Hope Rising How Christians Can End Extreme Poverty In This Generation:

Hope Rising Scott Todd, 2014-05-06 Extreme poverty does not have to exist When Christians accept that fact and start living accordingly we will find the solution is already within our reach Worldwide 18 000 children die from preventable causes every day If that statistic leaves you feeling powerless you are not alone but you are wrong If a false sense of powerlessness has lulled you into apathy it s time to shake off the grogginess of low expectations and get to work We can make this world a place where kids do not die from easily preventable diseases In Hope Rising Scott Todd of Compassion International pens a galvanizing comprehensive vision of the movement that will eradicate extreme global poverty through transformative Christian generosity and do it within our lifetime Todd provides riveting evidence to show that we are much closer to that goal than you might think According to Todd we live in an historic moment and chances are you are already part of it The gospel is already reshaping lives from thoughtless consumption to informed concern Twenty first century Christians are generating multi continent grassroots movements through communications and travel Public and private sectors are working together It s a whole new era of philanthropy compassion and justice aimed at eradicating the pandemic of extreme global poverty This is a future we have the God given power to create This is the history we hope to write As Todd envisions The twenty first century Christians embraced the entirety of their gospel the truths it proclaims and the muscles it demands with a new integrity They did not deteriorate into humanist liberalism as some had feared Nor did they pile works on top of Grace They simply determined that their world did not need to have children dying of preventable causes such as dirty water

Suffer the Children Gary Scott Smith, Jane Marie Smith, 2017-01-31 We all say that we care about children We all know that millions of children around the world including in the United States are suffering physically materially and emotionally and are unable to reach their full potential Moreover their material deprivation and physical ills often prevent them from responding to the gospel Most of us conclude that we cannot do anything significant to help the impoverished children living in our own backyards let alone those living in the slums of Nairobi or the hinterlands of Haiti We can however do much to improve their lives materially and spiritually Through praying giving generously sponsoring children volunteering with aid organizations living more simply investing and shopping more prudently and advocating more zealously in the political arena we can make a difference We can prod politicians business executives and church leaders to prioritize aiding destitute children We can support one of the hundreds of organizations that are working effectively to help indigent children have better lives Suffer the Children describes the plight of poor children and provides many practical ways we can participate in one of the most important crusades to improve our world

references that men will relate to Covering a variety of everyday issues this men s devotional will help strengthen your commitment to faith and your walk with God Through showing up to meet with God every day you ll be inspired to go deeper with him all year long Those who trust in the Lord will find new strength They will soar high on wings like eagles They will run and not grow weary They will walk and not faint Isaiah 40 31 Brimstone Hugh Halter,2015-07-01 How was Jesus the most holy person while at the same time the least judgmental And why don t His followers live like He lived Let s be honest Christians are losing the culture war The western Church is in stark decline and our kids no longer find the message of judgement tenable in the real world Jesus came to influence and draw not condemn and repel In Brimstone Hugh Halter helps us navigate the overuse of poor judgment and the underuse of right judgment This book will help you navigate the great law of love given by Jesus Inside you ll find a disruptive invitation to be holy as Jesus was holy and engage the sinful world with a smile instead of pointing a finger in their face Poverty and Development Kumar Aryal ,2019-06-06 Are you concerned about the problem of poverty in the world Do you want to do something about it This book is for you **Small Matters** Greg Nettle,Santiago Heriberto Mellado,2016-04-12 Children have always been close to Jesus heart As his followers it s our responsibility to protect nurture and pass our faith to children In Small Matters Why Children Are Such a Big Deal authors Greg Nettle and Jimmy Mellado offer a model of discipleship that encourages parents to raise up the next generation to be deeply committed to and in love with Jesus Ministry pioneer D L Moody once said that if he could relive his life he would devote his entire ministry to reaching children for God What Moody understood was that by investing in them the potential for effective change in a child s life is huge When we awaken to the fact that children between the ages of four and fourteen are the most likely to make a decision to follow Jesus and that the discipleship that children receive forms their future it may give you an idea of the importance of ministering the young Greg and Jimmy challenge the typical church models of youth discipleship and offer ways to shift into a more effective and more biblical method that begins by empowering parents in their homes and works outward Discipling children in the home Discipling children in the church Discipling children in the community Now more than ever churches have to invest in the cause of children through advocacy sponsorship and children s ministries all of which need to be committed to holistic child development Small Matters will transform the way we view children invest in them reach out to them teach them and ultimately empower them to be disciples of Jesus This is a book about small matters which are really large matters God has used the small things of this world to do his work and he continues to do this today In Jesus kingdom the first are last and the least are the greatest the servants are the heroes and the small are the biggest winners of all John Ortberg author and pastor *Bulletin of the Atomic Scientists* ,1994-01 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Bulletin of the Atomic Scientists** ,1993-06 The Bulletin of the Atomic Scientists
