Richard Bauckham

Jesus A Very Short Introduction:

Jesus: A Very Short Introduction Richard Bauckham, 2011-07-28 Bauckham shows that Jesus was devoted to the God of Israel with a special focus on God's fatherly love and compassion and like every Jewish teacher he expounded the Torah but did so in his own distinctive way *Jesus* Richard Bauckham, 2011 Jesus Christ is undoubtedly the best known and most influential human person in world history Richard Bauckham explores the life of the historical Jesus using the four Gospels to reconstruct his character showing how their differences provide us with an insight into more than one angle of a complex historical figure

The Bible: A Very Short Introduction John Riches, 2000-02-24 It is sometimes said that the Bible is one of the most unread books in the world yet has been a major force in the development of Western culture and continues to exert an enormous influence over many people's lives This Very Short Introduction looks at the importance accorded to the Bible by different communities and cultures and attempts to explain why it has generated such a rich variety of uses and interpretations It explores how the Bible was written the development of the canon the role of Biblical criticism the appropriation of the Bible in high and popular culture and its use for political ends ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *The New Testament: A Very Short Introduction* Luke Timothy Johnson, 2010-03-01 As ancient literature and a cornerstone of the Christian faith the New Testament has exerted a powerful religious and cultural impact But how much do we really know about its origins Who were the people who actually wrote the sacred texts that became part of the Christian Bible The New Testament A Very Short Introduction authoritatively addresses these questions offering a fresh perspective on the underpinnings of this profoundly influential collection of writings In this concise engaging book noted New Testament scholar Luke Timothy Johnson takes readers on a journey back to the time of the early Roman Empire when the New Testament was written in ordinary Greek koine by the first Christians The author explains how the Gospels Acts of the Apostles and Revelation evolved into the canon of sacred writings for the Christian religion and how they reflect a reinterpretation of the symbolic world and societal forces of first century Greco Roman and Jewish life Equally important readers will find both a positive and critical reading of the New Testament one that looks beyond its theological orientation to reveal an often surprising diversity of viewpoints This one of a kind introduction engages four distinct dimensions of the earliest Christian writings anthropological historical religious and literary to provide readers with a broad conceptual and factual framework In addition the book takes an in depth look at compositions that have proven to be particularly relevant over the centuries including Paul's letters to the Corinthians and Romans and the Gospels of John Mark Matthew and Luke Ideal for general readers and students alike this fascinating resource characterizes the writing of the New Testament not as an unknowable abstraction or the product of divine

intervention but as an act of human creativity by people whose real experiences convictions and narratives shaped modern Christianity

Leo Tolstoy: A Very Short Introduction Liza Knapp, 2019-05-24 War and Peace and Anna Karenina are widely recognised as two of the greatest novels ever written Their author Leo Tolstoy has been honoured as the father of the modern war story as an innovator in psychological prose and forerunner of stream of consciousness and as a genius at using fiction to reveal the mysteries of love and death At the time of his death in 1910 Tolstoy was known the world over as both a great writer and as a merciless critic of institutions that perpetrated bred or tolerated injustice and violence in any form Yet among literary critics and rival writers it has become a commonplace to disparage Tolstoy's thought while praising his art In this Very Short Introduction Liza Knapp explores the heart of Tolstoy's work Focussing on his masterpieces of fiction which have stood the test of time she analyses his works of non fiction alongside them and sketches out the core themes in Tolstoy's art and thought and the interplay between them Tracing the continuing influence of Tolstoy's work on modern literature Knapp highlights those aspects of his writings that remain relevant today

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The New Testament: A Very Short

Introduction Luke Timothy Johnson, 2010-04-22 A brief yet essential introduction to the New Testament that chronicles the real people and historical and literary movements that created it

The New Testament as Literature Kyle Keefer, 2008-10-24 Looking at the New Testament through the lens of literary study Kyle Keefer offers an engrossing exploration of this revered religious text as a work of literature but also keeps in focus its theological ramifications Unique among books that examine the Bible as literature this brilliantly compact introduction offers an intriguing double edged look at this universal text a religiously informed literary analysis The book first explores the major sections of the New Testament the gospels Paul's letters and Revelation as individual literary documents Keefer shows how in such familiar stories as the parable of the Good Samaritan a literary analysis can uncover an unexpected complexity to what seems a simple straightforward tale

Secularism: A Very Short Introduction Andrew Copson, 2019-07-11 Until the modern period the

integration of church or other religion and state or political life had been taken for granted The political order was always tied to an official religion in Christian Europe pre Christian Europe and in the Arabic world But from the eighteenth century onwards some European states began to set up their political order on a different basis Not religion but the rule of law through non religious values embedded in constitutions became the foundation of some states a movement we now call secularism In others a de facto secularism emerged as political values and civil and criminal law altered their professed foundation from a shared religion to a non religious basis Today secularism is an increasingly hot topic in public political and religious debate across the globe It is embodied in the conflict between secular republics from the US to India and the

challenges they face from resurgent religious identity politics in the challenges faced by religious states like those of the Arab world from insurgent secularists and in states like China where calls for freedom of belief are challenging a state imposed non religious worldview In this Very Short Introduction Andrew Copson tells the story of secularism taking in momentous episodes in world history such as the great transition of Europe from religious orthodoxy to pluralism the global struggle for human rights and democracy and the origins of modernity He also considers the role of secularism when engaging with some of the most contentious political and legal issues of our time blasphemy apostasy religious persecution religious discrimination religious schools and freedom of belief and freedom of thought in a divided world Previously published in hardback as *Secularism Politics Religion and Freedom* ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Christianity: A Very Short Introduction Linda Woodhead, 2004-11-25 At a time when Christianity is flourishing in the Southern hemisphere but declining in much of the West this Very Short Introduction offers an important new overview of the world's largest religion Exploring the cultural and institutional dimensions of Christianity and tracing its course over two millennia this book provides a fresh lively and candid portrait of its past and present Addressing topics that other studies neglect including the competition for power between different forms of Christianity the churches uses of power and their struggles with modernity Linda Woodhead concludes by showing the ways in which those who previously had the least power in Christianity women and non Europeans have become increasingly central to its unfolding story ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Christianity Linda Woodhead, 2014 This is a short accessible analysis of Christianity that focuses on its social and cultural diversity as well as its historical dimensions

Jesus Monotheism Crispin Fletcher-Louis, 2015-07-29 This is the first of a four volume groundbreaking study of Christological origins The fruit of twenty years research Jesus Monotheism lays out a new paradigm that goes beyond the now widely held view that Paul and others held to an unprecedented Christological monotheism There was already in Second Temple Judaism and in the Bible a kind of christological monotheism But it is first with Jesus and his followers that a human figure is included in the identity of the one God as a fully divine person Volume 1 lays out the arguments of an emerging consensus championed by Larry Hurtado and Richard Bauckham that from its Jewish beginnings the Christian community had a high Christology and worshipped Jesus as a divine figure New data is adduced to support that case But there are weaknesses in the emerging consensus For example it underplays the incarnation and does not convincingly explain what caused the earliest Christology

The recent study of Adam traditions the findings of Enoch literature specialists and of those who have explored a Jewish and Christian debt to Greco Roman Ruler Cult traditions all point towards a fresh approach to both the origins and shape of the earliest divine Christology

God: A Very Short Introduction John Bowker, 2014-09-25 Who or what is God How do different religions interpret God's existence How can we know God Many people believe in God not just throughout history but also in the present day But who or what is it they believe in Many different and sometimes conflicting answers have been suggested to this question This Very Short Introduction explores some of the answers provided by philosophers poets and theologians and considers why some people believe in God and others do not John Bowker explores how the major religions established their own distinctive beliefs about God and how they interpret God's existence and concludes by looking at how our understanding of God continues to evolve

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

S Lewis vs the New Atheists Peter S Williams, 2013-02-01 The book will counter the new atheist movement using the arguments of C S Lewis thereby appealing to readers interested in both loci and showing that there is nothing especially new about the new atheism How might C S Lewis the greatest Christian apologist of the twentieth century respond to the twenty first century new atheism of Richard Dawkins Christopher Hitchens and company Might Lewis own journey from atheism to Christian belief illuminate and undercut the objections of the new atheists Christian philosopher Peter S Williams takes us on an intellectual journey through Lewis conversion in conversation with today's anti theists This book shows the breadth depth and durability of Lewis's Christian apologetics Michael Ward chaplain at St Peter's College Oxford

Christianity Alister E. McGrath, 2015-01-27 Now available in a fully revised and updated new edition this popular textbook by one of the world's leading theologians offers a lively jargon free introduction to Christianity Features a wealth of new material on global Christianity American Christianity the Orthodox Church current theological debates and Christianity in relation to other world religions Includes enhanced and expanded student friendly features including numerous illustrations suggestions for further reading a glossary of Christian terms and brief readings from primary Christian sources Written in an accessible and engaging style that assumes no prior knowledge of Christian beliefs or practices making it an invaluable resource for beginners to the subject as well as those looking for a refresher Incorporates coverage of Catholicism Orthodoxy Protestantism Evangelicalism and Pentecostalism A glossary related websites and other resources from Dr McGrath are available online at www.alistermcgrathwiley.com

The Oxford Handbook of Early Christian Apocrypha Andrew F. Gregory, Christopher Mark Tuckett, Tobias Nicklas, 2015 The Oxford Handbook of Early Christian Apocrypha addresses issues and themes that arise in the study of early Christian apocryphal literature It discusses key texts including the Gospel of Thomas the Gospel of Mary the Gospel of Peter letters attributed to

Paul Peter and Jesus and acts and apocalypses written about or attributed to different apostles Part One consists of authoritative surveys of the main branches of apocryphal literature gospels acts epistles apocalypses and related literature and Part Two considers key issues that they raise These include their contribution to our understanding of developing theological understandings of Jesus the apostles and other important figures such as Mary It also addresses the value of these texts as potential sources for knowledge of the historical Jesus and for debates about Jewish Christian relations the practice of Christian worship and developing understandings of asceticism gender and sexuality etc The volume also considers questions such as which ancient readers read early Christian apocrypha their place in Christian spirituality and their place in contemporary popular culture and contemporary theological discourse Jesus's Identification with the Marginalized and the Liminal Bekele Deboch Anshiso,2018-05-06 The first century Judaic understanding of the identity and nature of the Messiah has been a much debated topic among biblical scholars and preachers alike So too has the messianic identity and nature of Jesus himself Bekele Deboch informs these debates with fresh evidence outside the traditional scriptural references to miracles and supernatural identifications by demons and God himself as well as earthly identification by human beings With thorough narrative criticism and analysis of contemporaneous literature this book brings insightful new conclusions that transform our understanding of the biblical messianic identity revealed in the person of Jesus Jesus not only self identified with the marginalized and liminal but also experienced extreme marginality himself to the point of shameful death on a tree Jesus church around the world has the responsibility to herald his messianic identity and salvation to the marginalized of today Bekele Deboch has followed Christ's example of walking with the marginalized and makes here a powerful case for the church to do the same *The Voices of the New Testament* Derek Tidball,2016-10-06 Is there a single message of the New Testament Envisioning a conversation among nine different authors of twenty seven different books Derek Tidball reveals how much they have in common in their articulation of the good news The result of eavesdropping on their imagined discussion is a fascinating introduction to the diversity and unity of the New Testament *Outgrowing God?* Peter S. Williams,2020-09-30 Join a cast of characters with different perspectives thinking through some of the biggest questions in life as they discuss atheist Richard Dawkins's book *Outgrowing God A Beginner's Guide* Written in the form of a dialogue between members of a student book club *Outgrowing God A Beginner's Guide* to Richard Dawkins and the God Debate encourages critical thinking about Professor Dawkins's arguments concerning God Jesus and the Bible *The Insurgency of the Spirit* Robert E. Shore-Goss,2020-10-06 The *Insurgency of the Spirit* taps multi disciplinary methodologies of post colonial biblical scholarship and anthropology liberation theologies indigenous studies grief trauma research and nature meditation writings to shape a constructive retrieval of the animist Jesus The vision that emerges is one that sets forward an Earth loving Jesus who challenges Christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems *A Way of Reading John's Gospel* Graeme Finlay,2024-11-21 John's

Gospel presents a compelling eyewitness account of Jesus mission It is written in simple language but consists of a rich profusion of ideas and themes that challenge the most learned scholars and can overwhelm the understanding of ordinary readers Surprisingly part of this complexity arises from the observation that the text appears to be rich in chiastic structures This literary form is a Jewish style of writing in which a series of ideas or themes is developed and then repeated in reverse order This pattern may be represented as for example A B C D D C B A When the reader takes cognizance of this literary convention the multiplicity of ideas falls into a more tractable pattern This book is written by a layman for other ordinary readers in the hope that it will facilitate understanding of this Gospel in church and home study groups Bible classes and schools and family and personal devotions

Getting the books **Jesus A Very Short Introduction** now is not type of inspiring means. You could not lonesome going with books addition or library or borrowing from your connections to admittance them. This is an certainly easy means to specifically acquire lead by on-line. Jesus A Very Short Introduction Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Jesus A Very Short Introduction free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Jesus A Very Short Introduction free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Jesus A Very Short Introduction free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Jesus A Very Short Introduction. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Jesus A Very Short Introduction any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Jesus A Very Short Introduction Books

What is a Jesus A Very Short Introduction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Jesus A Very Short Introduction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Jesus A Very Short Introduction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Jesus A Very Short Introduction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Jesus A Very Short Introduction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors

like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
