Jesus A Dialogue With The Savior:

Jesus; a Dialogue with the Saviour, 1965 **Jesus**, 1963 *The Nag Hammadi Library in English* James James McConkey Robinson, Richard Smith, Coptic Gnostic Library Project, 1996-01-01 First published in 1978 The Nag Hammadi Library was widely acclaimed by critics and scholars alike Containing many of the writings of the Gnostics since the time of Christ this was the work that launched modern Gnostic studies and exposed a movement whose teachings are in many ways as relevant today as they were sixteen centuries ago Although some of the texts had appeared in other translations the 1978 edition was the first and only translation of these ancient and fascinating manuscripts to appear in one volume This new edition is the result of ten years of additional research and editorial and critical work Every translation has been changed or added to many have been thoroughly revised Unearthed in 1945 near the town of Nag Hammadi in Upper Egypt the texts literally begin where the Dead Sea Scrolls end Their discovery is seen as equally significant bringing to light a long hidden well of new information sources and insights into early Judaism and the roots of Christianity Each text is accompanied by a new and expanded introduction Also included are a revised general introduction and an afterword discussing the modern relevance of Gnosticism from Voltaire and Blake through Melville and Yeats to Jack Kerouac and science fiction writer Philip K Dick The translations and introductions to the Nag Hammadi texts are by members of the Coptic Gnostic Library Project which includes such scholars as Helmut Koester George McRae and Elaine Pagels **The Nag Hammadi Library for**

Handbook for the Study of the Historical Jesus (4 Vols) Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies *Rediscovering the Marys* Mary Ann Beavis, Ally Kateusz, 2020-01-23 This interdisciplinary volume of text and art offers new insights into various unsolved mysteries associated with Mary Magdalene Mary of Bethany Mary the Mother of Jesus and Miriam the sister of Moses

Mariamic traditions are often interconnected as seen in the portrayal of these women as community leaders prophets apostles and priests These traditions also are often inter religious echoing themes back to Miriam in the Hebrew Bible as well as forward to Maryam in the Qur an The chapters explore questions such as which biblical Mary did the author of the Gospel of Mary intend to portray Magdalene Mother or neither Why did some writers depict Mary of Nazareth as a priest Were extracanonical scriptures featuring Mary more influential than the canonical gospels on the depiction of Maryam in the Qur an Contributors dig deep into literature iconography and archaeology to offer cutting edge research under three overarching topics The first section examines the question of which Mary and illustrates how some ancient authors and contemporary scholars may have conflated the biblical Marys The second section focuses on Mary of Nazareth and includes research related to the portrayal of Mary the Mother of Jesus as a Eucharistic priest The final section Recovering Reception of Mary in Art Archeology and Literature explores how artists and authors have engaged with one or more of the Marys from the early Christian era through to medieval and modern times

The Lost Sayings of Jesus ,2011-06-30 Jesus s words of wisdom can become a companion on your own spiritual journey The gospels of Matthew Mark Luke and John are not the only record we have of the words spoken by Jesus Designed to challenge enlighten and inspire they are also quoted in a wide variety of other ancient sources including the Qur an writings by early Christian church fathers and fragments of lost gospels only recently discovered Some of these sayings are familiar many are surprising all expand our conventional understanding of the scope and essence of Jesus s original teachings More than a Christian compilation this collection of more than three hundred sayings reveals a Jesus whose words encapsulate spiritual truths that resonate across religious boundaries From the encouraging I am hope for the hopeless to the wise and practical Love those who hate you and you will not have an enemy to the candid Give no opportunity to the evil one these pointed sayings not only reveal how Jesus was understood and portrayed across a wide variety of cultures long ago they will also penetrate to your heart challenge your assumptions and energize your own spiritual quest Now you can experience the wisdom and power of Jesus s sayings even if you have no previous knowledge of these little known texts

The Crucifixion of Mary Magdalene Richard J. Hooper,2005 A careful study of Christian origins and detailed analysis of all the canonical apocryphal and Gnostic Gospels in which Mary Magdalene appears Considered the first apostle of Christianity by early Christians the author explains why the patriarchs of the early church found it necessary instead to reinvent Mary as a wanton woman rather than Jesus most favored disciple

The Gospels of the Marginalized Marvin W. Meyer,2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations

of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth **The True Christian Gospel** Orlando A. Robertson, 2012-09-07 **Revelations** Elaine Pagels, 2012-03-06 A startling exploration of the history of the most controversial book of the Bible by the bestselling author of *Beyond Belief* Through the bestselling books of Elaine Pagels thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels As one of the world's foremost religion scholars she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity Her new book however tackles a text that is firmly dramatically within the New Testament canon The Book of Revelation the surreal apocalyptic vision of the end of the world or is it In this startling and timely book Pagels returns The Book of Revelation to its historical origin written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War in 66 CE Militant Jews in Jerusalem fired with religious fervor waged an all out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome Soon after however a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies In a time when global religious violence surges Revelations explores how often those in power throughout history have sought to force God's enemies to submit or be killed It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world's religions and to appreciate the lasting appeal of this extraordinary text [The Nag Hammadi Library in English](#) Marvin W. Meyer, James MacConkey Robinson, 1977 **Jesus's Dialogue** John H.S. Lee, 2022-12-23 This book aims to guide How to defend Christianity and How to say in our daily encounters and conversations The questions how to defend Christianity and evangelize remain a challenging task in our daily encounters and communications for many Christians alike There is no methodological approach to how in this area It's not because of a lack of biblical knowledge or learning Instead we don't have a model for conversations and don't know the specific communication skills or methods of evangelism i.e. when how and what to say The discovery of Jesus's dialogue breaks down the barriers between faith and reality and quenches our long standing thirst and questions about our daily encounters and conversation at once The Gospel of John contains a relatively large number of detailed conversations with Jesus The talks in various situations teach us what to say and convey evangel as a golden rule I tried to sort it out on my own Jesus's conversation tells

us what attitude we should take and how we speak It also introduces an aggressive conversational form that leads to dialogues In particular it is gratifying to discover that there is a specific frame in Jesus s dialogue evangelism method This book introduces it and also contains the way to use field materials and their effective means of conveying the truth in daily life and introduces the way how to cope with the frictions assaults that Jesus had shown

Understanding Religious Pluralism Peter C. Phan,Jonathan Ray,2014-08-01 Our contemporary world is fast becoming religiously diverse in a variety of ways Thanks to globalization and migration to mention only two current worldwide trends people of diverse and sometimes mutually hostile faiths are now sharing neighborhoods and encountering one another s religious traditions on a daily basis For scholars in religious studies and theology the issue to be examined is whether religious diversity is merely the result of historical development and social interaction or whether it is inherent in the object of belief part of the very structure of faith and our attempts to understand and express it The essays in this volume range from explorations of the impact of religious diversity on religious studies to examples of interfaith encounter and dialogue and current debates on Christian theology of religion These essays examine not only the theoretical issues posed by religious pluralism to the study of religion and Christian theology but also concrete cases in which religious pluralism has been a bone of contention Together they open up new vistas for further conversation on the nature and development of religious pluralism
