La Edad De Oro La Edad De Oro:

The Cuban Republic and José Martí Mauricio A. Font, Alfonso W. Quiroz, 2006-01-01 Jose Marti contributed greatly to Cuba's struggle for independence from Spain with words as well as revolutionary action. Although he died before the formation of an independent republic, he has since been hailed as a heroic martyr inspiring Cuban republican traditions.

Baamonde, 2005 Ethics and Children's Literature Claudia Mills, 2016-05-13 Exploring the ethical questions posed by in

and about children's literature, this collection examines the way texts intended for children raise questions of value, depict the

moral development of their characters, and call into attention shared moral presuppositions. The essays in Part I look at

various past attempts at conveying moral messages to children and interrogate their underlying assumptions. What visions of

childhood were conveyed by explicit attempts to cultivate specific virtues in children? What unstated cultural assumptions

were expressed by growing resistance to didacticism? How should we prepare children to respond to racism in their books

and in their society? Part II takes up the ethical orientations of various classic and contemporary texts, including prosaic ethics

in the Hundred Acre Wood, moral discernment in Narnia, ethical recognition in the distant worlds traversed by L. Engle, and

virtuous transgression in recent Anglo-American children's literature, and in the emerging children's literature of the 1960s.

Taiwan. Part III's essays engage in ethical criticism of arguably problematic messages about our relationship to nonhuman

animals about war and about prejudice The final section considers how we respond to children s literature with ethically focused essays exploring a range of ways in which child readers and adult authorities react to children s literature Even as children s literature has evolved in opposition to its origins in didactic Sunday school tracts and moralizing fables authors parents librarians and scholars remain sensitive to the values conveyed to children through the texts they choose to share with them
