*The Ultimate Medical Log* Kristi DeCoster, 2021-06-17. The Ultimate Medical Log was created by a woman with over three decades of experience caregiving for family members with severe chronic health conditions. Additionally, she has battled significant ailments herself. Simply put, this book was developed by a patient and caregiver for a patient and caregiver. Effortlessly organize enormous amounts of information. Minimize administrative overload. Easy to take on the go, such as to appointments. Makes it possible for family and doctors to have the information they need all together and readily available in the event of an emergency. Unlike other health care organizers, The Ultimate Medical Log can be used for at least one full year. Other patient and caregiver journals, this extensive and detailed one, normally holds content for a maximum of three months. Consequently, with The Ultimate Medical Log, you enjoy both an extremely comprehensive format AND longevity. Inside The Ultimate Medical Log, there is a n At a glance yearly overview, Twelve monthly calendars with customizable year and dates, Fifty-two pages of weekly planning, and Three hundred and sixty-five daily health logs. The daily health logs allow users to track information such as Sleep, Weight, Blood pressure, Heart rate, Oxygen levels, Temperature, Blood sugar, Pain, symptoms, Water consumed, Urine output, Bowel movements, Energy, activity levels, and Additional notes. The Ultimate Medical Log also stores and catalogs Patient information, Insurance information for multiple medical, dental, optical, and prescription coverages, Emergency contacts, Legal information pertaining to medical and legal power of attorney, living wills, and advanced directives, Medical providers and health care facility information, including patient portal usernames and passwords for each. Medications and supplements, the names, dosage, ordering, physician, pharmacy used, start and end dates, as well as reactions or symptoms. Both personal and family medical history, including diagnosis and dates or age of onset, Vaccination history, the dates administered, side effects, and additional notes for follow-up. Medical test logs to journal dates, results, and notes. Provider appointment journals with sections for preparing for each appointment by listing questions and concerns to discuss, to write notes during appointments, such as results and referrals, and follow-up to do's. Insurance Explanation of Benefits, medical bills trackers to manage services billed to insurance, bill due dates, and amounts owed, what was paid, and payment confirmation information, and additional notes. And more. The Ultimate Medical Log is a full 8.5 x 11 inches, larger.

than most other medical logs There is plenty of space for write in comments yet still easy to take on the go A Table of Contents simplifies locating the various sections of the book and a list of additional organizational tips is also provided
