 restore balance to the urban territory by designing systems that allow it to adapt and transform It is a methodology that
 defines models that do not consume available resources but rather generate new ones that ensure compatibility between
 economic and social prosperity and nature Santander Habitat Futuro Santander Future Habitat is the city model created from
 this methodology a proposal for the transformation of this city for the year 2055 It is an open model based on innovation and
 citizen participation that prepares and adapts the territory for the different scenarios to come Santander Habitat Futuro is a
 guide that directs the commitment of the different social economic and political agents towards a common goal to achieve a
 circular sustainable resilient vibrant prosperous vital and inclusive city A model that due to its innovative nature can
 serve as an example to other intermediate cities around the world *Monthly Bulletin* ,1900 *Bulletin of the Pan*
