Planning, Time, and Self-Governance Michael E. Bratman, 2018-06-01 Our human capacity for planning agency plays central roles in the cross temporal organization of our agency in our acting and thinking together both at a time and over time and in our self governance both at a time and over time Intentions can be understood as states in such a planning system The practical thinking at the bottom of this planning capacity is guided by norms that enjoin synchronic plan consistency and means end coherence as well as forms of plan stability over time The essays in this book aim to deepen our understanding of these norms and to defend their status as norms of practical rationality for planning agents The general guidance by these planning norms has many pragmatic benefits especially given our cognitive and epistemic limits But appeal to these general pragmatic benefits does not fully explain the normative force of these norms in the particular case In response to this challenge some think these norms are at bottom norms of theoretical rationality on one's beliefs some think these norms are constitutive of intentional agency some think they are norms of interpretation and some think the idea of such norms of practical rationality is a myth These essays chart an alternative path This path sees these planning norms as tracking conditions of a planning agent's self governance both at a time and over time It seeks associated models of such self governance And it appeals to the idea that the end of one's self governance over time while not essential to intentional agency per se is within the planning framework rationally self sustaining and a keystone of a rationally stable reflective equilibrium that involves the norms of plan rationality This end is thereby in a position to play a role in our planning framework that parallels the role of a concern with quality of will within the framework of the reactive emotions as understood by Peter Strawson *Biennial Report of the Auditor General of the Commonwealth of Pennsylvania for the Two Years Ending May 31 ... Pennsylvania. Office of the Auditor General, 1919* *American Racing Manual*, 1963 *Report of the Railroad and Warehouse Commission of Minnesota Railroad and Warehouse Commission of the State of Minnesota, 1902* **Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate and House of Representatives of Pennsylvania**, 1906 **Year Book, Trotting and Pacing** United States Trotting Association, 1977 **Annual Report of the Receipts and Expenditures ...** Lewiston (Me.), 1908 **Report of the State Treasurer on the Finances of the Commonwealth of Pennsylvania** Pennsylvania. Treasury, 1917 *Annual Year Book - United States Trotting Association* United States Trotting Association, 1903 **The Holy Grail** Anton

Keyter,2012 **Murder & Mayhem in Spokane** Deborah Cuyle,2022 Spokane s dark and fascinating history is loaded with shocking murders bootlegging mischief and devastating drama The beautiful city by the Spokane River was once considered a millionaire s paradise as well as a hobo s playground but danger lurked beneath the surface The Black Hand gang police hot on its trail stalked the streets looking for local mobster Frank Bruno A cannibal sought fresh victims and a teenage boy picked up an ax for nefarious purposes McNeil State Penitentiary housed notorious characters Charles Manson and the Birdman of Alcatraz while Herbert Niccolls Jr locked up at twelve years old made history as the youngest inmate at Walla Walla Penitentiary Join author Deborah Cuyle as she uncovers the Lilac City s violent past *Boyd's Co-partnership and Residence Business Directory of Philadelphia City* ,1900 **The Winning Summer** Marsha Hubler,2010-05-11 Once a rebellious juvenile delinquent thirteen year old Skye now finds herself in a position to help others when her foster parents open the stables to a group of kids who have big problems just like she did Skye finds her faith and patience tested as she Chad and Morgan teach horseback riding to four special needs children including Katie who is blind Upset about her parents pending divorce Katie is withdrawn and bitter at God and the world With faith and friendship Skye tries her best to show an increasingly isolated Katie that her parents and God will always love her no matter what Will Skye s efforts be good enough
