*The Global Flows of Early Scottish Photography* Anthony W. Lee, 2019-05-30 Almost immediately after the invention of photography Scottish photographers took their clunky cameras on the road to capture the stories of peoples and communities touched by the forces of British imperialism For the next thirty years their journeys would take them far from their homes in the Lowlands to the Canadian wilderness and the treaty ports and rivers of China The Global Flows of Early Scottish Photography is about the interplay between these photographers ambitions and the needs and desires of the people they met Anthony Lee tracks the work of several famous innovators of the art form including the pioneering team of D O Hill and Robert Adamson in Edinburgh Canada s first great photographers the Scottish immigrants William Notman and Alexander Henderson in Montreal the globetrotting John Thomson in Hong Kong and Lai Afong the first widely known Chinese photographer Lee reveals their pictures in the context of migration and the social impact wrought by worldwide trade and competing nationalisms A timely book it tells of an era when cameras emerged to give shape and meaning to some of the most defining moments brought about by globalization in the nineteenth century Beautifully written and richly illustrated in full colour The Global Flows of Early Scottish Photography weaves stories together to show that even the earliest pictures were sites of fierce historical struggle

**Cambodia Captured** Jim Mizerski, 2016-01-01 This book accurately chronicles the creation of the French Protectorate of Cambodia through the accounts of the people who actually participated in its inception and in the context of the political intrigues of that time and place involving Cambodia Siam France and Great Britain In the same decade of the 1860 s two other related treaties complicated and then resolved the protectorate treaty Drawing on the same historical context this new book commemorates the 150th anniversary in 2016 of the beginning of photography in Cambodia presenting over 145 rare engravings maps and the remarkable first photographs captured at Angkor and Phnom Penh by John Thomson and Emile Gsell decades before photographic film was even invented On February 26 1866 John Thomson arrived at Angkor Wat to capture the first photographs there Four months later Emile Gsell s historic photographs at Angkor also marked the beginning of the French expedition led by Commander Doudart de Lagr e to explore the then uncharted Mekong River from Cambodia to the north of China one of the great and most courageous expeditions of exploration in recent centuries In the end France captured Cambodia Siam captured Angkor King Norodom captured the crown and the throne of Cambodia and for at least a short time the independence of the kingdom John Thomson and Emile Gsell captured the first photographs at Angkor and Ernest Doudart de Lagr e was captured by duty adventure and the affection of a little Cambodian boy named Chhun

**Finale, The Royal Cremations of Norodom and Norodom Sihanouk, Kings of Cambodia** Jim Mizerski, 2013-10-11 Descriptions and Photographs of the events surrounding the deaths and cremations of King Norodom and King Father Norodom Sihanouk of Cambodia

**Troubling the Water** Abby Seiff, 2022-03 In this intimate account of one of the world s most productive inland fisheries Troubling the Water explores

how the rapid destruction of a single lake in Cambodia is upending the lives of millions The abundance of Cambodia's Tonle Sap Lake helped grow the country for millennia and gave rise to the Kingdom of Angkor Fed by the rich mud-colored waters of the powerful Mekong River the lake owes its vast bounty to an ecological miracle that has captivated poets artisans and explorers throughout history But today the lake is dying Hydropower dams hold back billions of gallons of water and disrupt critical fish migration paths On the lake illegal fishing abetted by corruption is now unstoppable A fast changing climate meanwhile has seen a string of devastating droughts Troubling the Water follows ordinary Cambodians coping with the rapid erasure of a long held way of life Drawing on years of reporting in Cambodia Abby Seiff traces the changes on the Tonle Sap weaving together vivid stories of those most affected with sharp insight into one of the most threatened lakes in the world For the millions who depend on it the stakes couldn't be higher

*Epistemology of the Past* Theara Thun, 2024-08-31 The encounter of indigenous history making tradition with Western historical practice has been long neglected in Southeast Asian scholarship Theara Thun offers one of the first critical and systematic studies of the interface between these two distinctive modes of historical presentation and their impacts on society By examining historical discourses on Cambodia through the precolonial colonial and post independence years he presents a compelling account of indigenous scholars with varying perspectives who advocated competing versions of history Thun argues that new discourses about national history emerged by drawing on reconfiguring combining or in many cases rejecting older discourses of precolonial historical scholarship *Epistemology of the Past* examines how certain types and forms of historical knowledge are created understood and used within a given context and how that knowledge has evolved over time The book brings together and critically explores a large collection of original manuscripts and printed texts notably Khmer chronicle manuscripts and colonial era works of French scholar officials Thun's analysis discloses multilayers of intellectual traditions and diverse views of Cambodian and more broadly Southeast Asian scholars engaging with European colonial scholarship In addition to contributing to the multidisciplinary field of Cambodian and Southeast Asian studies *Epistemology of the Past* will be essential reading for those interested in intellectual history transculturation historiography intertextual studies narrative studies literature colonialism and nationalism

*Photography in Cambodia* Nicholas Coffill, 2022-07-05 A stunning visual journey through Cambodian culture history art struggle and modernization Cambodia has two parallel histories One is the constant stream of adventurers and diplomats kings and rebels archaeologists and artists drawn to the magnificent ruins at Angkor Another is the formation of a nation through the Cambodian people's fierce struggles with colonialism war revolution famine and finally the long road to recovery This book captures these parallel stories through the eyes of talented photographers who were present to record such events The images which include many rare and never before published photos are drawn from archives national collections libraries and private collections This treasure trove of nearly 500 photographs showcases the work of over 100 photographers including pioneering female photographers Cambodian and international photographers and some who died

soon after the rise of the Khmer Rouge Within these pages readers will find a fresh perspective on Cambodia From the early days of French colonialism through the struggle for independence and emergence into an uneasy peace in the 21st century

**Angkor Wat - A Transcultural History of Heritage** Michael Falser,2019-12-16 This book unravels the formation of the modern concept of cultural heritage by charting its colonial postcolonial nationalist and global trajectories By bringing to light many unresearched dimensions of the twelfth century Cambodian temple of Angkor Wat during its modern history the study argues for a conceptual connected history that unfolded within the transcultural interstices of European and Asian projects With more than 1 400 black and white and colour illustrations of historic photographs architectural plans and samples of public media the monograph discusses the multiple lives of Angkor Wat over a 150 year long period from the 1860s to the 2010s Volume 1 Angkor in France reconceptualises the Orientalist French colonial discovery of the temple in the nineteenth century and brings to light the manifold strategies at play in its physical representations as plaster cast substitutes in museums and as hybrid pavilions in universal and colonial exhibitions in Marseille and Paris from 1867 to 1937 Volume 2 Angkor in Cambodia covers for the first time in this depth the various on site restoration efforts inside the Archaeological Park of Angkor from 1907 until 1970 and the temple s gradual canonisation as a symbol of national identity during Cambodia s troublesome decolonisation 1953-89 from independence to Khmer Rouge terror and Vietnamese occupation and finally as a global icon of UNESCO World Heritage since 1992 until today Congratulations to our author Michael Falser who received the prestigious 2021 ICAS Book Prize in the Ground Breaking Subject Matter category

**The Justice Facade** Alexander Hinton,2018-03-16 What is Justice Is it always just to come Can real experience be translated into law Examining Cambodia s troubled reconciliation Alexander Hinton suggests an approach to justice founded on global ideals of the rule of law democratization and a progressive trajectory towards liberty and freedom and which seeks to align the country with so called universal modes of thought is condemned to failure Instead Hinton advocates focusing on the individual lived experience and the discourses interstices and the combusive encounters connected with it as a radical alternative A phenomenology inspired approach towards healing national trauma Hinton s ground breaking text will make anybody with an interest in transitional justice development humanitarian intervention human rights or peacebuilding question the value of an established truth
