Kruse, 2017-07-20 New exegetical commentary on the Gospel of John for preachers Bible teachers non specialists Among the Gospels John s is unique Its structure incorporates long conversations and extended debates and much of its content is not found elsewhere Jesus relationship to the Father and his teaching on the Holy Spirit are given special prominence Ultimately faith believing in Jesus is at the centre with signs highlighted to provoke faith and stories of those who responded to Jesus as examples of faith Colin Kruse ably shows how the Fourth Gospel weaves its themes of belief and unbelief into its rich Christology **Vital Signs** Harley Ihm, 2016-07-30 Vital Signs How to Monitor Your Spiritual Health turns to the passage in Johns gospel in which Jesus prays to His Father asking that His followers know unity with one another in their love for God Author Harley Ihm finds in this prayer for unity the inspiration for uncovering five vital signs that indicate ones spiritual health He describes the signs that point to the spiritual vitality of ones heart vision mind body and community Vital Signs devotes a chapter to each of these five signs of spiritual vitality drawing upon key biblical passages theological insights from the traditions of the church and reflective observations rooted in contemporary events Accompanying the discussion of the five vital signs are eleven steps for creating a plan for spiritual health These supplementary guides are suitable for either individual or group use They take the books insights as the starting points for developing plans to enable one to work out an approach for cultivating and maintaining spiritual health No matter where you find yourself in your spiritual journey Vital Signs How to Monitor Your Spiritual Health can provide you with a refreshing look at the hope and promise of true health that flows from Jesuss prayer and desires for His people By taking stock of your vital signs you can understand more clearly your current spiritual health and then make and carry out a plan for improving your spiritual fitness *Discourse on the State and Grandeurs of Jesus* Pierre de Bérulle, 2023-11-30 Pierre de Bérulle 1575 1629 is one of the foremost personalities of early modern Catholicism As the founder of the French school of spirituality he has exercised a profound influence on the Church from the seventeenth century to the present day Until now however very little of Bérulle s writings have been available in English This volume provides the first complete English translation of his best known work first printed in Paris in 1623 and titled Discourses on

the State and Grandeurs of Jesus by the Ineffable Union of the Deity with Humanity and the Submission and Servitude that Is Due Him and His Most Holy Mother in Response to This Wondrous State Composed in his maturity this work expresses B rulle s theology of the Man God whose self emptying has enabled us to become capable of God In contrast to other spiritual writers who taught that mystical union with God follows the extinction of all sensory and conceptual awareness and all activity of willing B rulle s focus is on the faithful soul s participation in what he calls Jesus states or inner dispositions The state that B rulle describes and honors supremely in this text is Jesus state of self emptying in the mystery of the Incarnation In the hypostatic union our humanity in Christ is lifted up to heaven and Christ is the first fruit of humanity made divine the firstborn among many brothers Through him we become children of God by adoption participants in God s divine being This is an outstanding translation conveying not only the meaning but also the beauty and rhetorical features of the original The Discourses will repay reading as a poignant source of personal devotion a primary text of the Catholic Reformation and a classic of spiritual theology

Sense Perception and Testimony in the Gospel According to John Sunny Kuan-Hui Wang, 2017-06-02 In this book Sunny Kuan Hui Wang explores the relationship between sense perception and testimony in the Gospel of John While Johannine scholars tend to focus on one or the other she shows that sense perception and testimony are both significant and are used together with the intention of drawing readers into the narrative so that they become witnesses in an emotionally engaged way It is argued that John s use of sense perception together with testimony is rooted in Jewish literature Yet John also employs a Graeco Roman rhetorical technique enargeia which appeals to the persuasive power of sense perception to make his narrative vivid John does not downplay sense perception Rather he uses it in the context of testimony as a means of persuasion to draw the readers in their imagination into the experience of the first disciples and thus deeper into faith and

witness *Discovering John* Ruth B. Edwards, 2015 In this student friendly introduction to the Gospel of John Ruth B Edwards illuminates the biblical text s content interpretation and historical reception What is the purpose of John s Gospel How does John relate to the religious thought of its day What is distinctive about its message How does it speak to our world today Is it anti Semitic Edwards expertly guides readers through such questions helping those interested in this provocative sometimes enigmatic Gospel to discover the answers for themselves Back cover **Christology and Discipleship in John 17** Marianus Pale Hera, 2013 Using the method of literary critical analysis to read the Johannine narrative Marianus Pale Hera underlines the profound relationship between the Johannine Christology and the Gospel s teaching on discipleship A narrative reading of selected passages from chapters 1-12 of John the prologue Jesus first disciples the first sign at Cana the man born blind and the I Am sayings indicates John s tendency to present christological teaching that leads to teaching on discipleship The reading of these passages also identifies the elements that indicate the christological character of Johannine discipleship The author s exegesis of John 17 confirms that John s teaching on Christology and discipleship are intimately interrelated to each other All the elements that indicate the christological character of discipleship are on display in John 17 The author concludes that Christology which is the center and heartbeat of John s thought is not an end in itself but leads to discipleship The twofold message of Christology and discipleship is a distinctive Johannine trait **The Assault on Priesthood** Lawrence B. Porter, 2012-07-20 The concept and institution of priesthood in the Catholic Church has been the subject of serious challenge not only since the time of the Protestant Reformation but also more recently from within the Catholic Church as the Second Vatican Council 1962-1965 and theologians afterward have reconsidered the place and function of priests in relation to both bishops and laity In dialogue with those challenges and by means of research into Scripture and the theological tradition patristic medieval and modern the author of this book considers classic images of priests and priestly ministry as a way of recovering an understanding of the priesthood that is at once both biblically and theological sound Unseen Jack Graham, 2013-08-01 When Dr Jack Graham was twenty years old he got the phone call no one wants to receive His father had been ruthlessly attacked and it became clear to young Jack that invisible forces of evil were involved He realized he needed to take the spiritual world more seriously because the real battles we face in life are between the powers of good and evil literally the armies of heaven and hell Through compelling stories practical guidance and biblical truth Dr Graham challenges popular opinions and persistent folklore about heaven and hell good and evil angels and Satan You will come away from this book enlightened about the supernatural world and encouraged that God can provide protection provision and power for whatever lies ahead Each chapter includes questions for group discussion or individual reflection Free online small group curriculum is also available We sometimes forget that the real powers in this world are spiritual rather than physical I m thrilled that in *Unseen* Jack Graham reminds us of the hidden battles we face and instills hope and assurance that believers will emerge victorious I highly recommend this insightful biblical and very personal

of women in Jesus day our view of the future is enlarged as believers as she looks at the prominence of women in the early church and then applies key principles in an effective way for our day If we want to lead like Jesus as Jesus defines leadership for us we must apply these foundational leadership principles to our times while still wrapping everything in the truth of the love of God for his people and his work

Forerunners of the Faith Teacher's Guide Nathan Busenitz,2020-07-07 Enter God s Story of Faithfulness to His People The Christian faith extends beyond our personal experiences our individual churches and far beyond our present age This for the Christian is great news When we become acquainted with the legacy of our Christian heritage we connect our stories to those of the faithful believers who have come before us This connection is precisely what Nathan Busenitz Dean of Faculty and professor of church history at The Master s Seminary seeks to provide Based on the bestselling Fundamentals of the Faith Forerunners of the Faith succinctly identifies thirteen key lessons that capture the trials and triumphs of the historical Church providing insight for how the ancient Christians responded to the problems of their day to become the pillars of faith we now consider them to be Forerunners of the Faith serves as spiritual encouragement as we remember the legacy of God s faithfulness to his people

From the Passion to the Church of the Holy Sepulchre Jordan J. Ryan,2021-01-14 Since the early 4th century Christian pilgrims and visitors to Judea and Galilee have worshipped at and been inspired by monumental churches erected at sites traditionally connected with the life and ministry of Jesus of Nazareth This book examines the history and archaeology of early Christian holy sites and traditions connected with specific places in order to understand them as interpretations of Jesus and to explore them as instantiations of memories of him Ryan s overarching aim is to construe these places as instantiations of what historian Pierre Nora has called lieux de m moires sites where memory crystallizes and where possible to track the course and development of the traditions underlying them from their genesis in the Gospel narratives to their eventual solidification in the form of pilgrimage sites So doing will bring rarely considered evidence to the study of early Christian memory which in turn helps to illuminate the person of Jesus himself in both history and reception

Spirituality in John's Gospel Gabriel-Mary Fiore,2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John s Gospel is widely admired as a

vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel's spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel's authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John's spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel's spirituality

Jesus in Isolation W. Scott Sager, 2021-03-08 In this world of illness and isolation distancing and death making sense of suffering has never been of more critical importance Jesus in Isolation invites us to Bethany to witness the illness of Jesus's best friend the spiritual isolation of both Jesus and Lazarus's sisters Martha and Mary and Lazarus's cruel and untimely death from an unseen illness as well as Jesus's unexplained absence as he distanced from his friends and missed the funeral Yet upon his late arrival Jesus announced the glory of God had been revealed in the midst of the isolation the distancing and even death He does this by proclaiming himself as Resurrection and Life and by absorbing into himself all the suffering and grief of his friends Join Jesus Lazarus and his sisters on a journey through the great issues of our time as they encounter devastating illness unanswered prayer the abandonment of God senseless suffering cruel death spiritual isolation and deep disappointment But notice when Jesus does arrive on the scene as Resurrection and Life the world as God intended is made available to each of them and also to us
