Lost Daughters Amanda H. L. Transue-Woolston, 2014-01-01 *Neo-Passing* Mollie Godfrey, Vershawn Young, 2018-02-21
African Americans once passed as whites to escape the pains of racism Today's neo passing has pushed the old idea of passing in extraordinary new directions A white author uses an Asian pen name heterosexuals live out as gay and irony of ironies whites try to pass as black Mollie Godfrey and Vershawn Ashanti Young present essays that explore practices performances and texts of neo passing in our supposedly postracial moment The authors move from the postracial imagery of Angry Black White Boy and the issues of sexual orientation and race in ZZ Packer's short fiction to the politics of Dave Chappelle's skits as a black President George W Bush Together the works reveal that the questions raised by neo passing questions about performing and contesting identity in relation to social norms remain as relevant today as in the past
