Hostile Environment Understanding And Responding To Anti Christian Bias:

Hostile Environment George Yancey, 2015-04-29 Sociologist George Yancey unpacks the underlying perspectives and root causes of Christianophobia or intense anti Christian hostility He considers to what extent Christians have themselves contributed to this animosity and explores how we can respond more constructively defusing tensions and working toward the common good

The Silencing of the Lambs Michael L. Brown, 2022-03-01 How long will the church's voice be drowned out by the roar of the enemy After reading this book you will understand the critical issues threatening the spread of the gospel in America and how you can play a part and no longer be a silent lamb drowned out by the voices of secularism liberalism and pagan thinking in America If you are a conservative living in America today there is a target on your back If you are a Christian conservative that target is even bigger If you are a Christian conservative who refuses to bow down to the spirit of the age the spirit of political correctness that target is so big that you are a marked man or woman A person like that like you must be silenced So says today's cultural elite who are making it increasingly difficult for Christians to stand up and live out their faith In *The Silencing of the Lambs* Dr Michael L Brown lays out what is happening in the world around us from the assault on children in schools and on college campuses to the unprecedented censorship of Christians and conservatives through Big Tech He then maps out strategies for how we can turn the pitfalls into platforms and find courage in the midst of opposition The Word of God cannot be bound The church cannot be cancelled This book sounds the alarm alerting Christians to the increasing censorship opposition and even persecution believers are facing today and calls them to remove the muzzle take their place as the church in this nation and turn the tide

Doing Missions in Difficult Contexts Paul Sungro Lee, 2022-04-04 Christians of the future global church will face challenges We live in a time of unprecedented suffering of Christians In the gospel restricted world more Christians have been persecuted in the past few years than at any other time while in the free world Christians increasingly face the temptation of corruption immorality and family breakdowns Lee shares his research and suggestions gleaned from his thirty years of ministry both in free and persecuted worlds In the face of growing Christian suffering worldwide this book provides hope and encouragement with stories from difficult mission contexts like a pandemic social unrest and other hostile environments to Christians This is a must read for anyone trying to live a godly life in Jesus Christ

Welcome to College 2nd ed Jonathan Morrow, 2017-03-28 The single best volume I have ever read for preparing students for how to follow Jesus and flourish as his disciple in college J P Moreland Is there a more frightening question for a graduating high school senior than What will you do with your life In college whether they realize it or not students will answer that question every day with each decision All of the new friends and new experiences of higher education will shape their future It's critical that students know how to handle college before they're in the thick of it Jonathan Morrow tackles the tough questions that arise during these formative years including How do you grow spiritually How do you manage your time to both study well and have fun Is all truth relative Are there good reasons to be a Christian

counting themselves among the nones the cohort of Americans who are not necessarily atheistic but who do not claim allegiance to a particular religious system The key question is why Consider that the nation s three main educational systems the mainstream media entertainment and the university system lean to the political left and typically paint an inaccurate picture of what Christianity truly is With this in mind Billy Hallowell skillfully explores how society s main educational avenues fail to deliver fair minded content and how their biases are reinforcing negative values and fueling the rise of the nones Hallowell also offers practical steps for all Christians to take and provides advice on how to respond to these growing problems

Critical Dilemma Neil Shenvi, Pat Sawyer, 2023-10-03 World Magazine 2023 Book of the Year Where Are Critical Theory and the Social Justice Movement Taking Us Critical theory and its expression in fields such as critical race theory critical pedagogy and queer theory are having a profound impact on our culture Contemporary critical theory s ideas about race class gender identity and justice have dramatically shaped how people think act and view one another in Christian and secular spheres alike In Critical Dilemma authors Neil Shenvi and Pat Sawyer illuminate the origins and influences of contemporary critical theory considering it in the light of clear reason and biblical orthodoxy While acknowledging that it can provide some legitimate insights regarding race class and gender Critical Dilemma exposes the false assumptions at the heart of critical theory arguing that it poses a serious threat to both the church and society at large Drawing on exhaustive research and careful analysis Shenvi and Sawyer condemn racism urge Christians to seek justice and offer a path forward for racial healing and unity while also opposing critical theory s manifold errors

Impossible People Os Guinness, 2016-06-03 The church in the West is at a critical moment facing militant assaults from aggressive secularism and radical Islam What is needed says Os Guinness are impossible people followers of Christ who are willing to face reality without flinching and respond with a faithfulness that is unwavering Christians are called to be impossible people full of courage and mercy in challenging times

The Reformation Pierre Berthoud, Pieter J. Lalleman, 2017-09-07 The papers in this volume are less a commemoration of the Reformation than a discussion of its meaning in the era after 2017 What is celebrated in 2017 is not the Reformation as such but the beginning of the Reformation It was the dynamics of the new theology of Luther and Calvin that caused a radical change with global effects Reformation is not just an historical event but an ongoing movement of renewal and change The message of the Reformation constantly challenges us to think through positions actions attitudes and programs This book presents contributions from eleven experts from all over Europe who deal with their various topics on the conviction that the essence of Luther s theology does not need to be adapted to make it relevant The papers originated at the 2016 conference of the Fellowship of European Evangelical Theologians which was held in Lutherstadt Wittenberg

Atheism? Stephen E. Parrish, 2019-05-06 Does atheism have a monopoly on reason and science Many think so or simply assume so Atheism challenges the many hidden assumptions that have led to the popular belief that atheism is the default position for explaining reality Delving into the most basic and fundamental questions of existence this thought provoking

book explains that atheism does not and cannot provide a secure foundation for thought and life Specifically it demonstrates that atheistic theories cannot explain the existence of an ordered universe the conundrums of consciousness and knowledge or why there is morality or beauty Rather than being the result of reason atheism is shown to be in effect a revolt against reason If you enjoy pondering the most basic issues that confront us in our world today then Atheism is the book for you

Liberdade religiosa Michael F. Bird, 2023-11-21 Descubra como defender com responsabilidade a liberdade religiosa para todos sem comprometer suas crenças pessoais A liberdade religiosa infelizmente uma questão cada vez mais contestada nas esferas política pública e online Toda a discussão em torno desse tema sempre acalorada e nenhum dos extremos do espectro político global está de fato interessado em protegê-la Enquanto a esquerda abertamente hostil à religião tradicional a direita procura transformá-la em arma Como podemos garantir que a liberdade religiosa seja de fato aplicada a toda forma de religião em vez de servir a agendas políticas ou nacionalistas O fato que a religião tem muito a contribuir para o bem comum Liberdade religiosa desafiar os leitores de todas as origens e crenças a não apenas abrir espaço para diferenças pacíficas mas também a encontrar um ponto em comum nos valores da justiça misericórdia e igualdade Com sua perspicácia habitual Michael Bird mostra que liberdade religiosa importante não apenas para os cristãos mas também para o mercado de ideias que contribuiu para aprofundar a fé e ao mesmo tempo abriu espaço para uma divergência pacífica

Ideological and Political Bias in Psychology Craig L. Frisby, Richard E. Redding, William T. O'Donohue, Scott O. Lilienfeld, 2023-09-13 This book examines the traditional assumptions made by academics and professionals alike that have embedded sociopolitical biases that impede practice and undermine efforts to achieve an

objective scientific status. If allowed to go unchallenged, the credibility of psychology as a discipline is compromised. This contributed volume thoroughly and comprehensively examines this concern in a conceptually and empirically rigorous manner and offers constructive solutions for minimizing undue political influences within the field of psychology. Societies in the 21st century desperately need reliable psychological science, but we don't have it. This important volume explains one of the main reasons why we are making little progress on any issue that gets contaminated by the left-right culture war: because the field of psychology is an enthusiastic member of one of the two teams, so it rejects findings and researchers who question its ideological commitments. The authors of this engaging volume also show us the way out. They diagnose the social dynamics of bias and point to reforms that would give us the psychology that we need to address 21st-century problems.

Jonathan Haidt, Thomas Cooley Professor of Ethical Leadership, NYU Stern School of Business and author of *The Righteous Mind*. The boundaries of free speech, censorship, moral cultures, social justice, and ideological biases are among the many incendiary topics discussed in this book. If you are looking for a deep dive into real-world contemporary controversies, *Ideological and Political Bias in Psychology* fits the bill. The chapters are thoughtful and thought-provoking. Most readers will find something to agree with and something to rage at in almost every chapter. It just may change how you think about some of these topics.

Diane F. Halpern, Professor of Psychology, Emerita, Claremont McKenna College and Past President, American Psychological Association. Unless the political left is always correct about everything, in which case we wouldn't need to do research, we could just ask a leftist. The growing political monoculture of social science is a major barrier to our search for the truth. This volume shows how ideological bias should be treated as a source of research error, up there with classic methodological flaws like non-random assignment and non-blind measurement.

Steven Pinker, Johnstone Professor of Psychology, Harvard University and the author of *Rationality*. An important read for academics curious about how their politics fashions beliefs that too often are uncritically taken for granted and for non-academics wondering why we can't shake off the politics that so influences scientific work.

Vernon Smith, Nobel Laureate in Economic Sciences and George L. Argyros Chair in Finance and Economics, Chapman University. Advances and deepens empirically rigorous scholarship into biased political influences affecting academic and professional psychology. Offers constructive solutions for minimizing undue political influences within psychology and moving the field forward. Serves as a resource for psychological academicians, researchers, practitioners, and consultants seeking to restore the principles of accurate science and effective practice to their respective areas of research.

Giving a Voice to the Voiceless Christopher Yuan, 2016-04-11. The problem this project addresses is the sense of marginalization experienced by lesbian, gay, bisexual, LGB, and same-sex attracted SSA Christian college and university students. Data was collected via an online questionnaire and the study design mixed methods with an emphasis on the qualitative data. The study sample included eighty students/alumni from thirty-two Christian colleges/universities. Generally, respondents felt lonely, hid their sexuality, and reported a negative campus climate. Recommendations from respondents

include institutional policies must be clearer and applied consistently improve campus climate and form support groups for LGB and SSA students

The Light in the City Janet Parshall, Craig Parshall, 2000-09-03 The numerous legal moral and social threats on the horizon in America have caused many Christians to wonder whether they can truly make a difference Contrary to some current voices that have called for retreat Janet and Craig Parshall explain why Christians must engage the culture as never before in order to fulfill the whole mission of the church In *The Light in the City* the Parshalls help readers understand the biblical basis for the need for Christians to be actively involved in the formation of public policy Issues addressed in this book are as current as tabloid headlines *The Light in the City* not only gives a biblical and historical basis for Christian involvement but it also provides practical strategies and personal testimonies of encouragement
