## **Jimmy Carter Builder Of Peace Community Builders:**

*Jimmy Carter* Linda George, Charles George, 2000 Presents a biography of the United States president from his childhood in Georgia to his current activities with the Carter Center and Habitat for Humanity discussing important historical events that happened during his career

**Building Peace** United States Institute of Peace, 1994

**Building Peace** Craig Zelizer, Robert A. Rubinstein, 2009 Even though international peacebuilding has rapidly expanded in the last two decades to respond to more multi faceted and complex conflicts the field has lagged behind in documenting the impact and success of projects To help address this gap the Alliance for Peacebuilding one of the leading networks in the field has brought together 13 stories of innovative peacebuilding practices from around the world in *Building Peace* While the projects covered are diverse in nature together they demonstrate the significant impact of peacebuilding work Contributors created new institutions to prevent and manage conflicts at the local or national levels helped restore relationships in conflict affected communities and empowered citizens to work for positive change in their societies across ethnic religious and political divides It s clear that there is no quick fix for violence but this volume will go a long way in providing inspiration and practical tools for policymakers academics and practitioners who seek to make significant and valuable contributions towards achieving peace

**Peace-Building and Development in Guatemala and Northern Ireland** C. Reilly, 2008-12-22 This book analyzes the implementation of peace processes in Northern Ireland and Guatemala with emphasis on the role of mid level civil society and religious organizations or the voluntary sector Both countries interrupted years of conflict signed peace accords in 1998 and 1996 respectively and still struggle to make them work Despite very different economic development levels both countries have colonial legacies deep cultural divisions and engaged diaspora They grapple with violence poverty and inequitable distribution of wealth and power While religious differences are a backdrop to violence and reconciliation in both cases insecurity and inequity are the root cause and consequence of these conflicts The book summarizes lessons learned and makes policy recommendations for more civil post conflict societies arguing that similar dynamics fuel sustainable peace building and authentic development

*China's Development and the Construction of the Community with a Shared Future for Mankind* Linggui Wang, 2023-05-05 This book focuses on China s experience in development over the past 70 years and its significance as well as building a community with a shared future for mankind The book consists of a collection of papers contributed by researchers from many countries covering the topics of world order a community with a shared future for mankind the Belt and Road initiative exchange and mutual learning between civilizations China Model China and the World multi bilateral relationship sustainable development

**The Building and Breaking of Peace** Molly M. Melin, 2021-08-13 Including original cross national data and in depth case analyses of corporate actions and outcomes in Colombia Northern Ireland and Tunisia *The Building and Breaking of Peace* shows that corporations help to prevent violence but not resolve it In examining the corporate motives for peacebuilding and the implications of these activities for preventing

violence and conflict resolution Molly M Melin builds a more holistic picture of the peace and conflict process The findings also help explain why armed civil conflicts persist despite the multitude of diverse actors working to end them Building a Healthy Global Community Cyrus Roberts Vance,1978 **Building Peace in America** Emily Sample,Douglas Irvin-Erickson,2020-07-22 America may not be at war but it is not at peace Recent public and political rhetoric have revealed the escalation of a pervasive and dangerous us versus them ideology in the United States This powerful book is motivated by the contributors recognition of continuing structural violence and injustice which are linked to long standing systems of racism social marginalization xenophobia poverty and inequality in all forms Calls to restore America s greatness are just the most recent iteration of dehumanizing language against minority communities The violation of the civil and human rights of vulnerable groups presents a serious threat to American democracy These deeply rooted and systemic inequities have no easy solutions and the destructive nature of today s conflicts in America threaten to impede efforts to build peace promote justice and inspire constructive social change Acknowledging the complexity of building peace in the United States this volume represents the first step in envisioning a more just peaceful country from the grassroots to the highest levels of leadership The editors have brought together a diverse group of scholars conflict resolution practitioners civil society leaders community peacebuilders and faith leaders who are committed to pro social change Collectively they examine how best to understand the current issues deescalate destructive public rhetoric undermine the us versus them polarity and support those currently working for positive change Together the contributors share experiences and perspectives on the past present and future of peacebuilding develop a vision for how we can collectively respond in our communities campuses and congregations and catalyze action during this pivotal moment in America **Building a Culture of Peace** Paul R. Dekar,2010-01-01 Around the world thousands of grassroots movements are confronting issues like destruction of the environment economic depression human rights violations religious fundamentalism and war This book tells the courageous story of one such group Organizing in 1939 Northern Baptists formed the Baptist Pacifist Fellowship as part of the Fellowship of Reconciliation Southern Baptists formed a parallel body Like today it was a time when sources of hope seemed hard to find Discerning a need to support and connect Baptist conscientious objectors in the United States members faced hostility in congregations and the nation For the duration of the Second World War the Korean War war in Vietnam and elsewhere Baptists sustained a witness for peace and justice By 1984 threat of nuclear weapons led to formation of a wider circle of resistance to the culture of war Subsequently the Baptist Peace Fellowship of North America has brought together Baptist peacemakers from around North America and the world However small in numbers or reviled members have been building a culture of peace through an interracial and international community This book is an invaluable resource for those seeking a new world of forgiveness respect for human rights nonviolence and peace Political and Civic Leadership Richard A. Couto,2010-09-14 This work within The SAGE Reference Series on Leadership provides undergraduate students

with an authoritative reference resource on political and civic leadership This 2 volume set focuses on the 100 most important topics issues question and debates specific to politics and civic society Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon detail and density one might find in a journal article or a research handbook chapter Key Features Includes entries written by a global panel of renowned experts Offers broad coverage of important of the moment topics related to political and civic leadership including explorations of the personalities and environments of political leaders leadership roles in governance and allegiance citizen activists and civic engagement political campaigning urban politics and leadership public management ethics in politics policy development and implementation executive management of public opinion political speechmaking and the bully pulpit congressional leadership crisis management and more Considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm Provides students with more depth than usual encyclopedic entries while avoiding the jargon detail and density of more advanced works Features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today s students **To Live in Peace** Mark R.

Gornik,2002-09-17 Building on both the perspective of God s new creation and the view from the neighborhood To Live in Peace shows how the life of the church the strategies of community development and the practices of peacemaking can make a transformational difference Strategies for Peace Volker Rittberger,Martina Fischer,2008-07-23 How can sustainable

peace be achieved The book identifies potential supranational state and non state actors involved in peacebuilding processes Further more it develops strategies to address the problems and dilemmas of international peacebuilding An important contribution to a highly topical debate Hopes for a less conflict prone world after the end of the Cold War were bitterly disappointed Instead the international community is faced with protracted wars and violent conflicts today In addition social economic and cultural insecurities as well as fragile statehood challenge the post Westphalian environment As a result scholars and policy makers alike are trying to develop viable strategies for sustainable peace The book contributes to this debate as it illustrates current research results on the topic and addresses the complex problems and dilemmas that various international peace building actors are confronted with *Journal of the Senate of the United States of America* United

States. Congress. Senate,2002 **Local and Global Dynamics of Peacebuilding** Christine Cubitt,2012-03-12 Local and Global Dynamics of Peacebuilding examines the complex contributing factors which led to war and state collapse in Sierra Leone and the international peacebuilding and statebuilding operations which followed the cessation of the violence This book presents nuanced and contextually specific knowledge of Sierra Leone s political and war histories and the outcomes of the implementation of programmes of post conflict reforms It embodies an analysis of the complex challenges involved in

aligning international norms and values to local expectations and local priorities and examines the role of local and global actors and structures in attempts to build a strong state and lasting peace Using a theoretical framework informed by liberal peace philosophy as well as detailed and nuanced empirical evidence from the field the book constructs a critical analysis of the contemporary global paradigm for building longer term peace in war torn fractured and fragile societies This book will be of much interest to students of peacebuilding war and conflict studies development studies African politics and IR security studies

*A Public Betrayed* Adam Gamble, Takesato Watanabe, 2004-07-01 In his new book Adam Gamble reveals how the Japanese media have dangerously overstepped their boundaries and distorted even wiped out honest news
