issue with little current importance However recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews Antisemitism has become a major issue confronting and challenging our world This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective covering a broad scope of experiences across different countries and regions The final section discusses the manifestations of antisemitism in its varied cultural and social forms With an international range of contributions across 40 chapters this is an essential volume for all readers of Jewish and non Jewish history alike **The Therapized Antisemite** Christopher L. Schilling,2024-01-29 The Therapized Antisemite determines the failure of psychology in the understanding and punishment of antisemitism For over a hundred years psychology s vision understanding the mind and conquering feelings with thoughts has remained a myth in much of Western societies Despite its theories and concepts being widely criticized and often proven wrong it remains part of our culture academia and legal systems Instead of hoping for the field of psychology to one day solve the problem of antisemitism and how to punish it we must ask ourselves how much it has not helped but rather harmed the fight against it Through exploring social clinical and forensic psychology as

well as psychohistory and the intrusion of psychology into criminal law and policymaking The Therapized Antisemite argues that we don't yet understand what causes antisemitism in psychological terms let alone how to go about solving the problem The Holocaust the Nuremberg Trials Hitler biographies the Halimi murder Hate Crime Mental Illness False Memory and Criminal Profiling are all discussed within the book The Therapized Antisemite looks to change the way readers think about antisemitism psychology and law and will be of interest to legal and social science academics and students researching and practicing within the fields of criminal law criminology antisemitism studies Jewish studies and psychology *From Kaifeng to Shanghai* Roman Malek, 2017-07-05 The collection presents the proceedings of the international colloquium held in Sankt Augustin in 1997 and additional materials The articles are written in English German or Chinese with English abstracts The volume includes a general index with glossary **The Japanese Talmud** Christopher L. Schilling, 2023-07-18 The image of Jews in East Asia is a strange mixture of opposites a paradoxical blend of admiration and mockery identification and denial This book explores what Jew means to many East Asians and whether it is anything that Jewish people themselves would recognise There is clearly a positive fascination various bestsellers entitled Talmud are found in vending machines and public schools while private Jewish education institutions have opened across South Korea claiming to improve children's IQ People can stay at the Talmud Business Hotel in Taiwan or attend Chinese centres for Jewish Studies with academics who have never met a Jew There is a legend that Japanese people are a Lost Tribe of Israel and Anne's day named after Anne Frank is a euphemism for menstruation Yet the region also shows some of the world's highest rates of antisemitism manifesting in disturbing ways Taiwan's concentration camp themed restaurant or South Korea's Adolf Hitler Techno Bar not Western and always persistent He offers ground breaking insight redefining how we understand East Asia antisemitism and Judaism as a globalised religion **The Oxford Handbook of the Books of Kings** Steven L. McKenzie, Matthieu Richelle, 2024 The Oxford Handbook of the Books of Kings provide a clear and useful introduction to the main aspects and issues pertaining to the scholarly study of Kings These include textual history including the linguistic profile compositional history literary approaches key characters history important recurring themes reception history and some contemporary readings **Between Mumbai and Manila** Manfred Hutter, 2013 Der Band bietet einen Einblick in die Vielfalt und Internationalität des Judentums zwischen Mumbai und Manila Einige Beiträge behandeln Fragen der untrennbaren Verflechtungen zwischen Politik und Judentum andere scheinen auf den ersten Blick primär Lokalstudien zu jüdischen Gemeinden in Südasiens Südostasien und China zu sein Ab **Reader's Guide to Judaism** Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly

Nationalism and Jewish Identity in Morocco Kristin Hissong, 2020-10-01 Moroccan Jews can trace their heritage in Morocco back 2000 years In French Protectorate Morocco 1912 56 there was a community of over 200 000 Jews but today only a small minority remains This book writes Morocco s rich Jewish heritage back into the protectorate period The book explains why in the years leading to independence the country came to construct a national identity that centered on the Arab Islamic notions of its past and present at the expense of its Jewish history and community The book provides analysis of the competing nationalist narratives that played such a large part in the making of Morocco s identity at this time French cultural linguistic assimilation Political Zionism and Moroccan nationalism It then explains why the small Jewish community now living in Morocco has become a source of national pride At the heart of the book are the interviews with Moroccan Jews who lived during the French Protectorate remain in Morocco and who can reflect personally on everyday Jewish life during this era Combing the analysis of the interviews archived periodicals colonial documents and the existing literature on Jews in Morocco Kristin Hissong s book illuminates the reality of this multi ethnic nation state and the vital role memory plays in its identity

Jüdische Expatriates in China und Hong Kong nach 1976 Alina Pătru, 2018-09-10 Die Arbeit bietet die erste umfangreiche empirisch fundierte Religionsgeschichtsschreibung der jüdischen Gemeinden in China und Hong Kong nach der Kulturrevolution Zahlreiche Synagogen entstehen das jüdische religiöse Leben pluralisiert und partikularisiert sich wie vorher noch nie trotz chinesischer Vorsicht gegenüber ausländischen Religionen und geschichtlicher Ereignisse wie der Bergabe Hong Kongs an die VR China Zugleich ist das Werk auch die erste religionswissenschaftliche Beschreibung mit Religion und Expatriates in a W mit Religion unter den Bedingungen kurzfristiger nicht auf Integration hin ausgerichteter Migration Die aufgeführten religiösen Transformationen beweisen dass die religiöse Einstellung der Menschen in der Ferne eine Eigendynamik entwickelt und sich nicht nur als Nebenwirkung im Prozess der Verfolgung anderer Zielsetzungen wie die Integration oder der Kampf um staatliche Anerkennung verändert Die Ergebnisse werfen auch allgemein ein neues Licht auf diasporabezogene Prozesse und erweitern klassische Konzepte wie Heimat oder diasporisches Bewusstsein

Israeli Holocaust Research Boaz Cohen, 2012-11-12 An exploration of the development of Holocaust research in Israel this book ranges from the consolidation of Holocaust research as an academic subject in the late 1940s to the establishment of Yad Vashem and beyond Research on the story of historiography is often a work on books on the final products that fill academic bookshelves yet in *Israeli Holocaust Research* Boaz Cohen illustrates that the evolution of Holocaust research in Israel has a more human element to it Drawing on knowledge gained through seven years of work in ten major archives in Israel the author reveals a previously unseen picture of the development of Israeli Holocaust research from below and of the social and cultural forces influencing its character In doing so a new facet to the picture emerges of the story beyond the archive and the people who see Holocaust research as their mission and responsibility This book will be a fascinating addition to the study of Holocaust research and will be of particular interest to students of history historiography and Jewish studies

Race, Color, Identity Efraim Sicher, 2013-05-01 Advances in genetics are renewing controversies over inherited characteristics and the discourse around science and technological innovations has taken on racial overtones such as attributing inherited physiological traits to certain ethnic groups or using DNA testing to determine biological links with ethnic ancestry This book contributes to the discussion by opening up previously locked concepts of the relation between the terms color race and Jews and by engaging with globalism multiculturalism hybridity and diaspora The contributors leading scholars in anthropology sociology history literature and cultural studies discuss how it is not merely a question of whether Jews are acknowledged to be interracial but how to address academic and social discourses that continue to place Jews and others in a race color category

Genetics, Mass Media and Identity Tudor Parfitt, Yulia Egorova, 2006-04-18 This is the first book to explore the effect of genetic research on the Lemba Judaising community of Southern Africa and the phenomenon of Israelite identity The science of genetics as relayed by the media is perceived by laymen as being irreproachably objective hard science its disinterested scientific findings appear immensely impressive and may therefore act as a powerful catalyst for change In this case an oral tradition cherished by many of the Lemba that they are of Jewish origin appears to be supported by recent DNA testing which has deeply affected the narrative and religious identity of the group and the way the tribe is perceived in the Western world International in appeal this topical text brings together cutting edge research on the social cultural and ethical implications of genetics and the study of Judaising movements across the world This book will be of interest to researchers and students of Jewish history genetic anthropology race and ethnicity studies and religious and cultural studies

The book delves into Jews And Judaism In Modern China Routledge Jewish Studies Series. Jews And Judaism In Modern China Routledge Jewish Studies Series is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Jews And Judaism In Modern China Routledge Jewish Studies Series, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Jews And Judaism In Modern China Routledge Jewish Studies Series
 - Chapter 2: Essential Elements of Jews And Judaism In Modern China Routledge Jewish Studies Series
 - Chapter 3: Jews And Judaism In Modern China Routledge Jewish Studies Series in Everyday Life
 - Chapter 4: Jews And Judaism In Modern China Routledge Jewish Studies Series in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Jews And Judaism In Modern China Routledge Jewish Studies Series. The first chapter will explore what Jews And Judaism In Modern China Routledge Jewish Studies Series is, why Jews And Judaism In Modern China Routledge Jewish Studies Series is vital, and how to effectively learn about Jews And Judaism In Modern China Routledge Jewish Studies Series.
 3. In chapter 2, the author will delve into the foundational concepts of Jews And Judaism In Modern China Routledge Jewish Studies Series. This chapter will elucidate the essential principles that need to be understood to grasp Jews And Judaism In Modern China Routledge Jewish Studies Series in its entirety.
 4. In chapter 3, the author will examine the practical applications of Jews And Judaism In Modern China Routledge Jewish Studies Series in daily life. This chapter will showcase real-world examples of how Jews And Judaism In Modern China Routledge Jewish Studies Series can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Jews And Judaism In Modern China Routledge Jewish Studies Series in specific contexts. This chapter will explore how Jews And Judaism In Modern China Routledge Jewish Studies Series is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Jews And Judaism In Modern China Routledge Jewish Studies Series. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Jews And Judaism In Modern China Routledge Jewish Studies Series.
