

Labor Leaders In America Working Class In American History

Robert Bussel

Labor Leaders In America Working Class In American History:

The Gospel of the Working Class Erik S. Gellman, Jarod Roll, 2011-07-15 In this exceptional dual biography and cultural history Erik S Gellman and Jarod Roll trace the influence of two southern activist preachers one black and one white who used their ministry to organize the working class in the 1930s and 1940s across lines of gender race and geography Owen Whitfield and Claude Williams along with their wives Zella Whitfield and Joyce Williams drew on their bedrock religious beliefs to stir ordinary men and women to demand social and economic justice in the eras of the Great Depression New Deal and Second World War Williams and Whitfield preached a working class gospel rooted in the American creed that hard productive work entitled people to a decent standard of living Gellman and Roll detail how the two preachers galvanized thousands of farm and industrial workers for the Southern Tenant Farmers Union and the Congress of Industrial Organizations They also link the activism of the 1930s and 1940s to that of the 1960s and emphasize the central role of the ministers wives with whom they established the People s Institute for Applied Religion This detailed narrative illuminates a cast of characters who became the two couples closest allies in coordinating a complex network of activists that transcended Jim Crow racial divisions blurring conventional categories and boundaries to help black and white workers make better lives In chronicling the shifting contexts of the actions of Whitfield and Williams *The Gospel of the Working Class* situates Christian theology within the struggles of some of America s most downtrodden workers transforming the dominant narratives of the era and offering a fresh view of the promise and instability of religion and civil rights unionism

Encyclopedia of U.S. Labor and Working-Class History Eric Arnesen, 2006-11-16 A RUSA 2007 Outstanding Reference Title The Encyclopedia of US Labor and Working Class History provides sweeping coverage of US labor history Containing over 650 entries the Encyclopedia encompasses labor history from the colonial era to the present Articles focus on states regions periods economic sectors and occupations race relations ethnicity and religion concepts and developments in labor economics environmentalism globalization legal history trade unions strikes organizations individuals management relations and government agencies and commissions Articles cover such issues as immigration and migratory labor women and labor labor in every war effort slavery and the slave trade union resistance by corporations such as Wal Mart and the history of cronyism and corruption and the mafia within elements of labor history Labor history is also considered in its representation in film music literature and education Important articles cover the perception of working class culture such as the surge in sympathy for the working class following September 11 2001 Written as an objective social history the Encyclopedia encapsulates the rise and decline and continuous change of US labor history into the twenty first century

Death and Dying in the Working Class, 1865-1920 Michael K. Rosenow, 2015-04-15 Michael K Rosenow investigates working people s beliefs rituals of dying and the politics of death by honing in on three overarching questions How did workers their families and their communities experience death Did various identities of class race gender and religion

coalesce to form distinct cultures of death for working people And how did people s attitudes toward death reflect notions of who mattered in U S society Drawing from an eclectic array of sources ranging from Andrew Carnegie to grave markers in Chicago s potter s field Rosenow portrays the complex political social and cultural relationships that fueled the United States industrial ascent The result is an undertaking that adds emotional depth to existing history while challenging our understanding of modes of cultural transmission

Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Guest Workers and Resistance to U.S. Corporate Despotism Immanuel Ness,2011-09-01 Political scientist Immanuel Ness thoroughly investigates the use of guest workers in the United States the largest recipient of migrant labor in the world Ness argues that the use of migrant labor is increasing in importance and represents despotic practices calculated by key U S business leaders in the global economy to lower labor costs and expand profits under the guise of filling a shortage of labor for substandard or scarce skilled jobs Drawing on ethnographic field research government data and other sources Ness shows how worker migration and guest worker programs weaken the power of labor in both sending and receiving countries His in depth case studies of the rapid expansion of technology and industrial workers from India and hospitality workers from Jamaica reveal how these programs expose guest workers to employers abuses and class tensions in their home countries while decreasing jobs for American workers and undermining U S organized labor Where other studies of labor migration focus on undocumented immigrant labor and contend immigrants fill jobs that others do not want this is the first to truly advance understanding of the role of migrant labor in the transformation of the working class in the early twenty first century Questioning why global capitalists must rely on migrant workers for economic sustenance Ness rejects the notion that temporary workers enthusiastically go to the United States for low paying jobs Instead he asserts the motivations for improving living standards in the United States are greatly exaggerated by the media and details the ways organized labor ought to be protecting the interests of American and guest workers in the United States

The Great Strikes of 1877 David O. Stowell,2008-02-19 New perspectives on a pivotal moment in U S history

Labor's Mind Tobias Higbie,2018-12-30 Business leaders conservative ideologues and even some radicals of the early twentieth century dismissed working people s intellect as stunted twisted or altogether missing They compared workers toiling in America s sprawling factories to animals children and robots Working people

regularly defied these expectations cultivating the knowledge of experience and embracing a vibrant subculture of self education and reading Labor s Mind uses diaries and personal correspondence labor college records and a range of print and visual media to recover this social history of the working class mind As Higbie shows networks of working class learners and their middle class allies formed nothing less than a shadow labor movement Dispersed across the industrial landscape this movement helped bridge conflicts within radical and progressive politics even as it trained workers for the transformative new unionism of the 1930s Revelatory and sympathetic Labor s Mind reclaims a forgotten chapter in working class intellectual life while mapping present day possibilities for labor higher education and digitally enabled self study **Hard**

Work Melvyn Dubofsky,2024-04-22 A career spanning collection of writings by the legendary labor historian One of American labor history s most prominent scholars Melvyn Dubofsky curated an accessible style and historical reach that have long marked his work as required reading for students and scholars This collection juxtaposes Dubofsky s early writings with scholarship from the 1990s Selections include work on western working class radicalism U S labor history in transnational and comparative settings and the impact of technological change on American worker s movements Throughout the writings provide an invaluable eyewitness perspective on the academic and political climate of the 1960s and 1970s while tracing the development of labor history as a discipline An exploration of important themes in labor history Hard Work combines essential scholarship with the story of how past and present interact in the work of historians Labor Leaders in America Melvyn Dubofsky,Warren R. Van Tine,1987 Here are the life stories of the men and women who have led the labor movement in America from Reconstruction to recent times from William H Sylvis the first major labor leader to Cesar Chavez who organized California s farm workers in the 1960s All of the chapters have been written expressly for this volume by leading authorities several of whom are authors of booklength biographies of their subjects Taken together these readable yet authoritative life studies provide a broad overview of the American labor movement that will appeal to the student and lay reader as well as to the specialist in social history and labor and industrial relations **Struggle for the Soul of the**

Postwar South Ken Fones-Wolf,Elizabeth A. Fones-Wolf,2015-03-15 In 1946 the Congress of Industrial Organizations CIO undertook Operation Dixie an initiative to recruit industrial workers in the American South Elizabeth and Ken Fones Wolf plumb rarely used archival sources and rich oral histories to explore the CIO s fraught encounter with the evangelical Protestantism and religious culture of southern whites The authors nuanced look at working class religion reveals how laborers across the surprisingly wide evangelical spectrum interpreted their lives through their faith Factors like conscience community need and lived experience led individual preachers to become union activists and mill villagers to defy the foreman and minister alike to listen to organizers As the authors show however all sides enlisted belief in the battle In the end the inability of northern organizers to overcome the suspicion with which many evangelicals viewed modernity played a key role in Operation Dixie s failure with repercussions for labor and liberalism that are still being felt today Identifying the

role of the sacred in the struggle for southern economic justice and placing class as a central aspect in southern religion

Struggle for the Soul of the Postwar South provides new understandings of how whites in the region wrestled with the options available to them during a crucial period of change and possibility *The Female Economy* Wendy Gamber,1997

The Female Economy explores that lost world of women s dominance showing how independent often ambitious businesswomen and the sometimes imperious consumers they served gradually vanished from the scene as custom production gave way to a largely unskilled modern garment industry controlled by men Wendy Gamber helps overturn the portrait of wage earning women as docile souls who would find fulfillment only in marriage and motherhood *History's Erratics* David M. Emmons,2024-10-22

As Ice Age glaciers left behind erratics so the external forces of history tumbled the Irish into America Existing both out of time and out of space a diverse range of these Roman Catholic immigrants saw their new country in a much different way than did the Protestants who settled and claimed it These erratics chose backward looking tradition and independence over assimilation and embraced a quintessentially Irish form of subversiveness that arose from their culture faith and working class outlook David M Emmons draws on decades of research and thought to plumb the mismatch of values between Protestant Americans hostile to Roman Catholicism and the Catholic Irish strangers among them

Joining ethnicity and faith to social class Emmons explores the unique form of dissidence that arose when Catholic Irish workers and their sympathizers rejected the beliefs and symbols of American capitalism A vibrant and original tour de force

History s Erratics explores the ancestral roots of Irish nonconformity and defiance in America *Fighting for Total Person Unionism* Robert Bussel,2015-09-30

During the 1950s and 1960s labor leaders Harold Gibbons and Ernest Calloway championed a new kind of labor movement that regarded workers as total persons interested in both workplace affairs and the exercise of effective citizenship in their communities Working through Teamsters Local 688 and viewing the city of St Louis as their laboratory this remarkable interracial duo forged a dynamic political alliance that placed their citizen members on the front lines of epic battles for urban revitalization improved public services and the advancement of racial and economic justice

Parallel to their political partnership Gibbons functioned as a top Teamsters Union leader and Calloway as an influential figure in St Louis s civil rights movement Their pioneering efforts not only altered St Louis s social and political landscape but also raised fundamental questions about the fate of the post industrial city the meaning of citizenship and the role of unions in shaping American democracy *The Oxford Handbook of Latin American History* Jose C. Moya,2011

This Oxford Handbook comprehensively examines the field of Latin American history *Asian American History Day by Day* Jonathan H. X. Lee,2018-10-12

For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population

Asian American History Day by Day A Reference Guide to Events provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the

contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research

Readings for Diversity and Social Justice Maurianne Adams,2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations

The Challenge of Interracial Unionism Daniel Letwin,1998 This study explores a tradition of interracial unionism that persisted in the coal fields of Alabama from the dawn of the New South through the turbulent era of World War I Daniel Letwin focuses on the forces that prompted black and white miners to colla

Labor's End Jason Resnikoff,2022-01-18 Labor s End traces the discourse around automation from its origins in the factory to its wide ranging implications in political and social life As Jason Resnikoff shows the term automation expressed the conviction that industrial progress meant the inevitable abolition of manual labor from industry But the real substance of the term reflected industry s desire to hide an intensification of human work and labor s loss of power and protection behind magnificent machinery and a starry eyed faith in technological revolution The rhetorical power of the automation ideology revealed and perpetuated a belief that the idea of freedom was incompatible with the activity of work From there political actors ruled out the workplace as a site of politics while some of labor s staunchest allies dismissed sped up tasks expanded workloads and incipient deindustrialization in the name of technological progress A forceful intellectual history Labor s End challenges entrenched assumptions about automation s transformation of the American workplace

Workers in America Robert E. Weir,2013-01-08 This encyclopedia traces the evolution of American workers and labor organizations from pre Revolutionary America through the present day In 2001 Robert E Weir s two volume Historical Encyclopedia of American Labor was chosen as a New York Public Library Best in Reference selection Weir recently revised this groundbreaking resource resulting in content that is more accessible comprehensive and timely The newest edition Workers in America A Historical Encyclopedia features updated entries recent court cases a chronology of key events an enriched index and an extensive bibliography for additional research This expansive encyclopedia examines the complete panorama of America s work history including the historical account of work and workers the social inequities between the rich and poor violence in the Labor Movement and issues of globalization and industrial economics Organized in two volumes and arranged in A Z order the 350 entries span key events collective actions pivotal figures landmark legislation and important concepts in the world of labor and work

[The Columbia Guide to Asian](#)

American History Gary Y. Okihiro, 2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others

Labor Leaders In America Working Class In American History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Labor Leaders In America Working Class In American History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Labor Leaders In America Working Class In American History has opened up a world of possibilities. Downloading Labor Leaders In America Working Class In American History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Labor Leaders In America Working Class In American History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Labor Leaders In America Working Class In American History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Labor Leaders In America Working Class In American History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Labor Leaders In America Working Class In American History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Labor Leaders In America Working Class In American History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Labor Leaders In America Working Class In American History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Labor Leaders In America Working Class In American History is one of the best book in our library for free trial. We provide copy of Labor Leaders In America Working Class In American History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Labor Leaders In America Working Class In American History. Where to download Labor Leaders In America Working Class In American History online for free? Are you looking for Labor Leaders In America Working Class In American History PDF? This is definitely going to save you time and cash in something you should think about.
