Love's Transformation Emil Toth, 2019-06-30 Batu's inspirational story dramatizes how tragic and explosive events transform her from being self-centered to self-empowered. Batu fearlessly speaks out against injustice and inequalities in a male-dominated society, irritating village councilmen and most men in the village. Unwilling to subject herself to a barbaric ritual, she insults the pagan High Priest and creates a persistent enemy throughout the story. Selfishly, she continues her quest for knowledge and prestige and marries the Story Teller, a member of the council. The marriage turns into a test of wills that causes her beauty to be devastated by psoriasis. After nearly dying, she is transformed by falling in love with her husband. The death of her husband and baby causes Batu to lose worth as defined by law. Without worth, the council decrees she is to be expelled from the village to face certain death by predators. While waiting to be expelled, the Healer helps Batu to discover a loving God. With a deeper understanding of life, she faces tragedies, expulsion, and death courageously and heroically. **My**
