

Jiyu Minken Undo To Rikken Kaishinto Japanese Edition

M. Itoh

Jiyu Minken Undo To Rikken Kaishinto Japanese Edition:

Japan at War Louis G. Perez, 2013-01-08 This compelling reference focuses on the events individuals organizations and ideas that shaped Japanese warfare from early times to the present day Japan's military prowess is legendary From the early samurai code of morals to the 20th century battles in the Pacific theater this island nation has a long history of duty honor and valor in warfare This fascinating reference explores the relationship between military values and Japanese society and traces the evolution of war in this country from 700 CE to modern times In *Japan at War* An Encyclopedia author Louis G Perez examines the people and ideas that led Japan into or out of war analyzes the outcomes of battles and presents theoretical alternatives to the strategic choices made during the conflicts The book contains contributions from scholars in a wide range of disciplines including history political science anthropology sociology language literature poetry and psychology and the content features internal rebellions and revolutions as well as wars with other countries and kingdoms Entries are listed alphabetically and extensively cross referenced to help readers quickly locate topics of interest

Japanese Moral Education Past and Present Yoshimitsu Khan, 1997 This book investigates the history and development of Japanese moral education and analyzes and compares current moral education with the concepts of the Imperial Rescript on Education 1890 and the shushin moral education of prewar Japan The Rescript contains Confucian and Shinto precepts and was to become the codification of the moral standards of the Japanese way of life in pre surrender Japan Despite the attempts of the Japanese education system to embrace democratic principles postwar dotoku moral education has been essentially the same as that of the prewar system The author concludes that Confucian ethics is still the engine of Japanese social cohesion and dynamics and predicts that it will continue to be so for generations to come Japan needs to find a way to converge the long held Confucian ideology with more democratic ideals and fairness to all people through moral education

Punishment and Power in the Making of Modern Japan Dani Botsman, 2005 Publisher Description *The Origins of Economic Thought in Modern Japan* Chuhei Sugiyama, 2005-07-22 By throwing light on economic thought in the period of the Japanese Enlightenment this book will make clear what led to the institutionalization of business and economic education the birth of the pioneer business enterprise and of serious economic journalism and the reasons behind the success of Japanese economic development

Introduction to Japanese Politics Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly

contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea. A concluding section considers dynamics of change in Japanese politics.

The Hatoyama Dynasty M. Itoh, 2003-11-07 This is a multi-generational political history of the Hatoyamas, a family that has participated at the highest levels of Japan's parliamentary government from its inception in the late 1800s. The Hatoyama family is one of the most prominent political families in modern Japanese government. It has produced six members of the Diet, Japan's parliament, many of whom have served as cabinet members and party leaders. Due to the family's political legacy, they have often been likened to the Kennedy family in American politics, though they have been spared the tragedy and scandal visited upon the Kennedys. Despite the significance of the Hatoyamas to modern Japanese politics, this is the first comprehensive study available in English. In tracing the rising political fortunes of this family, it is also possible to study the role of hereditary politicians in Japan, the growth and evolution of Japanese political parties, and perhaps most importantly, the way political leadership functions in Japan, a society known more for consensus building than strong leaders.

The Collapse of the Semi-democratic Regime in Prewar Japan Harukata Takenaka, 1998

Historical Abstracts Eric H. Boehm, 1959

Bibliographic Guide to East Asian Studies 1994 New York Public Library, New York Public Library Staff, 1995 An aid for researching non-western cultures, this bibliography covers Japan, China, North and South Korea, Hong Kong, and Taiwan, with approximately 3500 listings from LC/MARC tapes and the Oriental Division of the New York Public Library.
