Toulouse-Lautrec Gerstle Mack, 2019-08-15 The first complete biography in English of the painter Henri de Toulouse Lautrec 1864 1901 whose short but intensely active life is portrayed against a colorful gay nineties background of dance halls brothels cafés concerts theaters circuses and racecourses A descendant of one of the noblest families in France grotesquely deformed hideously ugly Lautrec voluntarily renounced the life of a country gentleman for the tawdry environment of Montmartre where dissipation wrecked his health and brought about his premature death at the age of thirty seven Strangely enough drink and debauchery had little apparent effect on his work he remained to the end a great artist a sensitive painter a superb draftsman and lithographer and an unrivaled designer of pictorial posters Gerstle Mack's book so complete so searching so just adds to his already high prestige as a biographer and once more as with respect to the previous book on Cézanne puts the art world in his debt The Toulouse Lautrec biography is informed throughout with a spirit of warm human understanding and of fine critical integrity Edward Alden Jewell The New York Times November 6 1938 A distinguished and authoritative biography a definitive work Charles Poore The New York Times October 15 1938 First rate biography of the dwarf genius who was one of the best draftsmen of his or any age Lautrec's circus and brothel background is neatly worked in and the book is full of understanding and sympathy The New Yorker A distinguished book The Atlantic Mr Mack's biography is complete unmitigated authoritative a thorough documentation not only of the works but of the milieu of Toulouse Lautrec The Nation This is a thoroughly sound and entertaining piece of work Saturday Review Various biographers have chronicled the brief and meteoric career of Lautrec but none has done it with the thoroughness and dispassionate scholarship the sensitivity and sympathy as has Gerstle Mack The personality of the man rather than his analysis as an artist is Mack's motivating purpose and he has patiently tracked Lautrec through all the haunts he loved and introduced all of the period's personalities who were habitués of Lautrec's world Mr Mack has also demolished the popular theory that Lautrec loathed his models and really was a crusader against the vice he portrayed Lautrec was a powerful critic of the time and place but always presented the scene with a sympathetic if trenchant wit He provided a profound insight into the times He displayed the tawdriness disguised as glamour and the boredom disguised as excitement He created a wonderful and powerful style that has influenced generations of artists particularly in the graphic arts Irvin Haas Book Find News Gerstle Mack has written a book of remarkable interest not only from the point of view of the artist but from the point of view of the variety of human personality This desperate and talented man shoved his way into the late nineteenth century life of Paris This book will shove its way into the midtwentieth century life of that western world which is still free to contemplate the essential violence and harmony of art Paul Engle Chicago Tribune This first complete English biography is an admirable

portrait of Lautrec and his times Based upon thorough research and first hand interviews it makes absorbing reading We are not told specifically how the simple eager boy became the strange and contradictory man Nevertheless in these days of biographies filled with the speculations of amateur psychiatrists it is both refreshing and good to re encounter this sound and unpretentious study Art Digest An artist s biography good reading with a well filled background of Montmartre caf s and their owners and entertainers the theatre the circus whorehouses and so on The man himself is interesting The sources of his artistic material equally so He loved sports and his eccentric father wanted him to attain physical perfection but he was handicapped in his teens by having his legs badly broken So he turned to art studying worshipping Degas and Japanese prints seeking Paris night life for his subjects and producing illustrations and poster designs that equalled the fame of his lithographs An art book as well as excellent biography Kirkus Reviews **The Bicentennial of the United States of America** American Revolution Bicentennial Administration,1977 *Leadership in Architectural Research* Hazem Rashed-Ali,Shelley Roff,2009 *Posters* Charles Matlack Price,1913 Long Island Life ,1918
