Howard Clark Kee

# Jesus In History An Approach To The Study Of The Gospels

**Brendan G. Carr**

## **Jesus In History An Approach To The Study Of The Gospels:**

**Jesus in History** Howard Clark Kee, 1970 This text is a study of the historical Jesus Specific literary sources are referenced Roman and Jewish historians the individual gospels and other early Christian sources Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church

**Studying the Historical Jesus** Darrell L. Bock, 2002-07-01 Interest in the historical Jesus continues to occupy much of today s discussion of the Bible The vexing question is how the Jesus presented in the Gospels relates to the Jesus that actually walked this earth Studying the Historical Jesus is an introductory guide to how one might go about answering that question by doing historical inquiry into the material found in the Gospels Darrell Bock introduces the sources of our knowledge about Jesus both biblical and extra biblical He then surveys the history and culture of the world of Jesus The final chapters introduce some of the methods used to study the Gospels including historical redaction and narrative criticisms Bock a well respected author provides an informed evangelical alternative to radical projects like the Jesus Seminar His audience however is not limited only to evangelicals This book written for college and seminary courses offers an informed scholarly approach that takes the Gospels seriously as a source of historical information

**Excavating Q** John S. Kloppenborg, 2000 In this tour de force the author offers a comprehensive

introduction to the study of Q the collection of Jesus sayings long hypothesized as the source for the canonical gospels of Matthew and Luke Part I deals with the methods for studying Q their presuppositions and a survey of current research Part II addresses more theological and theoretical issues relevant to the Synoptic Problem Q as a document its redaction and its social setting

**Jesus Christ in History and Scripture** Edgar V. McKnight, 1999 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus The first part of the book shows that precritical critical and postcritical epochs and attitudes all alive today support different sorts of knowledge concerning Jesus historical reconstructions historic memory and appropriations imaginative poetic and artistic creations and theological formulations and that the Gospels themselves Support different sorts of knowledge and approaches The Gospels were composed by Christians who combined historical information and historic memory in imaginative ways to present a Jesus who was relevant to their congregations as he was to the earliest disciples The creative contribution that readers of the Gospels make in their reconstructions of Jesus is a recapitulation of the creative activities of the earliest evangelists The central section of the book provides a philosophical rationale for correlating the historical critical methods of biblical scholars and the rationalist methods of theologians and for correlating these modern Enlightenment modes of knowledge with feeling lived experience and praxis It also traces the attempts to do justice to the historical Jesus with particular attention to the different philosophical and theological presuppositions supporting the different attempts A final section discusses the values of non foundationlist hermeneutical approaches for the broader questions of the use and authority of the Bible In the end ecumenical rather than divisive approaches are advocated Different ways of doing church and different ways of discovering and creating truth demand an ecumenical approach

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 11 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:26 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the

kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

**Dictionary of Jesus and the Gospels** Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

*The Gospels and Acts* Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the Gospels and Acts excerpted from the Fortress Commentary on the Bible The New Testament engages readers in the work of biblical interpretation Contributors from a diversity of perspectives connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Matthew through Acts includes an introduction and commentary based on three lenses ancient context the interpretive tradition and contemporary questions and challenges The Gospels and Acts introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation

**Hermeneutics and Early Christian Gospels** Todd Brewer ,2025-03-17 Mark's Gospel C. Clifton Black,2023-05-11 A culmination of contemporary scholarship on the Gospel of Mark A preeminent scholar of the Gospel of Mark C Clifton Black has been studying and publishing on the Gospel for over thirty years This new collection brings together his most pivotal work and fresh investigations to constitute an all in one compendium of contemporary Markan scholarship and exegesis The essays included cover scriptural commentary historical studies literary analysis theological argument and pastoral considerations Among other topics Black explores the Gospel's provenance authorship and attribution the significance of redaction criticism in Markan studies recent approaches to the Gospel's interpretation literary and rhetorical analyses of the Gospel's narrative the kingdom of God and its revelation in Jesus Mark's theology of creation suffering and discipleship the Gospel of Mark's relationship to the Gospel of John and Paul's letters the passion in Mark as the Gospel's recapitulation Scholars advanced students and clergy alike will consider this book an indispensable resource for understanding the

foundational Gospel      **Fortress Commentary on the Bible set** Gale A. Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02 The Fortress Commentary on the Bible The Old Testament and Apocrypha and Fortress Commentary on the Bible The New Testament present a balanced synthesis of current scholarship on the Bible enabling readers to interpret scripture for a complex and pluralistic world Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context discuss the themes in each book that have proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitment Protestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay      *Journal of Biblical Literature* ,1973      **What Are the Gospels?** Richard A. Burridge, 2004-08-09 The publication of Richard Burridge's What Are the Gospels in 1992 inaugurated a transformation in Gospel studies by overturning the previous consensus about Gospel uniqueness Burridge argued convincingly for an understanding of the Gospels as biographies a ubiquitous genre in the Graeco Roman world To establish this claim Burridge compared each of the four canonical Gospels to the many extant Graeco Roman biographies Drawing on insights from literary theory he demonstrated that the previously widespread view of the Gospels as unique compositions was false Burridge went on to discuss what a properly biographical perspective might mean for Gospel interpretation which was amply demonstrated in the revised second edition reflecting on how his view had become the new consensus This third twenty fifth anniversary edition not only celebrates the continuing influence of What Are the Gospels but also features a major new contribution in which Burridge analyzes recent debates and scholarship about the Gospels Burridge both answers his critics and reflects upon the new directions now being taken by those who accept the biographical approach This new edition also features as an appendix a significant article in which he tackles the related problem of the genre of Acts A proven book with lasting staying power What Are the Gospels is not only still as relevant and instructive as it was when first published but will also doubtlessly inspire new research and scholarship in the years ahead Provided by publisher      **Called by the Gospel** Michael Paul

Middendorf, Mark Schuler, 2007-07-15 *Called by the Gospel* is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective. In keeping with the predominant place of the gospel in Lutheran theology, this introductory volume on the New Testament carries the same title as the series. Called by the Gospel Readers will find within its pages a high view of the Christian Scriptures, explanation of key texts with careful attention to the historical and cultural contexts, particular focus on the presentation of Jesus by the various texts, and a conversational style that seeks to convey the message of the text for contemporary times. Although the book was written with university students in mind, any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights. This book builds on material presented in the first volume of the series, *Called to be God's People*, and supplements its contents with maps, photos, suggested readings, discussion questions, and a glossary. Together, these two volumes prepare the university student for an in-depth consideration of Christian doctrine in *Called to Believe, Teach, and Confess*. [The New Testament Today](#)

Mark Allan Powell, 1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies. Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student. *"Let the Little Children Come to Me"*

Cornelia B. Horn, John W. Martens, 2009 Providing a wealth of detail about childhood and family structure, this book explores the hidden lives of children at the origins of Christianity. *Let the Little Children Come to Me* pays careful attention to the impact of gender, class, and slave status on children's lives.

**Biblical Interpretation in Early Christian Gospels**

Thomas Hatina, 2008-10-18 The second title in a proposed five-volume work, volume two following on from the volume on Mark's Gospel, concentrates on Matthew's Gospel. Contributors consider the function of embedded scripture texts in the context of the Gospels, written and read, heard in their early Christian settings. The project is wide-ranging, with essays on the function of scripture in the compositional history of the gospels, and the collection is broad in scope as a result of current interest in the integration of methods, especially historical and narrative ones. Advancements over the last 20 years in the study of genre and narrative criticism have left a void in the study of the function of embedded biblical texts in the Gospels. This collection of essays will move the study of scripture within scripture forwards.

**Jesus in History**

Patrick Wanjiku, 2025-03-25 Who was the historical Jesus? Was he merely a religious figure, or did he leave a lasting impact on history beyond theological interpretations? *Jesus in History* offers a groundbreaking exploration into the life, teachings, and historical context of Jesus, separating faith from fact. Through meticulous research, Patrick Wanjiku delves into Jewish, Roman, and early Christian sources, uncovering non-biblical references to Jesus and his influence on first-century Judea. Archaeological evidence and historical methodologies further illuminate his interactions with political authorities, religious groups, and ordinary people of the time. By analyzing key texts, including Josephus, Tacitus, and the Talmud, this book reconstructs Jesus' historical presence beyond Gospel narratives. Whether you are a historian, a student of religious studies, or someone seeking to understand Jesus beyond the realm of faith,

this book offers an unbiased scholarly perspective It addresses critical questions How did Jesus navigate Roman rule What role did Jewish messianic expectations play in his legacy What can archaeology reveal about his time Step beyond theological interpretations and uncover the real Jesus within history Order Jesus in History today and embark on a fascinating journey into one of the most debated figures of all time      *The Place of Christ in Modern Theology* Andrew Martin Fairbairn, 1893

**The Cambridge Companion to Jesus** Markus Bockmuehl, 2001-11-08 This Companion takes as its starting point the realization that Jesus of Nazareth cannot be studied purely as a subject of ancient history a man like any other man History literature theology and the dynamic of a living worldwide religious reality all appropriately impinge on the study of Jesus The two parts of the book roughly correspond to the interdependent tasks of historical description and critical and theological reflection It incorporates the most up to date historical work on Jesus the Jew with the bigger issues of critical method the story of Christian faith and study and Jesus in a global church and in the encounter with Judaism and Islam Written by seventeen leading international scholars the book encourages students of the historical Jesus to discover the vital contribution of theology and students of doctrine to engage the Christ of faith as Jesus the first century Jew

The Top Books of the Year Jesus In History An Approach To The Study Of The Gospels The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Jesus In History An Approach To The Study Of The Gospels : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

### Jesus In History An Approach To The Study Of The Gospels Introduction

Jesus In History An Approach To The Study Of The Gospels Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Jesus In History An Approach To The Study Of The Gospels Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Jesus In History An Approach To The Study Of The Gospels : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive

for Jesus In History An Approach To The Study Of The Gospels : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Jesus In History An Approach To The Study Of The Gospels Offers a diverse range of free eBooks across various genres. Jesus In History An Approach To The Study Of The Gospels Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Jesus In History An Approach To The Study Of The Gospels Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Jesus In History An Approach To The Study Of The Gospels, especially related to Jesus In History An Approach To The Study Of The Gospels, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Jesus In History An Approach To The Study Of The Gospels, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Jesus In History An Approach To The Study Of The Gospels books or magazines might include. Look for these in online stores or libraries. Remember that while Jesus In History An Approach To The Study Of The Gospels, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Jesus In History An Approach To The Study Of The Gospels eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Jesus In History An Approach To The Study Of The Gospels full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Jesus In History An Approach To The Study Of The Gospels eBooks, including some popular titles.

### **FAQs About Jesus In History An Approach To The Study Of The Gospels Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Jesus In History An Approach To The Study Of The Gospels is one of the best book in our library for free trial. We provide copy of Jesus In History An Approach To The Study Of The Gospels in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Jesus In History An Approach To The Study Of The Gospels. Where to download Jesus In History An Approach To The Study Of The Gospels online for free? Are you looking for Jesus In History An Approach To The Study Of The Gospels PDF? This is definitely going to save you time and cash in something you should think about.
