The president of the United States is missing. Three years before Clinton and Patterson, another New York Times bestselling author of thirteen international thrillers. Joel C. Rosenberg posed this chilling scenario: What if the Islamic State captured the most valuable hostage in history? Award-winning journalist J. B. Collins, reporting from the scene of a devastating attack by ISIS terrorists in Amman, Jordan, puts the entire world on high alert: the U.S. president is missing and presumed captured. With Israeli and Palestinian leaders critically injured and Jordan's king fighting for his life, the allies are reeling and hopes for the peace process are dashed. As the U.S. government faces a constitutional crisis and Jordan battles for its very existence, Collins must do his best to keep the world informed while working to convince the FBI that his stories are not responsible for the terror attack on the Jordanian capital. And ISIS still has chemical weapons. Struggling to clear his name, Collins works frantically with the Secret Service to locate and rescue the leader of the free world before ISIS's threats become a catastrophic reality.

Family Matters Joel Rosenberg, 2004-07. When aging balding copyeditor Ernest Sparky Hemmingway no relation got a call from Tenishia, the daughter of his late Vietnam buddy George Washington, also no relation, he was faced with a choice: head out to Minneapolis to help her out of a jam or hang up the phone. He made the decision to help, and it changed his life. Along with his old army buddy Doc Holiday, you guessed it, no relation, Sparky faced down the bad guys and found out who caused Washington's death. Sparky chooses to give Tenishia a shot at a normal life and takes her back to the little North Dakota town of Hardwoods, filled with decidedly odd folks who just do what they have to in order to get along, a place where everybody knows everybody's else secrets but pretends they don't. When he begins the unenviable task of rearing an almost grown inner city teenager, many in the town think he's nuts. But this girl isn't just anybody, and the bonds and promises made in war sometimes last even longer than a man's life. Just when Sparky thinks he's got the hang of his new lifestyle, he gets roped into becoming a deputy sheriff and runs smack dab into a political wrangle over the possible building of a major trauma center in the town. The hospital could be just the thing to save a sleepy little hamlet that loses farm kids every year to the big cities. But Hardwoods isn't the only town that is vying for the honor and where people's jobs and lives are at stake. Is there any doubt that a dead body or two will join the party any minute? *The Beirut Protocol* Joel C. Rosenberg, 2021. From New York Times USA Today and Publishers Weekly bestselling author Joel C. Rosenberg. A game-changing peace treaty between Israel and the Saudis is nearly done. The secretary of state is headed to the region to seal the deal. And Special Agent Marcus Ryker is

leading an advance trip along the Israel Lebanon border ahead of the secretary's arrival. But when Ryker and his team are ambushed by Hezbollah forces a nightmare scenario begins to unfold. The last thing the White House can afford is a new war in the Mideast that could derail the treaty and set the region ablaze. U.S. and Israeli forces are mobilizing to find the hostages and get them home but Ryker knows the clock is ticking. When Hezbollah realizes who they've captured no amount of ransom will save them; they'll be transferred to Beirut and then to Tehran to be executed on live television. In the fourth installment of Rosenberg's gripping new series Marcus Ryker finds himself in the most dangerous situation he has ever faced: captured, brutalized, and dragged deep behind enemy lines. Should he wait to be rescued? Or try to escape? How? And what if his colleagues are too wounded to run? This is the CIA's most valuable operative as you have never seen him before. [Home Front](#) Joel Rosenberg, 2003-03

When aging balding copy editor Ernest Sparky Hemingway no relation gets a call from the daughter of his Vietnam buddy George Washington also no relation he is faced with a choice. He can head out to Minneapolis to help her out of a jam or hang up the phone and this phone call has the potential to turn Sparky's life upside down. He's managed to erect a pretty effective cocoon around himself over the last few years and no amount of aggravation or thoughts about his long gone ex-wife can get through his very carefully nurtured shell. He's very comfortable living well, maybe just existing in the little North Dakota town of Hardwoods filled with its decidedly odd folks who just do what they have to in order to get along where everybody knows everybody else's secret but pretends they don't. He's left alone and that's the way Sparky likes it. But you don't walk away from a promise. Especially when that promise was made to somebody who pulled your butt out of more unfriendly and friendly fire than a hailstorm of June bugs. You don't ask you just do. His fellow vet buddy Doc Holiday you guessed it no relation meets him in Minneapolis and tosses him a 45 which comes in handy when they run into a hard time with some gang bangers who are after the girl in question. They rescue Washington's teenage daughter Tenisha and Doc and Sparky split up. Sparky taking Tenisha and her cat back to his place. Between dealing with the aforementioned gang bangers the Minneapolis police who are hassling Sparky, Doc's brain tumor and the mostly white town Sparky lives in taking umbrage at the color of Tenisha's skin not to mention having to haul a four-month pregnant neighbor and her baby to his house for safety during a blizzard Sparky thinks he's handling himself pretty well. And then things start to get weird.

The Libyan Diversion Joel C. Rosenberg, 2023

The world's most wanted terrorist is dead. Marcus Ryker recommended the drone strike himself. The intelligence was rock solid. But what if it was wrong? Abu Nakba, the man responsible for lethal attacks in Washington, D.C., London, and Jerusalem is finally dead. Marcus Ryker has been tasked with hunting down and destroying what's left of the terror group Kairos. But before Ryker can mobilize his team of CIA operatives with their new assignment a disturbing report from Libya suggests all may not be as it seems. The U.S. bombing that should have taken out Nakba's headquarters now appears to have been a disastrous mistake and Ryker himself may be responsible. With Kairos gearing up for a major retaliatory strike against the U.S. time is short and terror cells may already be inside American

borders But Ryker won't be able to stop this threat until he clears his own name and his closest ally inside the White House can no longer help him The Libyan diversion threatens to leave Ryker on the sidelines just when his country needs him most
