Not Born Gay and the Zebra Effect Illusion Iter Tracy Green, 2017-01-26 Are people born gay I think you need to read what we have discovered in this book What is the zebra effect What have the experts and authorities told us about what we are to believe and how to think There are many people leading a gay lifestyle who know that they are not born gay but were conditioned to it by nongenetic factors Why do some people want to think so simplistically about LGBT orientations and behaviors Yes many feel that they were born gay but were they really What do the teachings of Jesus say about same sex marriage and sexual relationships To Bible believing Christians and pastors here are some ways to be more empathetic more understanding and more helpful to the LGBT community while never compromising the teachings of our Lord Jesus To the general public what do you believe about the gay rights issues and why does it matter Do you realize that the Bible points to the truth and that news and media sources sometimes misrepresent the truth What does it really mean to love others in the best way To the atheist the agnostic the gay activist and others here is a chance to try to understand the beliefs of millions of Bible believing Christians in this country Please realize that for the great majority of your Christian neighbors their beliefs are not going to change even under pressure Please keep an open mind

Jesus in the Courtroom John W. Mauck, JD, 2017-07-04 Have you ever thought of Jesus as a lawyer It may sound odd but at times in His ministry Jesus wore his lawyer hat When he defended the adulterous woman when he argued from Scripture that the disciples were fine to pick grain on the Sabbath and in other instances Jesus insightfully applied to uphold justice and promote goodwill The legal aspects of Jesus ministry have long been obscured or misunderstood particularly his interactions with and attitude toward the law and lawyers Jesus desire in his day and ours is to use the law to secure the rights of people to hear the gospel and to set humanity free In other words to be the best citizens we can be we need to follow in the footsteps of the greatest citizen who ever lived Jesus in the Courtroom covers topics like Why we should care about the law Strategic involvement with the law How God has used the law to expand His kingdom What can happen

when we partner with legal professionals How citizenship is part of discipleship Christian citizenship in matters like adoption abortion minimum wage foster care and schools We are citizens of two kingdoms but many of us duck and run when it comes to civil life For anyone who cares about their community parents teachers pastors you name it engagement with our legal system can play a huge role in the health of our communities and in cultivating a context where the gospel can flourish Jesus in the Courtroom will help us understand not only why we have failed to appreciate the legal aspect of Jesus life but also to understand and cooperate with his legal ministry to us and through us If we are going to be faithful citizen disciples in this challenging new world we need to look anew at how Jesus taught thought and interacted with the legal establishment of his day

Goodbye, My Tribe Vic Sizemore, 2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore's collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections

Scattering Ashes Joyce Smith Helyer, 2016-06-08 Scattering Ashes is a resource for Christian families confronting the reality of their loved one's gay lifestyle Joyce Smith Helyer takes the reader on a journey that changed her life when her brother began their midnight Christmas Eve conversation with these words Joyce I have something to tell you As I waited expectantly for what he was going to say next he paused but then shifted the conversation He tried again but the same thing happened I felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach His attempted landings kept falling short of the runway A vague sense of uneasiness began to fill my mind Little did I realize that my nice typical Christian experience would be undergoing a significant change Fear I could barely articulate almost overwhelmed me Finally I looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying Ron are you trying to tell me you're gay His quiet response echoed across the living room I thought you had it figured out

Smalley, 2016-03-25 What does the Bible teach about sexual relationships between people of the same sex Does true love require that we accept all forms of sexual expression No real love does not rejoice in sin but rejoices in the truth In the Bible God reveals that He created gender sex and marriage and we may not alter them at our will Through His laws and works in history God has made it clear that homosexual practices violate His holy purposes for mankind The New Testament reaffirms

God's created order and moral laws. It too warns that homosexual practice like any other sin that we cherish is the pathway to God's judgment. However, the Lord Jesus Christ saves sinners by His Spirit and gives them a new identity, forgiveness, life, and power to live according to His commandments. This is the message that all people need to hear. God's laws have not changed, but God's grace offers hope to sinners through Jesus Christ.

Understanding the Culture Jeff Myers, 2017-03-01 Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.

The Myth of the Dying Church Glenn T. Stanton, 2019-06-18 Stop believing the false narrative that Christianity is declining and discover the truth about the health of the church in America and around the world. Much has been made of the so-called "nones" — those who claim no spiritual affiliation. Media has spun the "nones" into a chicken-little-the-sky-is-falling narrative. The "nones" are an infamously difficult subsection to understand, and there is a lot of false information on them. Glenn Stanton believes the "nones" story has become overblown and has become a thing due to curiosity and repetition of their supposed irreligiosity. **THE MYTH OF THE DYING CHURCH** digs deeply into the research concerning spirituality in America and reveals the hope and truth about the vitality and future of the church.

Every Believer Confident Mark J. Farnham, 2021-02-06 For the average Christian who longs to share their faith effectively but doesn't know where to begin, *Every Believer Confident* is the ultimate guidebook. All believers are called to make disciples and give an answer when objections are raised against the faith. Most Christians want to share and defend their beliefs, but they often feel ill-equipped. They desire to reach friends, family, coworkers, and classmates with the good news of Jesus Christ, but lack confidence and skill. They want to be like Jesus and effectively engage the lost with the powerful truth of the gospel, but they just don't know how. What's needed is a way to simplify apologetics and make it accessible to the average church member who will never study philosophy or science. If every church member was indeed a skilled evangelist, churches would not have to depend on come-and-see events to reach the community, because every member would be practicing the go-and-tell approach. Scripture assumes *Every Believer Confident: Apologetics for the Ordinary Christian* simplifies the basic principles of apologetics and provides effective strategies for use in actual encounters with unbelievers. It provides a structure whereby any Christian can engage anyone they meet, move the conversation to spiritual matters, answer objections raised against the Christian faith, and present the gospel of Christ in all its glory and rationality.

Messy Grace Caleb Kaltenbach,2015-10-20 Sometimes grace gets messy Caleb Kaltenbach was raised by LGBT parents marched in gay pride parades as a youngster and experienced firsthand the hatred and bitterness of some Christians toward his family But then Caleb surprised everyone including himself by becoming a Christian and a pastor Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church As a pastor and as a person with beloved family members living a gay lifestyle Caleb had to face this issue with courage and grace Messy Grace shows us that Jesus's command to love your neighbor as yourself doesn't have an exception clause for a gay neighbor or for that matter any other neighbor we might find it hard to relate to Jesus was able to love these people and yet still hold on to his beliefs So can you Even when it's messy Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders Caleb's story is surprising and unique and he weaves it together compellingly He states his views clearly leaves room for disagreement and champions love no matter where you are in this conversation Jud Wilhite Sr Pastor Central Christian Church
