## La Pense Des Lumieres En Russie Opuscles Choisis:

*La Pensée des lumières en Russie*, 1973      **La pensée des Lumières en Russie**, 1973      **Kant in Imperial Russia**  
Thomas Nemeth, 2017-02-15 This book presents a comprehensive study of the influence of Immanuel Kant's Critical Philosophy in the Russian Empire spanning the period from the late 19th century to the Bolshevik Revolution. It systematically details the reception bestowed on Kant's ideas during his lifetime and up to and through the era of the First World War. The book traces the tensions arising in the early 19th century between the imported German scholars who were often bristling with the latest philosophical developments in their homeland and the more conservative Russian professors and administrators. The book goes on to examine the frequently neglected criticism of Kant in the theological institutions throughout the Russian Empire as well as the last remaining though virtually unknown embers of Kantianism during the reign of Nicholas I. With the political activities of many young radicals during the subsequent decades having been amply studied, this book focuses on their largely ignored attempts to grapple with Kant's transcendental idealism. It also presents a complete account of the resurgence of interest in Kant in the last two decades of that century and the growing attempts to graft a transcendental idealism onto popular social and political movements. The book draws attention to the young and budding Russian neo-Kantian movement that mirrored developments in Germany before being overtaken by political events.

Πωξάνη Δ. Αργυροπούλου, 2003      Les décembristes Julie Grandhay, 2011

Nous réclamons une constitution Telle est l'exhortation qu'une centaine d'officiers rassemblés sur la place du Sénat Saint Petersbourg le 14 décembre 1825 adresse à Nicolas 1er. La réponse du jeune empereur est l'image de l'autocratie : arrestation, procès puis condamnation, l'exil. Le destin des insurgés se poursuit en Sibirie portant le nom de leur insurrection : les décembristes sont déportés pour avoir levé la contestation en place publique. Comment des officiers loyaux soutiens de l'Empire ont-ils pu prendre les armes contre leur souverain ? Le présent ouvrage se donne l'ambition de retracer l'itinéraire de ces hommes pour comprendre leur marche vers l'insurrection de 1825. Il s'appuie sur un corpus original et varié : archives familiales, correspondances, projets de constitution, interrogatoires et dossiers d'instruction militaires rédigés en exil. Ces sources nous dévoilent l'intimité d'une génération née en terre d'autocratie devenue républicaine.
