Jeff In Venice Death In Varanasi:

Jeff in Venice, Death in Varanasi Geoff Dyer, 2009-04-07 A New York Times Notable Book A Best Book of the Year The Economist The New Yorker San Francisco Chronicle Slate com and Time In Venice at the Biennale a jaded bellini swigging journalist named Jeff Atman meets a beautiful woman and they embark on a passionate affair In Varanasi an unnamed journalist who may or may not be Jeff joins thousands of pilgrims on the banks of the holy Ganges He intends to stay for a few days but ends up remaining for months Their journey as only the irrepressibly entertaining Geoff Dyer could conjure makes for an uproarious fiendishly inventive novel of Italy and India longing and lust and the prospect of neurotic enlightenment

The Conflict Elisabeth Badinter, 2012-01-30 In THE CONFLICT Elisabeth Badinter France's foremost feminist thinker questions why our ideas of motherhood have been skewed by unachievable expectations that compromise notions of self and womanhood

River of Life, River of Death Victor Mallet, 2017-10-13 India is killing the Ganges and the Ganges in turn is killing India The waterway that has nourished more people than any on earth for three millennia is now so polluted with sewage and toxic waste that it has become a menace to human and animal health Victor Mallet traces the holy river from source to mouth and from ancient times to the present day to find that the battle to rescue what is arguably the world's most important river is far from lost As one Hindu sage told the author in Rishikesh on the banks of the upper Ganges known to Hindus as the goddess Ganga If Ganga dies India dies If Ganga thrives India thrives The lives of 500 million people is no small thing Drawing on four years of first hand reporting and detailed historical and scientific research Mallet delves into the religious historical and biological mysteries of the Ganges and explains how Hindus can simultaneously revere and abuse their national river Starting at the Himalayan glacier where the Ganges emerges pure and cold from an icy cave known as the Cow's Mouth and ending in the tiger infested mangrove swamps of the Bay of Bengal Mallet encounters everyone from the naked holy men who worship the river to the engineers who divert its waters for irrigation the scientists who study its bacteria and Narendra Modi the Hindu nationalist prime minister who says he wants to save India's mother river for posterity Can they succeed in saving the river from catastrophe or is it too late

Another Great Day at Sea Geoff Dyer, 2014-05-20 From a writer whose genre jumping refusal to be pinned down makes him an exemplar of our era NPR a new book that confirms his power to astound readers As a child Geoff Dyer spent long hours making and blotchily painting model fighter planes So the adult Dyer jumped at the chance of a residency aboard an aircraft carrier Another Great Day at Sea chronicles Dyer's experiences on the USS George

H W Bush as he navigates the routines and protocols of carrier world from the elaborate choreography of the flight deck through miles of walkways and hatches to kitchens serving meals for a crew of five thousand to the deafening complexity of catapult and arresting gear Meeting the Captain the F 18 pilots and the dentists experiencing everything from a man overboard alert to the Steel Beach Party Dyer guides us through the most AIE acronym intensive environment imaginable A lanky Englishman could he really be both the tallest and the oldest person on the ship in a deeply American world with its constant exhortations to improve to do better Dyer brilliantly records the daily life on board the ship revealing it to be a prism for understanding a society where discipline and conformity dedication and optimism become forms of self expression In the process it becomes clear why Geoff Dyer has been widely praised as one of the most original and funniest voices in literature Another Great Day at Sea is the definitive work of an author whose books defy definition *Selfish, Shallow, and Self-Absorbed* Meghan Daum,2015-03-31 In this provocative and controversial collection of essays curated by writer Meghan Daum thirteen acclaimed female writers explain why they have chosen to eschew motherhood **The Missing of the Somme** Geoff Dyer,2011-08-09 The Missing of the Somme is part travelogue part meditation on remembrance and completely unabashedly unlike any other book about the First World War Through visits to battlefields and memorials Geoff Dyer examines the way that photographs and film poetry and prose determined sometimes in advance of the events described the way we would think about and remember the war With his characteristic originality and insight Dyer untangles and reconstructs the network of myth and memory that illuminates our understanding of and relationship to the Great War

Bloomsbury Good Reading Guide Nick Rennison,2009-01-01 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some the best literature to grace our shelves This greatly expanded edition includes the latest contemporary authors and landmark novels an expanded non fiction section a timeline setting historical events against literary milestones prize winner and book club lists An accessible and easy to read guide that no serious book lover should be without The essential guide to the wild uncharted world of contemporary and 20th century writing Robert McCrum The Observer *Travel and Transformation* Garth Lean,Russell Staiff,2016-02-24 Travel and tourism have a long association with the notion of transformation both in terms of self and social collectives What is surprising however is that this association has on the whole remained relatively underexplored and unchallenged with little in the way of a corpus of academic literature surrounding these themes Instead much of the literature to date has focused upon describing and categorising tourism and travel experiences from a supply side perspective with travellers themselves defined in terms of their motivations and interests While the tourism field can lay claim to several significant milestone contributions there have been few recent attempts at a rigorous re theorization of the issues arising from the travel transformation nexus The opportunity to explore the socio cultural dimensions of transformation through travel has thus far

been missed Bringing together geographers sociologists cultural researchers philosophers anthropologists visual researchers literary scholars and heritage researchers this volume explores what it means to transform through travel in a modern mobile world In doing so it draws upon a wide variety of traveller perspectives including tourists backpackers lifestyle travellers migrants refugees nomads walkers writers poets virtual travellers and cosmetic surgery patients to unpack a cultural phenomenon that has captured the imagination since the very first works of Western literature

The Memory of Water Allen Smutylo, 2014-06-19 Over the last forty years Canadian adventurer writer and artist Allen Smutylo has experienced some of the wildest and most captivating waters imaginable in all corners of the globe The stories in The Memory of Water all of them accompanied by the author's own stunning artwork describe his adventures in the Arctic South Pacific Great Lakes region and India In the Arctic he is attacked by a polar bear stalked by a rogue walrus and nearly drowns in ferocious waters But his Arctic stories also celebrate human creativity as they recount the life of the pre Inuit people who hunting in a changing environment endured many hardships and developed new technologies such as the sea kayak to cope Other stories include an account of a sojourn in a small Georgian Bay fishing village as a young artist an adventure on an urban river in southwestern Ontario and a portrayal of the complex underwater world of the South Pacific Travelling the River Ganges in India the author finds that a massive misuse of water is complicated by a billion people's faith based adoration of the same water The Memory of Water probes a crucial and contemporary issue that of our relationship to water and the wildlife and human life that depends upon it This book will appeal to anyone interested in the natural world in artistic depictions of it or in a good story well told
