Forming Intentional Disciples Sherry A. Weddell,2015-11-30 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples These are times of immense challenge and immense opportunity for the Catholic Church Consider these statistics for the United States Only 30 percent of Americans who were raised Catholic are still practicing Fully 10 percent of all adults in America are ex Catholics The number of marriages celebrated in the Church decreased dramatically by nearly 60 percent between 1972 and 2010 Only 60 percent of Catholics believe in a personal God If the Church is to reverse these trends the evangelizers must first be evangelized in other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him This work of discipleship lies at the heart of Forming Intentional Disciples a book designed to help Church leaders parish staff and all Catholics transform parish life from within Drawing upon her fifteen years of experience with the Catherine of

Siena Institute Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Learn about the five thresholds of postmodern conversion how to open a conversation about faith and belief how to ask thought provoking questions and establish an atmosphere of trust when to tell the Great Story of Jesus how to help someone respond to God s call to intentional discipleship and much more And be prepared for conversion because when life at the parish level changes the life of the whole Church will change

Spanish - Applied New Testament Commentary
 StephenThorson TomHale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes bull bull General Articles on important aspects of the Christian faith bull An Introduction to each book of the New Testament bull Word definitions bull Clear explanations of Bible text bull How to apply the Bible to everyday life Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary s commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian people John Stott All Souls Langham Place London
