Jfk Assassination Rehearsal:

JFK Nick M. Nero, 2014-08-01 Half a century after John F Kennedy's assassination his death remains among the most controversial events in American history But it is not an isolated event And it was carefully planned and even rehearsed A confidential story imparted by a cousin draws together disparate threads and weaves a coherent explanation According to Frank Sturgis's family the Bay of Pigs connects the roles of Frank Sturgis E Howard Hunt the CIA namely Allen Dulles Richard Bissell Tracy Barnes and General Cabell George Herbert Walker Bush Richard M Nixon the Joint Chiefs of Staff the Mafia and the FBI JFK Assassination: That Inescapably Prove There Was a Conspiracy (The Extraordinary Stories of Presidential Deaths, Final Days, Burials, and Beyond) John Dennis, 101-01-01 In *JFK Assassination* readers will find up to date evidence that would have compelled any jury to conclude that Oswald was not guilty beyond reasonable doubt and that there is clear and convincing evidence of both a conspiracy and obstruction of justice to cover it up The approach taken by the contributors in this anthology three of whom are attorneys complemented by two of the leading authorities in the field focuses on sixty years of revelations that have been inescapably proven Yet his years in office were marked by more than his style and elegance His presidency is a story of a fledgling leader forced to meet unprecedented challenges and to rise above missteps to lead his nation into a new and hopeful era Kennedy entered office inexperienced but alluring his reputation more given by an enamored public than earned through achievement These and many other new revelations are concisely presented and meticulously documented with numerous references to the source documents This major addition to the assassination literature is an essential reference work and an indispensable guide for defenders of the conspiracist position
