Shockley, 2007-05-28 How often do you feel overwhelmed by the pace of your life These days it's easy to work harder and harder constantly pushing ourselves and those around us so that we and our congregations can be successful We forget that our drive to succeed can prevent us from taking the time to stop and listen for what God is calling us and our congregations to be This book is one pastor's story of his journey from a success oriented drivenness to a significance oriented meandering style of life What you will find are reflections from a fellow traveler who is now less desirous of doing something spectacular for God and is instead committed to doing something significant with God who is discovering a more grace filled Spirit led way This book offers a contrarian take on the more popular practices of leadership found throughout the church today Meandering leaders are attentive to the promptings of the Spirit They are guides and mentors who patiently journey alongside those they love and lead Ultimately being a meandering leader is about being on a journey with God personally and corporately slowing down the pace of our lives and following God's Spirit In the faith journey we are not so much racing toward a physical finish line as we are meandering toward becoming all that God has in mind for us to be This book is an invitation to journey into the depths of your own soul and to follow the Spirit's lead in the next chapters of your life The Churchman ,1897 **Part-Time is**

Plenty G. Jeffrey MacDonald, 2020-04-07 Churches experiencing numerical and financial decline may dread the day when they can no longer afford a full time pastor Freeing up funds that would go to a full time salary sure would help the budget maybe even enough to turn things around but is it even possible to run effective ministries with just a half or quarter time professional Journalist and part time pastor Jeffrey MacDonald says yes churches can grow more vibrant than ever tapping into latent energy and undiscovered gifts revitalizing worship and engaging in more effective ministry with the community Readers get a much needed playbook for helping congregations to thrive with a part time ministry model They learn to see the model in a new light to stop viewing part time as a problem to be eradicated and to instead embrace it as a divine gift that facilitates a higher level of lay engagement responsibility playfulness and creativity **Comeback Churches**

Ed Stetzer, Mike Dodson, 2007-05-01 Research shows that over time most churches plateau and then eventually decline Typically they start strong and experience periods of growth then stagnate and lose members Since 1991 the North American population has increased by 15 percent while the number of unchurched people has increased by 92 percent Large church houses that were filled in the 1950s and 60s now hold a fraction of their capacity To counter this trend authors Ed Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled Comeback Churches Endorsements As a successful pastor church planter researcher and advisor to thousands of churches Ed Stetzer speaks from a wealth of experience with all kinds of churches Now in one volume your church can benefit from his wisdom This book is a winner Dr Rick Warren author of The Purpose Driven Life and The Purpose Driven Church First and foremost it is biblical Second it is well researched And third it is immensely practical and applicable this book should be in the hands of hundreds of thousands of pastors staff and church leaders Simply stated it is just that good Thom S Rainer author of Simple Church president CEO of Lifeway Christian Resources Finally a book of practical advice that is based on research I have seen it both ways endless research with little advice or much advice with little facts This book strikes the balance with perfection Elmer Towns Dean of Liberty University This is the most helpful practical book on church revitalization I've read this century Leonard Sweet Drew Theological School George Fox University Comeback Churches is more than a pep talk It's rooted in the right stuff to bring a congregation out of the dismal into the vital Jack W Hayford President International Foursquare Churches Chancellor The King's College and Seminary No one to my knowledge has done the hard research presented the facts and offered such sound advice as Ed Stetzer and Mike Dodson Comeback Churches is the number one book on turning around declining and plateauing church ministry Gary L McIntosh D Min Ph D Biola University A refreshing book by authors who know how to make research exciting and instructional Leaders and members of non growing evangelical churches should read this book it wouldn't hurt mainliners either Bill Easum Easum Bandy Associates *Congressional Record* United States.
