

Accounting Interview Questions and Answers

Want to prepare some accountant interview questions and answers? Here are some accounting [job interview questions and answers](#) to help you prepare.

Q: What made you choose to become an accountant?

A: I've always loved numbers. Loved math in school, and I just want a job that allows me to stick to the figures all day.

The interviewer wants to see that you have some sort of passion driving you.

Q: Do you set goals for yourself?

A: Yes, every year I make sure to set some goals for myself. Then I spend the whole year tracking my progress -- making sure I work as efficiently as possible.

The interviewer wants to see that you're organized and ambitious.

Q: Where do you see yourself in five years?

A: Hopefully still in accounting. This is my dream career path, so just being here would be great.

The interviewer wants to know that you don't have plans to bail on the job a year or two from now. It's alright to want kids, but now's not the time to mention that.

Q: What is it about our company that makes you want to work for us specifically?

A: All the research that I did on you guys shows that we share a lot of the same values.

The interviewer wants to make sure you want the job for more than just the money.

Q: Name the accounting applications that you're comfortable with.
