Light Through the Crack Sue Mosteller, 2007-12-18 A deeply moving and engaging work of Christian spirituality in the tradition of Henri Nouwen written by his close friend and literary executrix Sue Mosteller has had a rich life as a spiritual adventurer and as a member and leader of L Arche Community where she first met the great spiritual writer Henri Nouwen In Light Through the Crack she tells her own story and the stories of the people she has known throughout her life She writes about her family and her upbringing the fifty years she has spent with the Sisters of St Joseph her thirty years of involvement with L Arche Daybreak Community where people with disabilities and those who assist them create a home together and her close twenty year friendship with Nouwen With grace and humor she explores the relationships she has formed and the difficulties that go with them Through her varied experiences she has learned that it is impossible to live with people over the long term and hide your flaws and vulnerabilities Leonard Cohen once wrote in a song There is a crack in everything That's how the light gets in Combining revealing memoir and the inspirational stories of others Mosteller brings to life the meaning of that resonant phrase and illuminates why human weaknesses the cracks in our personalities are actually the greatest sources of light for the world *Light Through the Crack* Sue Mosteller, 2006 **Jean Vanier** Michael W. potent medicine for healing the heart As a teacher of mindfulness and writing courses retreats and webinars for more than a decade beloved poet editor and writer James Crews has seen again and again how poems can initiate a deep dive into our own experience and how reflecting on poetry can open the floodgates of feeling More and more people are turning to poetry as a source of comfort in times of grief loss and uncertainty especially as our society moves away from organized religion People are seeking new outlets for wisdom ritual and creativity to help them express their collective grief both global and personal Poetry is a unique tool for healing because it is rooted in the everyday material of our lives helping us to stay embodied and in touch with the physicality of ourselves and the world Turning Toward Grief presents a collection of highly accessible and comforting poems many of which have been shared by thousands of people across social media in newsletters on podcasts and radio shows and in meditation and yoga classes throughout the world Recognizing that poetry can sometimes feel intimidating Crews includes brief prose reflections after each poem followed by inviting and welcoming writing prompts These elements encourage and support readers as they explore the personal images memories and emotions sparked by each entry Turning Toward Grief invites us back into the senses to find even a few brief instances of relief from the often overwhelming suffering By paying attention to our grief we can learn to see it as less threatening and although it is terribly difficult we can turn toward our grief in gentle ways each day **American Book Publishing Record**, 2005
