Definitions in Paediatric & Preventive Dentistry Dr. Dimple S. Padawe, About the Book The word DEFINITION means a description of the exact meaning of a word or an idea Definitions play a major role in understanding the subject of Paediatric and Preventive Dentistry as it helps the students to grasp the basic concepts and utilize them while dealing with children The scope of Paediatric Dentistry is very vast and during the course of study one comes across numerous terminologies given by various authors which makes it very difficult for students to comprehend them Therefore a compilation of all the definitions is the need of the hour and a serious attempt has been made to streamline them in this hand book along with the author name and year in which it is published This enables the users an easy access to reading and also laborsaving
