Jesus And The Quest For Meaning:

Jesus and the Quest for Meaning Thomas H. West, A new approach to introducing theology As God s self communication to humans Jesus is the key to the human search for meaning argues Thomas West He therefore introduces the practice of theology through Christology From the question of personal meaning and self constitution and their relationship to transcendent meaning and value he proceeds to discuss the figure and import of Jesus and then the ethical imperative engendered through encounter with him Fresh and clear West s book is an invitation to grapple with one s religious commitments especially in light of recent insights in biblical studies and Continental feminist and liberation theologies This new text will prove an engaging and effective introduction to theological thinking for both undergraduates and Christian adults

Is the Quest for Meaning the Quest for God? Wessel Stoker,1993 **The Jesus Handbook** Jens Schröter,Christine Jacobi,2022-11-17 An authoritative handbook on Jesus his world the outcomes of his life and the quests to locate him in history The Jesus Handbook is an indispensable reference work featuring essays from an international team of renowned scholars on the significance and meaning of the life of Jesus of Nazareth Rooted in historical critical methodology it emphasizes a diversity of perspectives and provides a spectrum of possible interpretations rather than a single unified portrait of Jesus The Handbook s dozens of authors Jewish Roman Catholic and Protestant all remain committed to the principle of interpreting the life of Jesus in context while also giving due diligence to the implications of archaeological evidence and recent discourses in the hermeneutics of history After an introduction that lays out the considerations of the task at hand the authors survey the history of Jesus research and take a close look at the historical material itself textual and otherwise From this foundation the Handbook then details the life of Jesus before at last exploring the reception and effects of Jesus s life after his death especially in the first centuries CE With this wealth of information available in a single volume scholars and students of the New Testament and early Christianity and anyone interested in the search for the historical Jesus will find The Jesus Handbook to be a resource that they return to time and again for both its breadth and depth

The Philosophy of Christology Hue Woodson,2022-01-31 Given the perpetual problem of the historical Jesus there remains an ongoing posing of the question to and a continuous seeking of the meaningfulness of Christology From the earliest reckoning with the relationship between

Jesus of Nazareth and the Christ of faith what it means to do Christology today remains at the methodological center of the task and scope of every systematic theology Whether giving an account of Albert Schweitzer's bringing an end to the quest for the historical Jesus in 1906 or attending to Rudolf Bultmann's period of no quest culminating with his demythologization project in the 1940s how we still think of Christology as a matter of questions and concerns with meaning speaks to an unavoidable philosophizing of Christology In this way The Philosophy of Christology offers both a particular history of Christology in conjunction with a particular philosophy of Christology which assesses the theological contributions by a group of Bultmannians following Bultmann in the 1950s and 1960s up to what can be reimagined by repurposing Jacques Derrida's philosophical question into the meaning of love in 2002 Focus on Jesus Gerald O'Collins, Daniel Kendall, 1996 Two eminent Jesuit theologians on the question of Jesus and his identity sometimes in confrontation with other theologians Publisher Malthus, Medicine & Morality Brian Dolan, 2000 Thomas Robert Malthus's reputation has lately been rehabilitated in the fields of social biology demography environmentalism and economics In the midst of this current interest and with the chance to mark the occasion of the bicentenary of the first edition of the Essay on Population 1798 the contributors to this volume take this timely opportunity to examine the historical conditions in which Malthus constructed his theory and in which the concept of a Malthusian and Neo Malthusian philosophy first emerged The essays redress the balance between Malthus's original argument the immediate responses to Malthus by medics and theologians in Britain and on the Continent and some of the ways that his ideas were later attacked appropriated or misrepresented Included here are essays that not only re-evaluate the development of Malthus's theory but also offer critical perspectives on the generation of the Malthusian league and debates about birth control in Britain and on the Continent and Malthus's influence on the emergence of social science and Darwinian evolutionary biology Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **A Theology of the New Testament** George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

The Future of Christology Dong-Kun Kim, 2019-06-28 The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ should change accordingly for a Christology

that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context

How to Ruin Your Education and TV Viewing Spencer D. Gear, 2022-03-31 What will you do as a parent if your fourteen year old comes home from school and says You and the teachers have been telling me Columbus discovered the Americas You ve lied to me because that isn t true There are no such things as facts and I decide the meaning of what is written in my textbooks I m the one who chooses the interpretation of any writing including history and the stories of Columbus How are you going to answer especially in light of what the Encyclopaedia Britannica states about Columbus This book examines how historical Jesus scholar John Dominic Crossan has dismantled education TV viewing by application

and religious studies with his postmodern deconstruction of the text His theme is I formulate it here as I see it Texts and interpretations are out of the mind of Crossan Using a hypothesis testing technique the author challenges Crossan's perspective that Jesus's resurrection was an apparition and not a bodily resurrection Even though he calls on others to First read the text that is not what he does The philosophical crusher has found him out to be contradictory in his assessment of history in his autobiography and his own writings on the historical Jesus

I Am Put Here for the Defense of the Gospel Terry L. Miethe, 2016-04-19 Dr Norman L Geisler has been called the father of evangelical Christian philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken or debated in more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler's ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God

A Poetics of Jesus Jeffrey F. Keuss, 2018-10-24 This title was first published in 2002 A Poetics of Jesus explores the act of writing within and between the boundaries of 19th century biblical criticism and fiction Reflecting on the work of Christian poetics after Augustine to Baur Feuerbach Friedrich Strauss and Victorian novelists of the eighteenth and nineteenth century this book breaks new ground in juxtaposing the evoked image of Christ arising from Victorian biblical criticism against the image of Christ within fiction letting both these images and the words that figured them interact This book offers a highly accessible introduction to 19th century literature and theology through comparisons made to contemporary post modern theorists Demonstrating how literature can inform theology without itself becoming theology this book constitutes an important contribution to the literature theology debate and a much needed contribution to contemporary Christology through its introduction to the literature and the writers central to the beginnings of the historical quest for Jesus

Bird,2013-10-29

Evangelical Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure
