Losing Our Virtue Why The Church Must Recover Its Moral Vision:

Losing Our Virtue David F. Wells, 1999-02 Why the Church must recover its moral vision *Christ Alone---The Uniqueness of Jesus as Savior* Stephen Wellum, 2017-04-18 Professor of theology Stephen Wellum considers Christ's singular uniqueness and significance biblically historically and today in our pluralistic and postmodern age Christ Alone is a much needed study and defense of the doctrine that provides coherency to the Christian faith If the church is to proclaim the same Christ as the Reformers we must understand and embrace solus Christus with the same clarity conviction urgency and abundance of joy as the Reformers To that end Wellum Recovers the Reformers basic insights by focusing first on two teachings the exclusive identity of Christ and his sufficient work Follows the historical roots of the doctrine and its developments to show how the uniqueness of Christ has come under specific attack today Retraces the storyline of Scripture from Christ's unique identity and work as prophet priest and king to the application of his work to believers and our covenantal union with him Christ Alone seeks to recover a robust biblical and theological doctrine of Christ's person and work and a renewed understanding that apart from Christ there is no salvation in the face of today's challenges unpacking why a fresh appraisal of the Reformation understanding of Christ alone is so important today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches *Gospel Witness* David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God's human drama as a way to explain the gospel within God's redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today

Renewing the Evangelical Mission Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian's calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis

Vidu and Miroslav Volf Aquinas Among the Protestants Manfred Svensson, David VanDrunen, 2017-09-25 AQUINAS AMONG THE PROTESTANTS This major new book provides an introduction to Thomas Aquinas's influence on Protestantism. The editors, both noted commentators on Aquinas, bring together a group of influential scholars to demonstrate the ways that Anglican, Lutheran, and Reformed thinkers have analyzed and used Thomas through the centuries. Later chapters also explore how today's Protestants might appropriate the work of Aquinas to address a number of contemporary theological and philosophical issues. The authors set the record straight and disavow the widespread impression that Aquinas is an irrelevant figure for the history of Protestant thought. This assumption has dominated not only Protestant historiography but also Roman Catholic accounts of the Reformation and Protestant intellectual life. The book opens the possibility for contemporary reception, engagement, and critique and even intra-Protestant relations and includes information on the fruitful appropriation of Aquinas in Anglican, Lutheran, and Reformed theologians over the centuries. Important essays from leading scholars on the teachings of Aquinas. New perspectives on Thomas Aquinas's position as a towering figure in the history of Christian thought. Aquinas Among the Protestants is a ground-breaking and interdenominational work for students and scholars of Thomas Aquinas and theology more generally.

The Courage to Be Protestant, 2nd ed. Wells, David F., 2017. At its heart, the Protestant Reformation was about a deep, doctrinally shaped faith centered on God and his Word. But that historic, substantive faith is not faring so well in our contemporary Western context. In his 2008 book *The Courage to Be Protestant*, David Wells issued a summons to return to the historic Protestant faith defined by the Reformation: *sola* grace, faith, and Scripture alone, and by a high regard for doctrine. In this thoroughly reworked second edition, Wells presents an updated look at the state of evangelicalism and the changes that have taken place since the original publication of his book. There is no better time than now to hear and heed Wells's clarion call to reclaim the historic, doctrinally serious Reformation faith in our fast-paced, technologically dominated postmodern culture.

Apostasy from the Gospel (Volume 14) John Owen, 2023-06-22. Volume 14 of *The Complete Works of John Owen* warns Christians about the dangers of apostasy. Regarded as one of the greatest theologians in history, 17th-century pastor John Owen remains influential among those interested in Puritan and Reformed theology. *The Complete Works of John Owen* brings together all of Owen's original theological writing, including never-before-published work reformatted for modern readers in 40 user-friendly volumes. Volume 14, *Apostasy from the Gospel*, features Owen's book-length treatise on the threat of heresy, the need for repentance, and the importance of preserving biblical purity of doctrine, holiness, and worship. With extensive introductions by editor Joel R. Beeke, this volume also includes outlines, footnotes, and other supporting resources. Released over a number of years, *The Complete Works of John Owen* will inspire a new generation of Bible readers and scholars to deeper faith. The Making of Evangelical Spirituality Jason Cherry, 2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul

Revealing the Heart of Prayer Craig G. Bartholomew, 2016-10-05 See Luke s Gospel anew through the lense of prayer In Revealing the Heart of Prayer Craig G Bartholomew helps us see how to live and participate effectively in God s mission by looking to Jesus as an example for how we should pray

The Courage to Be Protestant David F. Wells, 2008-04 It takes no courage to sign up as a Protestant These words begin this bold new work the culmination of David Wells s long standing critique of the evangelical landscape But to live as a true Protestant well that s another matter This book is a jeremiad against new versions of evangelicalism marketers and emergents and a summons to return to the historic faith defined by the Reformation solas grace faith and Scripture alone and by a high regard for doctrine Wells argues that historic classical evangelicalism is marked by doctrinal seriousness as opposed to the new movements of the marketing church and the emergent church He energetically confronts the marketing communities and their tendency to try to win parishioners as consumers rather than worshipers advertising the most palatable environment rather than trusting the truth to be attractive He takes particular issue with the most popular evangelical movement in recent years the emergent church Emergents he says are postmodern and postconservative and postfoundational embracing a less absolute understanding of the authority of Scripture than traditionally held The Courage to Be Protestant is a forceful argument for the courage to be faithful to what Christianity in its biblical forms has always stood for thereby securing hope for the church s future

Sing to the Lord a New (Covenant) Song Brian V. Janssen, 2010-01-01 This little book tackles the big questions about worship music In considering the theology of biblical and Reformed worship and the purpose of music in worship Pastor Janssen develops objective guidelines which lead to an

evaluation tool for selecting the best music for worship This book helpfully moves beyond personal preference leading to greater light than heat in the continuing discussion of worship practice Written from a pastoral perspective this book is theological readable and practical *Jesus Made in America* Stephen J. Nichols,2009-09-20 Jesus is as American as baseball and apple pie But how this came to be is a complex story one that Stephen Nichols tells with care and ease Beginning with the Puritans he leads readers through the various cultural epochs of American history showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the times often with unfortunate results Always fascinating and often humorous *Jesus Made in America* offers a frank assessment of the story of Christianity in America including the present For those interested in the cultural implications of that story this book is a must read *A Theology of God-Talk* J. Timothy Allen,Harold G Koenig,2018-12-07 Use this common coping mechanism to help people respond to crises This thoughtful book offers a fresh theological interpretation for the ways people talk about God in times of crisis *A Theology of God Talk The Language of the Heart* probes the meaning behind phrases like It must have been God s will and The Lord took Uncle Harry Though many caring professionals dismiss such talk as insensitive or irrational these phrases offer powerful clues to the speaker s personal religious feelings *A Theology of God Talk* demonstrates the ways that God talk moves the sufferer through the grief and doubt of the crisis By recognizing the ways God talk resembles myth apocalyptic tale tragedy story and even prayer all literary categories the caregiver can begin to help sufferers rewrite their personal narratives in the wake of tragedy *A Theology of God Talk* examines the crucial issues of God talk including common false assumptions about it the theology of God talk interpretations and misinterpretations how to glean counseling insights from God talk differing stances for sufferers and survivors of tragedy Bringing together psychology theology and narrative theory this insightful and sensitive book offers new ways of looking at this common reaction to crisis *A Theology of God Talk* is an instant classic and an essential resource for pastors chaplains therapists grief counselors and theologians *Reinventing English Evangelicalism, 1966-2001* Robert E. Warner,2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition Getting Ready for Revival Stuart D. Reynolds,2018-01-11 Pervaded by the stench of self satisfaction self obsession and self justification the Church in the West overcome by its culture finds herself in an ailing condition very few seem to want to mention never mind confront to correct Biblical imperatives often go unheeded in the pew largely because they are unsounded from the pulpit as we live out our own dark and more sinister version of the Emperors New Clothes Drawing primarily from the scriptures along with other revival writers such as Finney Tozer Ravenhill *Getting Ready for Revival* seeks to stimulate our minds out of our ignorance of Gods Word and stir our hearts over our forgetfulness of God

returning us to the wells we did not dig Deut 6 1012 of Gods provision and insistence that we may not die in the graves our own wells are *Bound Together* Chris Brauns,2013-03-05 We are not just isolated individuals Instead our lives are woven together with others We have solidarity with other people the choices one person makes affects the lives of others for good and for bad Because much of the pain we endure in life is in the context of relationships this truth often strikes us as unfair Why should a child suffer because of the choices of his parents And on a grander scale why do we all suffer the curse of Adam s sin Why should anyone be judged for someone else s sin In *Bound Together* Chris Brauns unpacks the truth that we are bound to one another and to the whole of creation He calls this the principle of the rope Grasping this foundational principle sheds new light on marriage the dynamics of family relationships and the reason why everyone lives with the consequences of the sins that others commit Brauns shows how the principle of the rope is both bad news and good news revealing a depth to the message of the gospel that many of us have never seen before **Soulmates** David

Horn,2025-09-30 What does it mean to develop true community in our churches and how do we get there In *Soulmates* David Horn addresses these questions with creativity and pastoral love equipping you with a practical roadmap to achieving deeper relationships in your church community *Ancient-Future Faith* Robert E. Webber,1999-11 In a world marked by relativism individualism pluralism and the transition from a modern to a postmodern worldview evangelical Christians must find ways to re present the historic faith In his provocative new work *Ancient Future Faith* Robert E Webber contends that present day evangelicalism is a product of modernity Allegiance to modernity he argues must be relinquished to free evangelicals to become more consistently historic Empowerment to function in our changing culture will be found by adapting the classical tradition to our postmodern time Webber demonstrates the implications in the key areas of church worship spirituality evangelism nurture and mission Webber writes The fundamental concern of *Ancient Future Faith* is to find points of contact between classical Christianity and postmodern thought Classical Christianity was shaped in a pagan and relativistic society much like our own Classical Christianity was not an accommodation to paganism but an alternative practice of life Christians in a postmodern world will succeed not by watering down the faith but by being a counter cultural community that invites people to be shaped by the story of Israel and Jesus A substantial appendix explores the development of authority in the early church an important issue for evangelicals in a society that shares many features with the Roman world of early Christians Students professors pastors and laypeople concerned with the churchs effective response to a postmodern world will benefit from this paradigmatic volume Informative tables and extensive bibliographies enhance the books educational value Amazon

Multifaceted Explorations of Consumer Culture and Its Impact on Individuals and Society Burns, David J.,2018-10-12 Consumer culture influences virtually all activities within modern societies and has become an important area of study for businesses Logical analysis of consumer behavior is difficult as humans have different reasons for repeatedly buying products they need or want and it is challenging to follow why they buy unneeded or unwanted products regularly Without a

comprehensive understanding of consumer culture as the basis market discussions become empty and produce little insight into the power consumers hold in affecting other individuals and society Multifaceted Explorations of Consumer Culture and Its Impact on Individuals and Society provides emerging research from different perspectives on the basis and ramifications of consumer culture as well as how it affects all aspects of the lives of individuals While providing a platform for exploring interpersonal interactions and issues related to ethics in marketing readers will gain valuable insight into areas such as consumer vs producer mentality the effects of consumerism on developing countries and the consequences of consumerism This book is an important resource for marketing professionals business managers sociologists students academicians researchers and consumer professionals

Practicing Ministry in the Presence of God John Jefferson Davis, 2015-07-13

Practicing Ministry in the Presence of God presents a new paradigm for church ministry one that is based on fundamental truths of the Christian faith such as the Trinity union with Christ and the already presence of the Holy Spirit in the church This new paradigm can help busy pastors avoid burnout in the ministry and model Trinitarian New Testament patterns of ministry to their people Practicing Ministry in the Presence of God reflects the best of recent New Testament scholarship sensitivity to the contexts of globalized postmodern cultures dominated by digital media and practical applications for Christian life discipleship worship and mission
