Questions About Salvation S. Michael Houdmann, 2014-04-03 Salvation is the rich and rewarding theme of Scripture From beginning to end we see a God who seeks the lost in order to forgive their sins and restore their fellowship According to 1 Peter 1:10 Concerning this salvation the prophets who spoke of the grace that was to come to you searched intently and with the greatest care We should want to know more about it too There is nothing more important than our response to God's grace Near the end of his life hymn writer John Newton said My memory is nearly gone but I remember two things that I am a great sinner and that Christ is a great Savior It is in fact vital to have a biblical understanding of salvation Questions such as Who can be saved What is the gospel and Why did Jesus have to die are of primary importance Fortunately the Bible answers these questions and many more This book takes one hundred questions about salvation and addresses them with God's Own Word The Lord the Author of salvation came to seek and to save what was lost Luke 19:10 and He is the focal point of these answers

The Conclusion of the New Testament (7) Witness Lee, In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths

contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does

Dr. Richard A. NeSmith,2025-04-28 Has our faith lost its way In our time Christian language is being weaponized to advance political agendas blurring the line between faith and nationalism Many believers are unknowingly swept into a movement that claims to honor Christ but distorts His Kingdom This book doesn t tiptoe It confronts With boldness and biblical conviction it challenges the Church to examine where our true allegiance lies and whether we ve traded the cross for a flag This is a call to spiritual warfare not against people but against deception It s time to reclaim a faith rooted in Christ alone one that transforms us from the inside out and restores our witness in a world desperate for truth In an age of confusion this book equips readers to discern the difference between cultural loyalty and biblical fidelity Whether curious conflicted or concerned this is a wake up call for every Christian who longs to follow Jesus more faithfully in a deeply divided world
