Murphy, 2017-06-20 This book is about getting your resume in front of the right people When it comes to resumes there are only two ways of not getting called for the right interviews First your resume isn't compelling enough to generate a call Second your resume never gets read by the right hiring managers This is why I wrote this book to provide you with 19 Proven Ways of getting your resume to the right hiring managers I know there's nothing more stressful than trying to conduct a job search after losing your job I've been there It's a SCARY time You have no cash flow and you're surviving on savings and help from friends and family The fear and uncertainty of when you'll be reemployed are crushing on you and your family The biggest frustration is the Silence your phone never rings even after weeks and months of effort You've done everything you know how to do and nothing so far has worked The fear of the unknown the embarrassment the lack of self worth and self doubt are mounting You're desperate and ready to take any job just to support your family How much longer can you continue your insane behavior doing the same thing over and over again while expecting a different result There must be a better way Well there is and it's time for a change this is why I wrote this book I can help you One of my clients said it best when he wrote Thanks to Ed I learned the secrets of running a

successful job search and in only two weeks I found my career position I actually had two offers from which to choose and was able to leverage that situation into a 10% raise plus a bonus all before I ever worked a day Thanks doesn't seem enough William S San Diego CA I bring over 21 years of experience as an Executive Coach helping hundreds of people from recent college graduates to CEO's find meaningful employment I worked for four of the largest consulting outplacement and recruiting companies in America in Seattle San Diego and Kansas City It was here that I learned the Secrets of making my client's phone ring Without a phone call your search is dead To make your phone ring you'll need to get your compelling resume in front of the right people hiring managers not Human Resources This book is unique because it Provides 19 Proven Ways of getting your resume in front of the right hiring managers not HR Teaches you specifically what employers are looking for Helps you write and speak in a language every employer speaks Includes all the things you want to know and the top things you didn't realize you needed to know And much much more Everything in this book has worked for me worked for my clients and I know they'll work for you All my life I have been the recipient and practitioner of tough love coaching and you will see it in my writing I do this to get your attention and to hopefully spur you to action One thing I know for certain that sitting home and waiting for your phone to ring is the definition of complacency which will kill your job search and your career Stop wishing you had a better career and do something about it today *Insider's Guide to Job Search*, 2006
