Keys To The Kingdom The Year 2012 Countdown To The Apocalypse:

Keys to the Kingdom Gary Alexander Byrd, 2007 *Destiny's Darling* is a beautifully told love story whose plot is intertwined with the history of Latvia a small country in northern Europe The story of Anita spans three generations beginning at the height of World War I before the fall of Czarist Russia and weaves through Latvian independence from 1918 to 1939 when the country was successively occupied by the Soviet Union then Nazi Germany and then at the end of the war re occupied by the Soviets Anita and her family fled from the war as refugees to the United States finding happiness after initial struggle and then her life ended on a profoundly ironic note The author reveals the experiences of a family that overcomes the challenges created by wars and by peace and the moral compromises involved in survival Anita is the core personality in the book and its primary narrator Her story is fast paced presenting a complex personality that rises above her situation that often presents morally ambiguous choices

Keys to the Kingdom II Rev. Dr. Gary Alexander Byrd, 2023-10-29 *Keys to the Kingdom II* reveals the hidden prophecies in the Bible by reimagining the scriptures *Keys II* challenges the traditional view or interpretation of both Genesis and Revelation by engaging ancient astrology and the Bible Numeric What emerges is a new truth in which Adam is not the first man God created This assertion only confirms the overwhelming evidence of the earliest humanoids existence on Earth as there is a long fossil record which predates Adam by a million years or more Evolutionist vs Creationist argument has raged for over a hundred years with either side satisfied with the others explanation There is nothing wrong with the Bible what is problematic is man's interpretation of the text which early church fathers and theologians never consider Earth's long anthropological archeological and astrological past By revealing the ancient astrology which is hidden in plain sight Revelation's apocalyptic code is finally cracked What is revealed is seventy to eighty percent of the Book of Revelation has already happened Biblical prophecy is real and trustworthy as this terminal generation will continue to experience a number of unprecedented hardships and disasters as the fulfillment of End of Days prophecies are now upon the world

Keys to the Kingdom Gary Alexander Byrd, 2007 **The Five Keys to the Kingdom of the Apocalypse** Duncan Alexander McKenzie, 2012-06-01 Thermonuclear biological and chemical weapons Mankind now has the power to harness the fires of Hell Terrorism may strike at any time and in any place A billionaire industrialist has tasked himself with the destruction of the human race This is to allow the unfettered supremacy of artificial intelligence A computer science student from Scotland is drawn into his cult and then frees himself from its grasp when he discovers their true agenda Human vivisection spontaneous human combustion and entombment while alive are some of the themes of this story From the paradise of bisexual orgies to the fires of Hell It's an amazing tale But the most frightening thing is that it presents a credible scenario It will answer the question Are human beings now obsolete and will *Homo sapiens* be superseded by machines The battle has begun for the fate of the Earth Would you sacrifice yourself to the terrors and the fires of Hell to save your loved ones and the planet One day you may be asked to Be ready
