The Essential Guide to Managing Small Business Growth Peter Wilson, Sue Bates, 2005-01-21 A cliché it may be but we are living in ever more turbulent times Business decision making has become more challenging and unpredictable than ever we see unforeseen and often

cataclysmic changes in consumer demand both at home and in export markets customers continue to demand more more quickly and for less new laws and regulations abound competitors steal loyal customers and increasingly the advice that once could be found from a Small Business Adviser has been replaced by a call centre Hand in hand with these challenges the risks associated with expansion or a new strategy have grown significantly In the context of a small business where a manager has not necessarily had the breadth of experience of someone in a larger organization or formal management learning they can seem extremely daunting This book addresses the issues confronting managers owners of SMEs by providing practical jargon free advice on which a SME can create a sound platform from which to prosper Uncomplicated and jargon free to appeal to the SME director or manager who has little time to read Can be used as a continuous read or a source of ideas for dealing with the day to day problems of running and growing a small business Based on the practical experience of the authors with examples taken from consulting practice

A Guide to Easier Living (Tips Not Taught in School) Joseph De Levie, 2006-02-01 A Guide to Easier Living is a short and concise guide for 18 to 30 year olds This guide is for you young people who are slowly but surely discovering that life is an ocean of struggles and need to meet each challenge by asking the difficult questions that schools didn't provide the answers You have very little equipment for the road ahead This short guide includes a selection of practical advice and useful tips that I've collected throughout my life A good tip or piece of advice at the right time can steer thought in useful directions and reveal simple solutions to complicated and stressful problems The basis of a successful life starts with our baptism of fire in areas that serve as guideposts in our lives How to prepare for a job interview How to achieve sexual satisfaction Whether to be self employed or not How to make money Yours Joseph De Levie
