The True Identity of the People of the Way Ross Daniel Harmon, 2024-10-24. The True Identity of the People of the Way demonstrates that Luke alludes to the book of Proverbs when Luke in Acts 9 and following calls the Church the Way. Consequently, this study shows that Luke identifies the people of the Way as followers of the one and true God depicted in Proverbs. Within Acts, Luke's claim was likely shocking to the Jewish people, which relates directly to the function of the Way. This fresh perspective on the way metaphor in Acts provides a more natural and fitting referent than previous proposals and finds its function as a polemic between Jesus' followers and others. This research identified allusions and motifs in literature to determine that Luke uses the way metaphor to describe Christ's followers. The study first shows the need for research concerning Luke's motive or referent for calling the Church the Way. Second, the study examines the probability of Proverbs' influence on Luke. Third, the study provides an in-depth analysis of the way metaphor in Acts, concluding that Proverbs is the referent of the Way when referring to the Church.

Wholeness and Holiness Michael Glasby, 2019-01-07. In this ground-breaking book, distinguished consultant clinical neurophysiologist Michael Glasby turns to the Bible to ask whether the practices of the Levitical priesthood might in any way have shared features of what we now commonly call public healthcare, contributing to the well-being of individuals and society. Is it the case that the priesthood understood some rudimentary elements of healthcare, or is this commonly held view merely the result of modern opinion formed perhaps inappropriately through an accumulation of later redaction and exegesis?
