Thoughts of a First Time Mom Dalya Lateef, 2015-08-26 You might not say it out loud so I'll say it for you You know those days when you really really really would prefer to not get out of bed and tend to your little crumb snatchers because you're sleep deprived and would really rather go back to sleep Or those times when you're trying to get your child to eat their quota of vegetables for the day and they act as though you're trying to poison them You know those thoughts you were probably thinking while it was happening Even the ones that weren't so nice Well I put them in the pages of this book for you to read and enjoy and so you know that you are definitely not alone in how you felt in those moments **Finally, Enough Is**

Enough Amber Parks, 2022-09-24 Finally enough is enough Do you wonder if you will ever find freedom from the shame bitterness resentment and brokenness that you carry around with you every day Do you wonder if anyone will truly love you the way that God loves you Do you believe that you can live a victorious life free from fear from always looking over your shoulder or wondering how you are going to make it through today If you said yes to one of these or all of these then you have picked up the right book It is time to say Finally enough is enough It is time to believe that you are worth much more than a punching bag and you deserve to be loved feel loved and be free to live a victorious life We all have wounds of many different sizes that have shaped us into who we are and that is not how God sees us Our past does not define us Through God's grace and forgiveness we are set free from our past If you have dealt with sexual physical emotional verbal spousal spiritual abuse or abandonment all of this will affect you as a child and then alter the way you think act and feel as an adult It will rob you of the life that God intended you to live God does not expect us to live a life full of abuse that would bound and cripple us from a life of freedom In Finally Enough Is Enough Amber shares her story with you explaining how she broke free from thirty eight years of abuse At the age of thirty eight she finally had an aha moment a moment that she realized she is worth

much more and deserves much more She dug in deep and broke free from all the lies by healing her heart letting go of the hurt and learning the true meaning of forgiveness Amber is no longer living her life as a victim rather she is living a victorious life that God intended her to live The purpose of telling her story is to help guide you to freedom and true happiness to help break you from living as a victim and embrace living a victorious life **Thinking like a new mom**
