large corporations have shed their role as direct employers of the people responsible for their products in favor of outsourcing work to small companies that compete fiercely with one another. The result has been declining wages eroding benefits inadequate health and safety protections and ever widening income inequality. From the perspectives of CEOs and investors fissuring splitting off functions that were once managed internally has been phenomenally successful. Despite giving up direct control to subcontractors and franchises these large companies have figured out how to maintain the quality of brand name products and services without the cost of maintaining an expensive workforce. But from the perspective of workers this strategy has meant stagnation in wages and benefits and a lower standard of living. Weil proposes ways to modernize regulatory policies so that employers can meet their obligations to workers while allowing companies to keep the beneficial aspects of this business strategy.

Being Chosen by God Rev. Dr. Cleveland Brown, 2021-10-20

30 I believe all are chosen from birth by God to make a difference in this world in the lives of others and my book *Being Chosen by God* is a perfect example that God is with us in the best of times worst of times and all the time to help us and use us to serve one another to build His kingdom through those we come in contact with. We can change the world with love and the willingness to serve others. God said in His word that what you have done to the least of these people you have done it unto Me. When I was hungry you feed me thirsty you gave me drink naked you clothe me a stranger you took me in in prison you came to see me and sick you came to visit me. God can use you to change someone's entire life or a city if you're willing to let Him lead you and don't be afraid to step out and do what He asks you. God can and will use you. Never doubt who you are in Christ. Cleveland Brown was raised by Mattie and Jasper Brown a true born again servant of God taught him to love God trust God have faith in God serve others and believe you are on this earth for a purpose. My life is a true witness that the Bible is a living word. God is real and He cares for no one to perish but have everlasting life. God says You have not chosen Me but I have chosen you.
